#### **Purpose of Report**

The purpose of the report is to seek approval of the Council Tax Reduction Scheme for 2015/16.

#### **Executive Summary**

From the 1st April 2013 the Council introduced a localised Council Tax Reduction Scheme to replace Council Tax Benefit for those of working age, the scheme was revised from 1st April 2014 to increase the level of support provided. The requirement for the Council to develop a local scheme was set out in the Local Government Finance Act 2012. A revision to the scheme was approved by full Council on 18th December 2013.

The legislation as detailed in the Local Government Finance Act 2012 places a requirement that each year a Collection Authority must formally consider revising its Council Tax Reduction Scheme. Before undertaking any revision legislation requires consultation to take place, this year consultation began on 25th July 2014 and ended on 30th September 2014.

Consultation took place on two options:

- Option 1: Leave the current Council Tax Reduction scheme unchanged for 2015 onwards.
- Option 2: Increase the level of Council Tax Reduction should the financial position of the council be able to support the change.

Feedback from the consultation has been analysed and is included within this report.

With the current scheme only having been in place since 1st April 2014 it is difficult to estimate what the exact percentage collection rate might be. However, an early indication is that the collection rate for the extra amount billed in 2014/15 will be higher than originally estimated at between 65% and 75%. Equally this may change in the remainder of the year.

## **Recommendations**

It is recommended that:

1. Option 2 is agreed and that the Council implements a Council Tax Reduction Scheme from 1st April 2015 for all applicants of working age which would:
  - Increase the maximum amount of reduction available to 85% of a Band A rate of Council Tax.
  - Maintain other changes introduced in the 2014/15 Oldham Council Tax Reduction scheme
  
2. The scheme at Appendix 2 will be subject to any changes resulting from prescribed requirements issued by the Secretary of State under paragraph 2(8) of Schedule 1A of the Local Government Finance Act 1992 and any changes from time to time to the figures prescribed by central government for welfare benefits purposes.

**1 Background**

- 1.1 From the 1st April 2013 the Council introduced a Council Tax Reduction Scheme to replace the national Council Tax Benefit scheme for those of working age. The requirement for the Council to do this was set out in the Local Government Finance Act 2012. Financial responsibility for this support was transferred from the Department of Work and Pensions (DWP) to the Department of Communities and Local Government (DCLG). The DCLG would pay those bodies affected by the change a direct grant as part of its overall financial settlement with a reduction of 10% on the overall estimated cost. This was as part of the overall savings on welfare expenditure. Any reduction in actual benefit could only be passed onto claimants of working age.
- 1.2 In devising the 2013/14 scheme it was assumed by the Council that 50% of the extra Council Tax levied under the scheme would be collected in year. On this basis the maximum amount of reduction available to working age claimants was 75% of the Band A rate of Council Tax. However, the expected collection rate was exceeded which led to revision of the scheme for 2014/15. The current years scheme offers a higher level of support with the maximum amount awarded being 80% of the Band A rate of Council Tax this is based on an anticipated collection rate of 60%.
- 1.3 The legislation confers an obligation on the Council to consider whether to review this scheme on an annual basis. This consideration needs to be given by full Council on a date before 31st January 2015. The last Council meeting before this date is 17th December 2014.
- 1.4 In order to develop and recommend whether or not to introduce a revised scheme to full Council, it was necessary to undertake a formal consultation. For the four weeks beginning 25th July, there was consultation with the major preceptors and from 21st August 2014 to 30th September 2014 there was a public consultation exercise.

**2. Current Position**

- 2.1 There is an obligation upon the Council within the legislation, to consider whether to review this scheme on an annual basis and if the Council wants to revise the scheme, any such revision for 2014/15 must be approved by full Council on a date before 31st January 2015.
- 2.2 Early indications are that collection rates on the debt due from the scheme may be higher than the estimated 60%. It was also recognised that the number of recipients of working age has reduced from 16,206 when the scheme was agreed by Council in December 2013 to 15,391 as at December 2014. Based on these factors, the Council may therefore be in a position to offer increased financial support through the scheme. Alternatively, given the

uncertain and volatile nature of the Council's finances and the major budget reductions required in future years, the Council could choose to leave the scheme unaltered until there is greater certainty in a number of areas.

2.3 On this basis it was agreed that the Council should undertake an 8 week consultation with two options:

- Option 1: Leave the current Council Tax Reduction scheme unchanged for 2015 onwards.
- Option 2: Increase the level of Council Tax Reduction should the financial position of the council be able to support the change.

2.4 Consultation on the options outlined above took place during the period 25th July 2014 to 30th September 2014. The consultation was a web based consultation through Oldham's Consultation Portal in line with the approach adopted by other AGMA authorities. A paper copy of the consultation was available on request. The consultation used open and closed questions to capture residents' views.

2.5 A total of 134 residents responded to the consultation, 133 through the portal and one by requesting a paper survey. A summary of the responses are included below, please note the figures may not add up to 100% due to rounding.

In relation to the two proposed options:

- Option 1: Leave the current Council Tax Reduction scheme unchanged for 2015 onwards, just over half (53%) disagreed with the proposal and just under half (47%) agreed with the proposal.
- Option 2: Increase the level of Council Tax Reduction should the financial position of the council be able to support the change, just over half (54%) agreed with the proposal and the just under half (46%) disagreed with the proposal

2.6 In order to better understand the views of those responding to the consultation we asked a number of additional questions to gauge the impact of the CTR

- 75% of respondents were not in receipt of CTR, 19% were whilst 5% of respondents were unsure.
- 67% of all respondents stated that CTR had no financial impact on their household. Of those in receipt of CTR, 65% stated that CTR had a 'great deal' (28%) or a fair amount of financial impact on their household. Around one third stated that the change had not had very much impact on their families'.

2.7 A brief summary of the respondents profile as follows:

- A slight majority of respondents were female (56%, n =74) compared to men (44%, n=58), 2 did not answer the question; 14 women and 1 man said they received CTR
- 86% (n=110) respondents were White British, respondents from BME groups accounted for around 13% of respondents (n=18). The rest did not answer the question. This is broadly representative of Oldham's population. 22 White British respondents were in receipt of CTR, while 2 BME respondents said they received the reduction
- 31% of respondents stated their income as being between £252 and £511 per week. 15% stated their income to be under £168 per week. One in five (20%) have an income of over £743 per week
- Over half of all respondents are in full time paid employment, this compares to around 17% of those in receipt of Council Tax Reduction
- Of the 19% (n=25) who stated that they were in receipt of CTR, nearly two-thirds (64%) have been in receipt of it for over 12 months, with 36% being in receipt for 12 months or less.

2.8 Further details of the consultation can be found in the feedback summary report at Appendix 1.

2.9 As part of the consultation, a report outlining the two options for the scheme was considered by the Overview and Scrutiny Performance and Value for Money Select Committee on the 25th September 2014.

2.10 A further element of the consultation process, was the request for comments from the Office of the Police and Crime Commissioner for Greater Manchester and the Greater Manchester Fire and Rescue Authority.

2.11 Responses to the consultation have been considered in the development of the recommendations contained within this report.

2.12 As at the 1<sup>st</sup> December 2014 from the 15,391 taxpayers receiving Council Tax Reduction the collection remain higher than originally estimated and may reach 65% to 75%. It is expected that this could result in the collection of an extra £500,000 in Council Tax receipts for 2014/15. However attention is drawn to the financial implications in section 6.

### **3 Options/Alternatives**

3.1 There are two options to be considered in line with the consultation questions asked by the Council and taking into account the financial information detailed in Section 6 of this report, the options are as follows:

**Option 1** - Leave the current Council Tax Reduction scheme unchanged for 2015 onwards.

**Option 2** - Increase the maximum amount of reduction available to 85% of a Band A rate of Council Tax, in line with the scheme document at Appendix 2.

- 3.2 For both options there would be a requirement to maintain other changes introduced by the 2014/15 Oldham Council Tax Reduction scheme and to allow for the scheme document at Appendix 2 to be subject to any changes resulting from prescribed requirements issued by the Secretary of State under paragraph 2(8) of Schedule 1A of the Local Government Finance Act 1992 and any changes from time to time to the figures prescribed by central government for welfare benefits purposes.

#### **4 Preferred Option/Recommendation**

- 4.1 Option 2 is agreed and that the Council implements a Council Tax Reduction Scheme from 1st April 2015 for all applicants of working age which would:

- Increase the maximum amount of reduction available to 85% of a Band A rate of Council Tax.
- Maintain other changes introduced in the 2014/15 Oldham Council Tax Reduction scheme

- 4.2 The scheme at Appendix 2 will be subject to any changes resulting from prescribed requirements issued by the Secretary of State under paragraph 2(8) of Schedule 1A of the Local Government Finance Act 1992 and any changes from time to time to the figures prescribed by central government for welfare benefits purposes.

#### **5 Consultation**

- 5.1 Details of the consultation are included within the body of the report and a consultation feedback summary report can be found at Appendix 1.

#### **6 Financial Comments**

- 6.1 The direct grant paid by the Department of Communities and Local Government for Council Tax Reduction Support has now been subsumed within the Council's Revenue Support Grant figure (RSG). In 2013/14, the last time the Local Government Finance Settlement identified this grant independently; the Council's allocation was £17.418m including support for parishes but excluding the major preceptors (the GM Fire and Rescue Authority and the Office of the Police and Crime Commissioner for Greater Manchester). The 2014/15 Local Government Finance Settlement prescribed that the level of council tax reduction support would remain unchanged;

however the overall level of RSG has reduced by £15.546m. The DCLG's intentions for 2015/16 are unclear, although the indicative settlement for 2015/16 has advised that the RSG will again reduce.

6.2 As at the 1st December 2014, 77% of claimants had made some payments towards their 2014/15 Council Tax bills, suggesting a collection rate above that of the estimated 60%. As outlined above, data is not available to assess how many of these claimants making payments will fall into arrears during the year, however, it is envisaged that proactive collection methods implemented by the Unity Partnership will enable the Council to collect an amount between of between 60% and 75% of the amount due in 2014/15. Weekly monitoring of the collection rate is being maintained to manage the risk of non-collection. One perceived risk at this stage is that the present collection rate will reduce throughout the remainder of the financial year as the Government's welfare change programme is phased in. The amount of disposable income many of the scheme claimants will have available to meet Council Tax and other financial commitments is likely to reduce. This will have the impact of increasing the risk of arrears from those who are currently paying their Council Tax.

6.3 Using the same assumptions upon which the 2014/15 scheme was based, the Council estimates it needs to generate additional Council Tax income of £1.976m (60% of £3.293m as highlighted in the table below) to offset the reduction in the level of Government grant support.

This would therefore mean that the scheme would be self-financing by there being no call on resources outside those intended to support the scheme, namely:

- a) The Government grant to recompense the Council for Council Tax Benefit.
- b) Council Tax income from the technical reform of the Council Tax system which has increased the Councils ability to charge when properties are empty.
- c) Council Tax received from recipients of awards under the Council Tax Reduction scheme.

6.4 The table below summarises the impact of potential revised schemes in comparison to the current 2014/15 scheme based on a 60% collection rate.

	Collection Rate	Reduction in support to make the scheme self-financing	Average impact on individuals	
			Annual	Weekly
	%	£m		
Current scheme	60	3.293	£196.55	£3.78
Revised scheme options	65	3.040	£182.51	£3.51
	70	2.822	£168.47	£3.24

Assuming the scheme is designed around a higher estimated collection rate of 70% and that this can be achieved, the income generated would be equivalent to the requirement of £1.976m (70% of £2.822m). On average this would reduce the claimant support by £3.24 per week when compared to the base Council Tax Benefit position prior to the start of the localisation initiative. However, there would be an increase in support of £0.54 per week based on the current 2014/15 scheme (the average impact on individuals would decrease from £3.78 per week to £3.24 in terms of the reduction in the level of Council Tax Benefit).

- 6.5 Taking into account the above information the Council has the option to increase the maximum amount of reduction available to 85% of a Band A rate of Council Tax. However, it should be noted that there is a significant level of risk associated with basing proposals for an amended scheme on historic collection rates. There could be a fall in collection rates over the remainder of the current financial year; in addition the scheme assumes the trend in the first part of 2014/15 will be mirrored in the whole of the financial year 2015/16. The Council will however be working with colleagues in the Unity Partnership to ensure collection rates are maintained by using existing recovery options and devising alternative recovery methods to support vulnerable council tax payers.

## **7 Legal Services Comments**

- 7.1 The legislation states that each year an authority must give consideration to whether to revise its Council Tax Reduction scheme.
- 7.2 The revision of a scheme is a decision that the legislation reserves to full council. Any revision to apply to the scheme for the following year must be made by 31<sup>st</sup> January.
- 7.3 No revision of a scheme can occur unless the authority has, in the following order:
- 1) Consulted with major precepting authorities (fire and police)
  - 2) Published a draft proposed scheme
  - 3) Consulted with others likely to have an interest in the scheme
- 7.4 The authority has undertaken consultation as above and is therefore able to revise its scheme should it choose to do so
- 7.5 If following consultation it is proposed that no revision is made it is still recommended that the matter goes to full Council. The legislation does not expressly state that the consideration of whether to revise a scheme, as opposed to actual revision, is reserved to full Council. Given the lack of clarity in the legislation, authorities would be wise to approach the matter with caution even if no revision is proposed. .

- 7.6 In order to discharge its duties under the Equality Act 2010 the authority will need to consider the effects of proposals on people with a protected characteristic as defined by the act, which can be done by way of an equality impact assessment as happened before the present scheme was made. Further detail on this aspect is provided at 14 below.
- 7.7 The scheme to be implemented by the Council shall apply from 1<sup>st</sup> April 2015 and shall be in terms of the Oldham Council Tax Reduction Scheme at Appendix 2 of this report, subject to:
- Any changes resulting from prescribed requirements from time to time issued by the Secretary of State under paragraph 2(8) of Schedule 1A of the Local Government Finance Act 1992
  - Any changes from time to time to the various figures in Appendix 2 that are figures prescribed by central government for welfare benefits purposes.  
(Bill Balmer)

## **8 Human Resources Comments**

- 8.1 There are no human resource comments.

## **9 Risk Assessments**

- 9.1 There are a number of risks to be managed in this process:
- Ensuring the revised scheme is not subject to a legal challenge on the basis of equality legislation.
  - Developing a scheme which is both fair and affordable to the Council for 2015-16 particularly as it will only be based upon limited collection rates information early in the financial year and assumptions on grant funding previously made.
  - Linking in Council Tax Collection Processes to the Council's Corporate Fair Debt Policy. (Mark Stenson)

## **10 IT Implications**

- 10.1 There are no IT implications.

## **11 Property Implications**

- 11.1 There are no property implications.

## **12 Procurement Implications**

- 12.1 There are no procurement implications.

## **13 Environmental and Health and Safety Implications**

13.1 There are no Environmental and Health and Safety implications.

#### 14 **Equality, community cohesion and crime implications**

14.1 In taking financial decisions the Council must demonstrate that it has given “due regard” to the need to eliminate discrimination, promote equality of opportunity and promote good relations between different groups.

14.2 Demonstrating that “due regard” has been given involves:

- Assessing the potential equality impacts of proposed decisions at an appropriate stage in the decision making process - so that it informs the development of policy and is considered before a decision is taken;
- Ensuring that decision makers are aware of the equality duties and any potential equality issues when making decisions.

NB – having due regard does not mean the Council cannot make decisions which have the potential to impact disproportionately, it means that we must be clear where this is the case, and must be able to demonstrate that we have consulted, understood and mitigated the impact.

14.3 To ensure that the process of impact assessment is robust, it needs to:

- Be specific to each individual proposal;
- Be clear about the purpose of the proposal;
- Consider available evidence;
- Include consultation and involvement with those affected by the decision, where appropriate;
- Consider proposals for mitigating any negative impact on particular groups;
- Set out arrangements for monitoring the actual impact of the proposal.

14.4 As with the 2013/14 and 2014/15 schemes, an Equality Impact Assessment is being undertaken to try to and identify any potential disproportionate adverse impacts arising from the proposed scheme and also identify any actions which might mitigate these impacts. (Jennifer Barker)

**Consultation on Council Tax Reduction  
options in Oldham**

1 October 2014

## 1 Introduction

- 1.1 In response to potential options for the provision of Council Tax Reduction (CTR) in Oldham for the years 2015/16, Oldham Council conducted a resident consultation.
- 1.2 The consultation ran from 21 August 2014 to 30 September 2014 via the Oldham Council Consultation portal. The online survey was promoted via the Oldham Council website. A printed hard copy of the survey was made available on request. A full communications plan was in place to promote the consultation and to sign post to hard copies of the consultation
- 1.3 A total of 134 responses were received, of these 25 stated that they are in receipt of CTR. A further seven were unsure.

## 2 Key findings<sup>1</sup>

- 2.1 In total, 134 residents responded to the consultation. The main findings of the consultation are outlined below.
  - Of the 134 residents who completed the questionnaire, all but one completed the survey online.
  - 19% indicated that they were in receipt of support through the Council Tax Reduction Scheme, 100 (75%) said they were not, while 5% were unsure.
- 2.2 In relation to the two proposed options:
  - Option 1: Leave the current Council Tax Reduction scheme unchanged for 2015 onwards, just over half (53%) disagreed with the proposal and just under half (47%) agreed with the proposal.
  - Option 2: Increase the level of Council Tax Reduction should the financial position of the council be able to support the change, just over half (54%) disagreed with the proposal and the just under half (46%) agreed with the proposal.
- 2.3 Respondents were also asked whether the Council Tax Reduction scheme revised as of April 2014 had an impact on their lives, the findings suggest that:
  - Over two thirds (67%) of all respondents stated that changes in CTR had no financial impact on their household.
  - Of those in receipt of CTR, 65% five stated that changes in CTR had a “great deal” (28%) or a fair amount of financial impact on their household. A third stated that the change had not had very much impact on their families’ finances.
  - Around half of respondents in receipt of CTR (48%) declared that CTR had impacts other than financial on their household; a further 12% stated that they may feel such impacts within the next 12 months.

<sup>1</sup> figures may not add up to 100% due to rounding

## 2.4 About the respondents

The respondents profile is as follows: (A further breakdown can be found at the end of the report)

- A slight majority were female (56%, n=74) compared to men (44%, n=58); 2 did not answer the question. 14 women and 1 man said they received CTR.
- 86% (n=110) respondents were White British, respondents from BME groups accounted for around 13% of respondents (n=18). The rest did not answer the question. This is broadly representative of Oldham's population. 22 White British respondents were in receipt of CTR, while 2 BME respondents said they received the reduction
- 25 (19.7%) have a limiting long term illness or disability that affects their daily life, with 9 saying they were in receipt of CTR;
- Four in ten (42%) report suffering from nervous trouble or depression in the last 12 months, 24% have seen a doctor about this issue; Of those who have CTR and responded (24) 13 have nervous trouble or depression (54.16%) and 11 (45.83%) do not.
- A quarter of respondents are in full time paid employment, with a further 14% in part time paid employment. Of those in receipt of CTR, 17% are unemployed and 12% unable to work due to sickness and or disability;
- Three in ten (31%) respondents stated their income as being between £252 and £511 per week. 15% stated their income to be under £168 per week. One in five (20%) have over £743 per week.

## 2.5 Receipt of Council Tax Reduction

Only 25 (18.9%) stated that they are in receipt of Council Tax reduction. One hundred respondents stated that they do not receive Council Tax Reduction support and seven were unsure with 2 not responding.

Figure one below indicates the length of time Council Tax Reduction support has been received by these 25. It shows that nearly two thirds (64%) have been in receipt for over 12 months.

### 3 Impacts of CTR

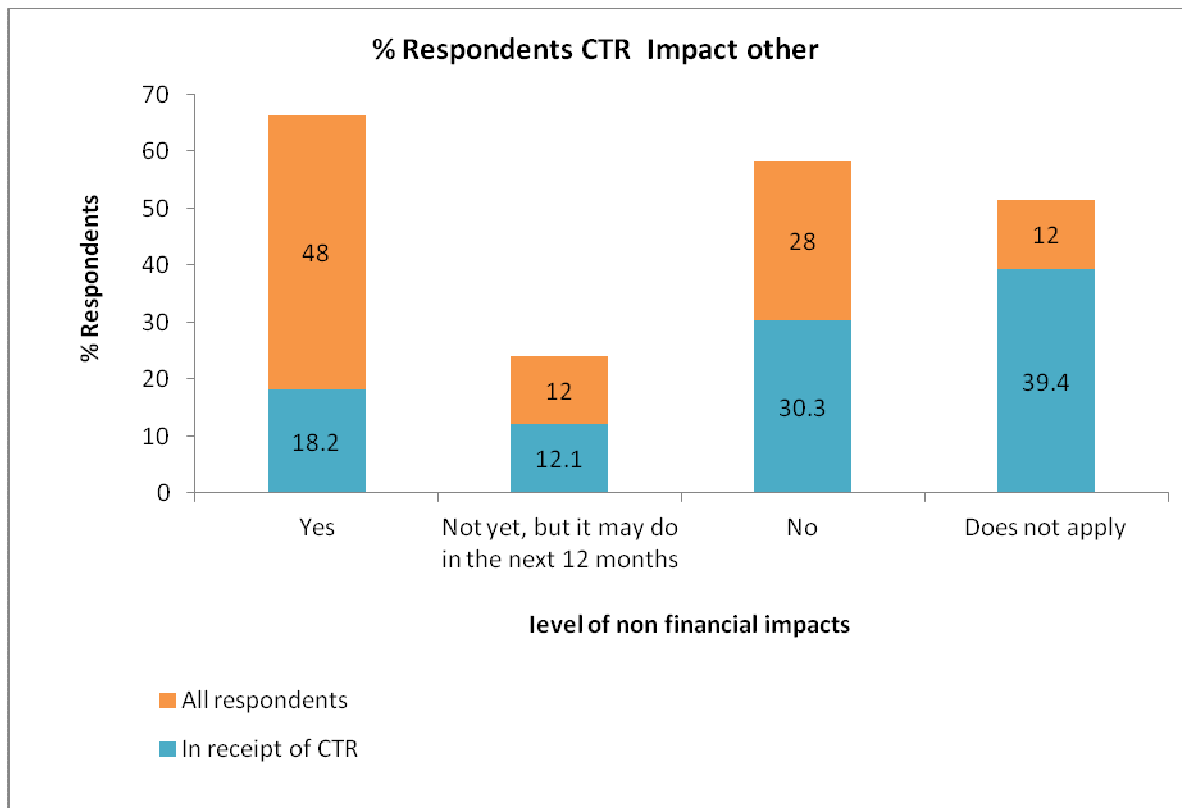

#### 3.1 The financial impact of Council Tax Reduction on the household

Participants were invited to tell us about the financial impact on their household of the revised Council Tax Reduction scheme which was introduced in April 2014 (giving an extra 5% support).

**Figure two: % financial impact of Council Tax Reduction.**  
**Source: Council Tax Reduction 2015/16 online consultation.**

- Figure two illustrates the comparative responses of those in receipt of Council Tax Reduction and those not. Over a quarter (28%) of those in receipt of Council Tax Reduction stated that the new scheme had a great deal of impact on their household financially; a further 36% stated that it had a fair amount of impact.
- Interestingly, one in five respondents not in receipt of Council Tax Reduction stated that the scheme had some financial impact.
- Further to the questions around the financial impact of the introduction of the revised Council Tax Reduction scheme in April 2014, respondents were asked if there had been any other impacts on their households. Figure three below shows that nearly half (48%) of those in receipt of Council Tax Reduction felt that there had been an impact other than financial, a further 12% felt there may be an impact in the next 12 months.

**Figure three: % Non Financial impact of Council Tax Reduction.**  
**Source: Council Tax Reduction 2015/16 online consultation**

### 3.2 Payment Options

**Figure four: Ways of payment 2015/16 online consultation.**  
**Source Council Tax Reduction 2015/16 online consultation**

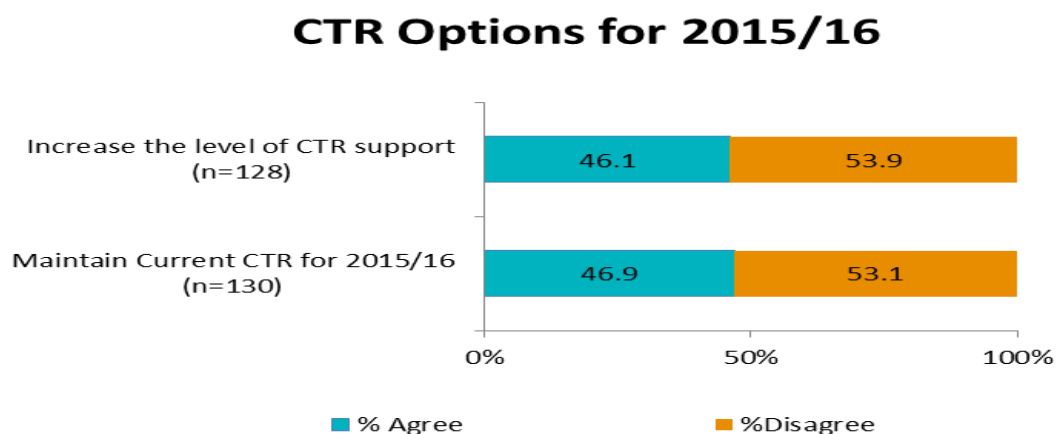

Respondents were asked to consider the different payment options designed to make paying Council Tax easier. Of the 131 responses, over half (54%) stated that they either do or would pay via direct debit. A further 22% do or would pay on line. Less than one percent (0.6%) stated they do or would use the Jam Jar budgeting account offered by Oldham Credit Union. 3 respondents did not answer this question

## 4 CTR Options for 2015/2016

### 4.1 Future options for CTR

Participants were asked to consider two options for the Council Tax Reduction scheme.

1. Maintaining the current level of Council Tax reduction from 1 April 2015
2. Increase the level of Council Tax Reduction should the financial position of the council be able to support the change.

**Figure five: % Response Council Tax Reduction Options for 2015/16:**  
Source: Council Tax Reduction 2015/16 online consultation

Figure five shows that support for both options is similar, however there is slightly stronger opposition against the possible increase of Council Tax Reduction support should the Council's position support it.

For those currently in receipt of Council Tax Reduction, 56% felt the current scheme should remain unchanged. 80% stated that it should be increased should the Council's financial position allow it to.

## 5. Priority service areas

**Figure six: % Response Council Tax Reduction priority service areas 2015/16**  
Source: Council Tax Reduction 2015/16 online consultation

- Those who responded in the negative to option two were asked to consider which areas of service the Council should prioritise. This is shown in figure two.
- A third (32.7%) felt that there should be more investments in children’s social care.
- Similar proportions felt that there should be increased investment in Highways (21.5%) and Adult Social Care (20.6%)

## 6 What you told us

Two free text questions were included in the survey; these covered the financial impacts faced by individuals relating to the CTR scheme and impacts faced by communities and local businesses.

A total of 47 comments were received to both questions. Details of respondents:

- 64% female
- 36% male
- Age range of respondents: 24-70; 77% were aged 40 or over
- 60% were in full or part-time employment

The majority of respondents (85%) identified themselves as British.

Comments have been collated under the question headings below:

### 6.1 Financial impacts of change

18 free text responses were received to how households were affected financially by the change:

- 6 Positive comments
- 11 Negative comments
- 1 Not Relevant

Positive comments in the main related to the financial benefits provided by having access to the CTR scheme. These included:

- Being able to meet payments of other utility bill increases due to the reduction in CT paid
- Increase in disposable income
- Being able to meet other expenses such as school dinners and travel expenses
- Being able to afford to eat

***“The changes have made some financial assistance to me and my children which have helped me as my daughter has started secondary school and I have to give her my financial support with school dinners and travel expense.”***

***“We can eat.”***

***“It’s definitely a good change if it saves me money”***

Negative comments seemed to indicate dissatisfaction in the amount of relief being paid however it was not clear from the comments made if this related to a reduction in CTR relief being received or the increase in CT generally. Comments included:

- Insufficient reduction in amount to be paid

- Inability to save the extra amount that was required to be paid
- Inability to meet other household costs

***Although the change has helped a little, I still cannot afford house insurance or life insurance, I cannot afford to get my soffit boards and fascias done and I need a new boiler.***

Participants with health conditions and disabilities also raised some concerns as demonstrated in the quotes below:

***“Being in band D, I am required to pay a far greater amount than those in receipt of the same amount of money in a lower band. This is manifestly unfair. If there is to be a reduction in the amount of benefit it should be spread equally. The unemployed can find work to better their situation, but the disabled can’t, thus make this effectively a punishing discrimination against the disabled.”***

***“This change has devastated me financially. I am very ill with a spinal condition. I have no money to pay this extra tax. And I’m receiving threats as I am late in paying this.”***

## 6.2 Impacts on local community and business

Question 5 asked about any impacts that CTR scheme may have affected their local community or businesses. 41 free text comments were received these included:

- 9 responses indicating no impact
- 24 negative responses
- 4 positive responses
- 3 responses indicating they did not claim CTR or were not eligible
- 1 response relating to recommendations

Positive comments included an increase in disposable income and a general support for the CTR scheme.

***“More money to go round.”***

***“It made life slightly easier and if it carried on I think I’d definitely benefit more - I don’t know how it affected any businesses or community”***

***“I think its introduction has meant an affordable level of Council Tax has been set for the poorest people in our town. I think it’s a good principle that everyone should pay something according to their means as it gives households a stake in the decisions made and ownership of the services provided.”***

Negative comments covered the following points:

- The amount of relief not being considered as sufficient to make any impacts
- A reduction in household income and having to make cuts in fuel use
- Considered unfair that CTR does not take into account household income
- The reduction not being fair across all groups and some individuals have to pay more council tax than others
- Perceptions that poorer people are being favoured
- Feeling that lower income groups were being penalised

- Whether the council should be providing CTR in the first instance given it has to make savings

**“It’s not good for people on claiming benefits and if they don’t live in the lowest band they have to pay the difference.”**

**“This impacts everything how can people who pay nothing pay this. How can people buy things with no money? This evilness has a devastating impact on all of us.”**

**“As a result of having less money I have had to cut back on gas & electric. If the cut had been fairly spread this might not have been needed.”**

In addition it was indicated that the CTR scheme should not just cover lower band properties and that financial pressures are faced by all groups.

**“I feel the reduction scheme should go across all bands, it is not just the lower bands struggling to pay their bills. Those at the higher end have mortgages, children and nursery fees to pay for and we are all feeling the pinch.”**

Only 2 comments related to impacts on businesses. This included the potential for CTR to encourage business growth in Oldham and concerns of the impacts if CTR was to be reduced.

**“Support with council tax will hopefully give new businesses an incentive to open in Oldham and existing business the support to maintain themselves. More business means more jobs which mean less worklessness....Support with council tax definitely has a positive impact on all people throughout Oldham”**

**“I believe any reduction to the level of support offered will have negative impact for local communities and local businesses as there would be less money available to spend in the local economy.”**

Lead Officer:	Suzanne Heywood
People involved in completing EIA:	Suzanne Heywood Amanda Cawdron Yvette Maguire Dominic Coleman
Is this the first time that this project, policy or proposal has had an EIA carried out on it? If no, please state date of original and append to this document for information.	Yes  An EIA on the 2013/14 scheme accompanied the scheme for approval to Council on 12 December 2013. An EIA was also completed for the review of the scheme for 2014/15. This EIA is for the scheme for 2015/16 onwards.

**General Information**

1a	Which service does this project, policy, or proposal relate to?	This project relates primarily to the revenue and benefits section of the Customer Service Team. There are also close links into the finance team on this project.
1b	What is the project, policy or proposal?	<p>The project is the approval of Oldham's Council Tax Benefit Scheme is for 2015/16 onwards.</p> <p>From 2013/14, all local authorities were put under a duty to agree a localised Council Tax Support Scheme at full Council to replace Council Tax Benefit by 31<sup>st</sup> January. Previous to this, the Council Tax Benefit Scheme was administered nationally. There was additionally complexity in developing a scheme given that the resources envelope in which we had to deliver any scheme was 10% smaller than the funding we had received to cover CTB the previous year. The Councils desire was to ensure the scheme was self-financing to ensure no additional burden to the authorities' financial position.</p> <p>There is an obligation within the legislation on the council to consider whether to review this scheme on an annual basis and if the Council wants to revise the scheme, any revised scheme for 2015/16 needs to be approved by full Council on a date before 31st January 2015. The Council consulted on two options:</p>

		<ul style="list-style-type: none"> <li>• Option 1: Leave the current Council Tax Reduction scheme unchanged for 2015 onwards</li> <li>• Option 2: Increase the level of Council Tax Reduction should the financial position of the council be able to support the change</li> </ul> <p>Please see 1d and 1h for more information.</p>
1c	What are the main aims of the project, policy or proposal?	<p><b>1. To implement a scheme that is affordable</b></p> <p>As in 2014/15, Oldham is once again aiming to put in place a scheme that is affordable. Last year, the council tax reduction scheme was calculated to offset budget pressures of approximately £1.975million. The 2014/15 council tax reduction assumed a collection rate of 65%. We estimate that the budget pressure is likely to be the same in 2015/16, however recent historical data seems to suggest that a higher collection rate is achievable, thus resulting in the Council having the opportunity to explore the potential of making the council tax reduction scheme more beneficial to Oldham citizens.</p> <p>Against the backdrop of needing to find £60 million of savings in order to balance the budget over the next two financial years and already having taken over £140m out over the last 5 years, Oldham Council still cannot afford to fund any further shortfalls. We are therefore once again looking to introduce a local scheme that is affordable and balance the impact against the cost of providing a local council tax support scheme.</p> <p><b>2. To implement a scheme that limits the financial impact across all Council Tax benefit recipients</b></p> <p>As in previous years there is a mandatory requirement to protect pensioners meaning that any changes to awards can only be applied to those of working age. Initial guidance also suggested we should consider how to protect vulnerable groups and provide incentives to work. Whilst not providing a specific definition for vulnerable groups, the Government did advise that authorities should consider their duties under specific legislation when designing a scheme, namely:</p> <ul style="list-style-type: none"> <li>• The Equality Act 2010</li> <li>• Child Poverty Act 2010</li> <li>• The Housing Act 1996</li> </ul> <p>Whilst we have no legal duty to protect people on low incomes (this was revoked in December 2010), as a borough with a number of deprived areas, Oldham still</p>

		<p>chooses to continue considering the impact of any decisions on this group.</p> <p>We are now even more informed about the scale of the impact of welfare reforms on Oldham and its people than we were last year, which we will need to consider when identifying those who are most vulnerable under the scheme.</p> <p><b>3. To design a scheme that will enable the Council to collect as much Council Tax as possible, whilst supporting residents to meet their payments</b></p> <p>To date, Oldham's collection rate in relation to CTR is higher than anticipated and it is hoped that the Council will continue to achieve collection rates of between 65 and 75%. The good collection rate was due in no small part to a number of the actions we have continued to put in place through last year's EIA to reduce the impact of the scheme. Flexible funding options, partnerships with the Credit Union, and co-operative campaigns such as the Energy Switch have helped a number of families to be able to make their payments.</p> <p>Once again, through this process we will endeavour to do things differently, to do things co-operatively, which will help the residents of Oldham and in doing so, enable the Council to collect the funds it needs to continue to provide services. We are acutely aware that shortfalls in Council Tax mean creating a budget pressure that has the potential to require further savings to be made from within council services.</p>
1d	Who, potentially, could this project, policy or proposal have a detrimental effect on, or benefit, and how?	The proposal for the 2015/16 scheme is to either maintain or increase the support provided through the scheme, on this basis it felt that there will be no detrimental impact from the scheme.

1h	How have you come to this decision?	The proposal for the 2015/16 scheme is to either maintain or increase the support provided through the scheme, on this basis it felt that there will be no detrimental impact from the scheme and that individuals will have the same or more money in their household finance. The information we have used to reach this decision is included in Appendix 1 and we had an Action Plan on going to help mitigate the impact of the 2014/15, see Appendix 2. The actions in this plan will be rolled forward.

The source of all data contained within this appendix is the live benefit database as at 11<sup>th</sup> September 2014 unless otherwise stated.

**What we know about those currently claiming Council Tax Reduction?**

**Current Council Tax Reduction claimants**

As of 8<sup>th</sup> September 2014 the number of claimants was 25,702

The breakdown of claims by council tax band is as follows:

	<b>A</b>	<b>B</b>	<b>C</b>	<b>D</b>	<b>E</b>	<b>F</b>	<b>G</b>	<b>H</b>	<b>U</b>
Number of claimants	20,050	3,103	1,898	437	131	37	16	2	28

This data shows that the overwhelming majority of CTR claimants live in Band A properties.

**Potential impact on people of a particular age**

The breakdown of claims by claimant type is as follows:

<b>Type of Recipient</b>	<b>Number</b>	<b>%</b>
Elderly	9,805	38%
Working age - passported benefits	10,286	40%
Working age – other	5,611	22%
<b>TOTAL</b>	<b>25,702</b>	

This shows that those people of working age (62% of the entire claimant group) are adversely affected, particularly since there is a mandatory requirement to protect those on pension credit i.e. those claimants in the elderly bracket. Therefore the number of claimants of working age is 15,897

**Potential impact on men or women (including maternity or pregnancy considerations)**

The breakdown of claims by gender of the claimant is as follows:

<b>Gender</b>	<b>Working Age</b>	<b>%</b>
Male	6754	42%
Female	9143	58%
<b>Total</b>	<b>15897</b>	

The demographic information shows a 42/58 split in terms of men and women in the population, so this would indicate that slightly more women than men are affected by the scheme. It is likely that this is down to the number of lone parents with dependent children included in this group, 90% of which are women.

### Impact on those on low incomes

In a borough that has 3 areas within the top 1% most deprived in the country, there is a real risk that maintaining or reducing the levels of support could drive people over the financial edge and have a major impact on their quality of life. An increased level of support will have a positive effect for such people. Analysis shows that claimants living in (Lower Super Output) Areas in the wards of Coldhurst and St. Mary's, particularly the Barker Street and St. Mary's Estates, will be most likely to be cumulatively impacted by welfare reforms (i.e. those neighbourhoods with the highest volumes of claimants of all benefit types). Other wards and neighbourhoods where there are high volumes of individual benefits likely to be affected by the changes include Werneth, Hollinwood (particularly Limeside Village), Alexandra (particularly Alt and Holts), St. James' (particularly Sholver), Medlock Vale and Waterhead. However, impacts will be felt in all but a few areas of Oldham.

The table below shows claimant types by ward and those wards mentioned above are highlighted. There is clear read across between those wards mentioned in the extract above and those with the largest number of claimants of working age. Therefore it is reasonable to suggest that those people with low incomes would potentially be disproportionately adversely affected by the scheme.

Ward	Working Age	Elderly	Total
Alexandra	1650	607	2257
Chadderton Central	501	378	879
Chadderton North	588	456	1044
Chadderton South	725	533	1258
Coldhurst	1872	731	2603

St. James'	967	429	1396
St. Mary's	1528	547	2075
Waterhead	1073	586	1659
Werneth	1247	464	1711
<b>Total</b>	<b>15,897</b>	<b>9,805</b>	<b>25,702</b>

### Impact on those people from particular ethnic groups

We do not currently collect ethnicity data in relation to CTR claimants, however, the demographic data shows the following information about ethnicity in the wards highlighted above. This shows that three of the wards (Coldhurst, St. Mary's and Werneth) identified as being most impacted have a high proportion of people from a BME background (over 50% of residents). It also shows that another three (Alexandra, Medlock Vale, and Waterhead) have significant numbers of people from BME backgrounds (over 15% of residents), whilst Hollinwood and St. James are primarily made up of residents from non-BME backgrounds.

Whilst we cannot confirm that people from particular ethnic backgrounds would be disproportionately adversely affected by maintaining or reducing the levels of support under the scheme, the demographic data suggests that this might be the case.

	% White	% Pakistani	% Bangladeshi	% Other non-white
Alexandra	63.4	22.8	3.8	10.0
Chadderton Central	88.3	2.2	5.1	4.4

Werneth	23.4	48.6	17.8	10.3
Oldham	77.5	10.1	7.3	5.1
England	85.4	2.1	0.8	11.7

### Impact on people of a particular faith / belief

Whilst we cannot confirm that people with particular faiths / beliefs would be disproportionately adversely affected by maintaining or reducing the levels of support under the scheme, the demographic data suggests that this might be the case because of the link to the evidence displayed relating to ethnicity.

### **Impact on those with a disability**

Of the 15,897 working age claimants, 3,274 (23%) have a disability premium within their benefit calculation. Whilst this indicates that the individual is considered to have some form of disability, it does not tell us the nature or extent of the disability.

For 2013/14 council tax of the 4,283 claimants currently under the recovery process due to non-payment, 863 are in receipt of a disability premium, this is 20% of those on recovery.

For 2014/15 council tax of the 3,298 claimants currently under the recovery process due to non-payment, 694 are in receipt of a disability premium, this is 21% of those on recovery.

Of the claimants under recovery action in both 2013/14 and 2014/15, 585 are in receipt of a disability premium.

The evidence shows that whilst the majority of claimants who are in receipt of a disability premium are managing to make their payments, however there is a core number of claimants who are not. Additionally, there are still some changes to Disability Living Allowance to be made in terms of changing onto Personal Independence Payments. This impact is unknown so the potential impact on those in receipt of disability premiums is something we are keen to keep under review.

### **Collection rates**

As of 29<sup>th</sup> September 2014, the collection rate for council tax in relation to 2014/15 CTR accounts is 39%. In comparison the collection in September 2013 was 42%.

There is a possibility in a decline in the collection rate due to ongoing recovery for those claimants who have council tax arrears for 2013/14 and 2014/15.

For council tax reduction arrears remaining from 2013/14, 2027 deductions from benefit are in place, of those 3279 are also undergoing recovery in 2014/15.

### **Recovery Activity**

Of those claimants who received Council Tax Reduction in 2013/14 4304 accounts are now on recovery action. As of 10<sup>th</sup> September 2014 of those claimants who receive council tax reduction in 2014/15 3279 accounts are on recovery action.

The breakdown below shows those accounts broken down by property band.

**2013/14**

Band	A	B	C	D	E	F	G	Total
Number	3686	370	178	53	12	3	2	4304

**2014/15**

Band	A	B	C	D	E	F	G	Total
Number	2803	288	126	51	8	1	2	3279

These figures are proportionately in-line with the overall number of claimants in each band, which indicate that since the local council tax reduction scheme was introduced people in higher bands are not finding it more difficult to pay than those in lower bands.

**Other financial impacts**

We have previously highlighted a number of potential impacts from wider welfare reforms, which whilst not the subject of this EIA do have a bearing on overall impact on people's ability to pay their Council Tax.

It is notable that Oldham was ranked **26<sup>th</sup> worst affected out of the 379** local authorities in Great Britain with the **overall annual impact of welfare reform changes being estimated at £90.1m**, once the changes are fully implemented. This equates to a loss of £637 a year per working-age adult. This is a key finding for Oldham from the Centre for Regional Economic and Social Research (CRESR, Sheffield Hallam University) recently published report: "Hitting the poorest hardest – The local and regional impact of welfare reform". This one-off, large-scale study was completed in 2013. Whilst no comparable research has been conducted since at this scale, we are not aware of any evidence to suggest Oldham's position has significantly changed.

Further findings and more information is presented in the Impact of Welfare Reform report that went to Full Council on 22 October 2014, these documents are available at:

A number of actions identified in developing the 14/15 scheme were intended to mitigate the impact of CTR and the wider welfare reform, below are the actions with an update under each.

Activity	Update
Continue to promote existing flexible payments method	Social media: <ul style="list-style-type: none"> <li>Between September – December 2013, we used memes but these didn't have great levels of engagement.</li> <li>We have continued with the social</li> </ul>

	<p>media promotion but with the simpler messages.</p> <p>There was a press coverage and we included information about the instalments in the Council Tax booklet March 2014</p> <p>Internal communications:</p> <ul style="list-style-type: none"> <li>• Articles in Team Brief</li> <li>• Staff payslips promoted direct debits until July 2014</li> </ul>
Review effectiveness and take up of current payment methods and introduce new payment options where appropriate	As at 24 <sup>th</sup> October 2014 the number of CTR recipients paying by Direct Debit is 3,624, which equates to 23.05% of the caseload. 264 are paying by fortnightly Direct Debit which was introduced as a new payment method in 2013.
Continue to deliver energy switching campaigns and auctions	We will not be pursuing any further energy switching campaigns this year. Work is continuing on the Warm Homes Oldham programme, part of which offers advice to residents on switching. We will also continue to promote energy saving measures both through our own website, and by signposting to the Greater Manchester Energy Advice team who can offer a wide range of advice for residents.
Identify and establish referral arrangements to a wider range of support services	<p>We are exploring the process of referrals to Step Change national debt charity to refer vulnerable residents to them.</p> <p>We have also used the Personal Budgeting Support team (PBS) to support residents with money management and debt advice.</p>
Further develop the Welfare Rights Service to support residents to maximise their income	<p>The team was initially set up with two officers, the team was expanded to 4 officers in April 2013 using funding from LWP for the two additional officers. The two temporary posts have been made permanent and a commitment has been made to maintain the team going forward to ensure that we maximise the benefits claimed by residents.</p> <p>The team has seen a significant rise in referrals since March 2013 and secured an additional £3m of benefits in 2013/2014 and is on target to exceed this in 2014/15</p>
Work with partner organisations to provide targeted support to residents	Dedicated welfare reform and financial inclusion working groups are in place,

	delivering coordinated action in partnership with the Council, DWP and the voluntary sector:
Continue to monitor the collection rates on a weekly basis	This allows swift action to be taken if collection slows.
Monitor the collection rates in relation to those in receipt of a disability premium	There has been no significant change in the collection rate since last year.  Personal Independence Payment (PIP) was rolled out in Oldham in June 2013 to replace Disability Living Allowance. DWP data for Oldham shows 427 claimants (in July 2014).
Continue to monitor the wider impact of welfare reform ensuring effective partnership working continues to support those affected Identify and support those affected by the future changes to welfare reform, particularly the benefit cap and Universal Credit	Universal Support Delivered Locally (USDL) is the new name for the Local Support Services Framework (LSSF) and it will promote new models of partnership working to support UC claimants  A series of Greater Manchester pilots and links with Public Service Reform to 'make work pay' and support the most vulnerable (e.g. Troubled Families) are currently being considered
Review approach to debt collection by the Council and seek to develop single view of the debts an individual owes to the Council	The Corporate debt policy has been reviewed.
Link to Get Oldham working initiatives	Key achievements for Get Oldham Working between May 2013 and May 2014 have included: <ul style="list-style-type: none"> <li>• 2,246 job opportunities pledged.</li> <li>• 401 job opportunities created and 196 filled.</li> <li>• 158 apprenticeships created and 68 filled.</li> <li>• 101 traineeships created and 51 filled.</li> <li>• 255 work experience placements created and 188 filled.</li> <li>• 221 clients provided with in-work support.</li> </ul>
Undertake an annual review of the Council Tax Reduction scheme	The scheme will continue to be reviewed

	on an annual basis
Identify how the breadth and quality of the data collected can be improved	We are currently looking at Destin solutions which is a software programme designed to further analyse the data and to identify vulnerability to enable a more proactive approach

(4) In applying the provisions of sub-paragraph (2) in the case of a couple or, as the case may be, a polygamous marriage, regard must be had, for the purpose of that sub-paragraph, to the couple's or, as the case may be, all members of the polygamous marriage's joint weekly gross income.

(2) For the purposes of paragraph 47 (average weekly earnings of self-employed earners) the weekly amount of earnings of an applicant is to be determined by dividing his earnings over the assessment period by the number equal to the number of days in that period and multiplying the product by 7.

**Earnings of employed earners: persons who are not pensioners**

**50.—**(1) Subject to sub-paragraph (2), “earnings”, in the case of employment as an employed earner of a person who is not a pensioner, means any remuneration or profit derived from that employment and includes—

(a) any bonus or commission;

(b) any payment in lieu of remuneration except any periodic sum paid to an applicant on account of the termination of his employment by reason of redundancy;

(c) any payment in lieu of notice or any lump sum payment intended as compensation for the loss of employment but only in so far as it represents loss of income;

(d) any holiday pay except any payable more than 4 weeks after termination or interruption of the employment;

(e) any payment by way of a retainer;

(f) any payment made by the applicant’s employer in respect of expenses not wholly, exclusively and necessarily incurred in the performance of the duties of the employment, including any payment made by the applicant’s employer in respect of—

(i) travelling expenses incurred by the applicant between his home and place of employment;

(ii) expenses incurred by the applicant under arrangements made for the care of a member of his family owing to the applicant’s absence from home;

(g) any award of compensation made under section 112(4) or 117(3)(a) of the Employment Rights Act 1996 (remedies and compensation for unfair dismissal);

(h) any payment or remuneration made under section 28, 34, 64, 68 or 70 of the Employment Rights Act 1996 (right to guarantee payments, remuneration on suspension on medical or maternity grounds, complaints to employment tribunals);

(i) any such sum as is referred to in section 112 of the SSCBA (certain sums to be earnings for social security purposes);

(j) any statutory sick pay, statutory maternity pay, statutory paternity pay or statutory adoption pay, or a corresponding payment under any enactment having effect in Northern Ireland;

(k) any remuneration paid by or on behalf of an employer to the applicant who for the time being is on maternity leave, paternity leave or adoption leave or is absent from work because he is ill;

(l) the amount of any payment by way of a non-cash voucher which has been taken into account in the computation of a person’s earnings in accordance with Part 5 of Schedule 3 to the Social Security (Contributions) Regulations 2001.

(2) Earnings does not include—

(a) subject to sub-paragraph (3), any payment in kind;

- (b) any payment in respect of expenses wholly, exclusively and necessarily incurred in the performance of the duties of the employment;
  - (c) any occupational pension;
  - (d) any payment in respect of expenses arising out of the applicant's participation in a service user group.
- (3) Sub-paragraph (2)(a) does not apply in respect of any non-cash voucher referred to in subparagraph (1)(l).

**Calculation of net earnings of employed earners: persons who are not pensioners**

**51.—**(1) For the purposes of paragraph 46 (average weekly earnings of employed earners: classes D to F), the earnings of an applicant derived or likely to be derived from employment as an employed earner to be taken into account must, subject to sub-paragraph (2), be his net earnings.

(2) There is to be disregarded from an applicant's net earnings, any sum, where applicable, specified in paragraphs 1 to 16 of Schedule 7.

(3) For the purposes of sub-paragraph (1) net earnings must, except where sub-paragraph (6) applies, be calculated by taking into account the gross earnings of the applicant from that employment over the assessment period, less—

(a) any amount deducted from those earnings by way of—

(i) income tax;

(ii) primary Class 1 contributions under the SSCBA;

(b) one-half of any sum paid by the applicant by way of a contribution towards an occupational pension scheme;

(c) one-half of the amount calculated in accordance with sub-paragraph (5) in respect of any qualifying contribution payable by the applicant; and

(d) where those earnings include a payment which is payable under any enactment having effect in Northern Ireland and which corresponds to statutory sick pay, statutory maternity pay, statutory paternity pay or statutory adoption pay, any amount deducted from those earnings by way of any contributions which are payable under any enactment having effect in Northern Ireland and which correspond to primary Class 1 contributions under the SSCBA.

(4) In this regulation "qualifying contribution" means any sum which is payable periodically as a contribution towards a personal pension scheme.

(5) The amount in respect of any qualifying contribution is to be calculated by multiplying the daily amount of the qualifying contribution by the number equal to the number of days in the assessment period; and for the purposes of this regulation the daily amount of the qualifying contribution is to be determined—

(a) where the qualifying contribution is payable monthly, by multiplying the amount of the qualifying contribution by 12 and dividing the product by 365;

(b) in any other case, by dividing the amount of the qualifying contribution by the number equal to the number of days in the period to which the qualifying contribution relates.

(6) Where the earnings of an applicant are estimated under paragraph 46(2)(b) (average weekly earnings of employed earners: classes D to F), his net earnings is to be calculated by taking into account those earnings over the assessment period, less—

(a) an amount in respect of income tax equivalent to an amount calculated by applying to those earnings the basic rate of tax applicable to the assessment period less only the personal relief to which the applicant is entitled under section 257(1) of the Income and Corporation Taxes Act 1988 (personal allowances) as is appropriate to his circumstances but, if the assessment period is less than a year, the earnings to which the basic rate of tax is to be applied and the amount of the personal relief deductible under this sub-paragraph is to be calculated on a pro rata basis;

(b) an amount equivalent to the amount of the primary Class 1 contributions that would be payable by him under the SSCBA in respect of those earnings if such contributions were payable; and

(c) one-half of any sum which would be payable by the applicant by way of a contribution towards an occupational or personal pension scheme, if the earnings so estimated were actual earnings.

**Earnings of self-employed earners: persons who are not pensioners**

**52.—**(1) Subject to sub-paragraph (2), "earnings", in the case of employment as a self-employed earner of a person who is not a pensioner, means the gross income of the employment.

(2) "Earnings" does not include any payment to which paragraph 31 or 32 of Schedule 8 refers (payments in respect of a person accommodated with the applicant under arrangements made by a local authority or voluntary organisation and payments made to the applicant by a health authority,

local authority or voluntary organisation in respect of persons temporarily in the applicant's care) nor does it include any sports award.

(3) This paragraph applies to—

(a) royalties or other sums paid as a consideration for the use of, or the right to use, any copyright, design, patent or trade mark; or

(b) any payment in respect of any—

(i) book registered under the Public Lending Right Scheme 1982; or

(ii) work made under any international public lending right scheme that is analogous to the Public Lending Right Scheme 1982, where the applicant is the first owner of the copyright, design, patent or trade mark, or an original contributor to the book or work concerned.

(4) Where the applicant's earnings consist of any items to which sub-paragraph (3) applies, those earnings must be taken into account over a period equal to such number of weeks as is equal to the number obtained (and any fraction is to be treated as a corresponding fraction of a week) by dividing the earnings by—

(a) the amount of reduction under this scheme to which the applicant would have been entitled had the payment not been made, plus

(b) an amount equal to the total of the sums which would fall to be disregarded from the payment under Schedule 7 (sums disregarded in the calculation of earnings: persons who are not pensioners) as appropriate in the applicant's case.

### **Calculation of income other than earnings: persons who are not pensioners**

**53.**—(1) For the purposes of paragraph 48 (average weekly income other than earnings: persons who are not pensioners), the income of an applicant who is not a pensioner which does not consist of earnings to be taken into account must, subject to sub-paragraphs (2) to (8), be his gross income and any capital treated as income under paragraph 54 (capital treated as income: persons who are not pensioners).

(2) There is to be disregarded from the calculation of an applicant's gross income under subparagraph

(1), any sum, where applicable, specified in Schedule 8.

(3) Where the payment of any benefit under the benefit Acts is subject to any deduction by way of recovery the amount to be taken into account under subparagraph (1) must be the gross amount payable.

(4) Where the applicant or, where he is a member of a couple, his partner is receiving a contributory employment and support allowance and that benefit has been reduced under regulation 63 of the Employment and Support Allowance Regulations 2008, the amount of that benefit to be taken into account is the amount as if it had not been reduced.

(5) Where an award of any working tax credit or child tax credit under the Tax Credits Act 2002 is subject to a deduction by way of recovery of an overpayment of working tax credit or child tax credit which arose in a previous tax year the amount to be taken into account under subparagraph (1) is to be the amount of working tax credit or child tax credit awarded less the amount of that deduction.

(6) In subparagraph (5), "tax year" means a period beginning with 6th April in one year and ending with 5th April in the next.

(7) Sub-paragraphs (8) and (9) apply where—

(a) a relevant payment has been made to a person in an academic year; and

(b) that person abandons, or is dismissed from, his course of study before the payment to him of the final instalment of the relevant payment.

(8) Where a relevant payment is made quarterly, the amount of a relevant payment to be taken into account for the assessment period for the purposes of subparagraph (1) in respect of a person to whom subparagraph (7) applies, is to be calculated by applying the formula—

$(A - (B \times C)) / D$

where—

A = the total amount of the relevant payment which that person would have received had he remained a student until the last day of the academic term in which he abandoned, or was dismissed from, his course, less any deduction under paragraph 79(5);

B = the number of reduction weeks from the reduction week immediately following that which includes the first day of that academic year to the reduction week which includes the day on which the person abandoned, or was dismissed from, his course;

C = the weekly amount of the relevant payment, before the application of the £10 disregard, which would have been taken into account as income under paragraph 79(2) had the person not abandoned or been dismissed from, his course and, in the case of a person who was not entitled to a reduction

under this scheme immediately before he abandoned or was dismissed from his course, had that person, at that time, been entitled to housing benefit;

D = the number of reduction weeks in the assessment period.

(9) Where a relevant payment is made by two or more instalments in a quarter, the amount of a relevant payment to be taken into account for the assessment period for the purposes of subparagraph

(1) in respect of a person to whom sub-paragraph (7) applies, is to be calculated by applying the formula in sub-paragraph (8) but as if—

A = the total amount of relevant payments which that person received, or would have received, from the first day of the academic year to the day the person abandoned the course, or was dismissed from it, less any deduction under paragraph 79(5).

(10) In this regulation—

“academic year” and “student loan” have the same meanings as in Part 11 (students);

“assessment period” means—

(a) in a case where a relevant payment is made quarterly, the period beginning with the reduction week which includes the day on which the person abandoned, or was dismissed from, his course and ending with the reduction week which includes the last day of the last quarter for which an instalment of the relevant payment was payable to that person;

(b) in a case where the relevant payment is made by two or more instalments in a quarter, the period beginning with the reduction week which includes the day on which the person abandoned, or was dismissed from, his course and ending with the reduction week which includes—

(i) the day immediately before the day on which the next instalment of the relevant payment would have been due had the payments continued; or

(ii) the last day of the last quarter for which an instalment of the relevant payment was payable to that person, whichever of those dates is earlier;

“quarter” in relation to an assessment period means a period in that year beginning on—

(c) 1st January and ending on 31st March;

(d) 1st April and ending on 30th June;

(e) 1st July and ending on 31st August; or

(f) 1st September and ending on 31st December;

“relevant payment” means either a student loan or an amount intended for the maintenance of dependants referred to in paragraph 74(7) or both.

(11) For the avoidance of doubt there must be included as income to be taken into account under sub-paragraph (1)—

(a) any payment to which paragraph 40(2) or 50(2) (payments not earnings) applies; or

(b) in the case of an applicant who is receiving support under section 95 or 98 of the Immigration and Asylum Act 1999 including support provided by virtue of regulations made under Schedule 9 to that Act, the amount of such support provided in respect of essential living needs of the applicant and his dependants (if any) as is specified in regulations made under paragraph 3 of Schedule 8 to the Immigration and Asylum Act 1999.

#### **Capital treated as income: persons who are not pensioners**

**54.**—(1) Any capital payable by instalments which are outstanding at the date on which the claim is made or treated as made, or, at the date of any subsequent revision or supersession, must, if the aggregate of the instalments outstanding and the amount of the applicant’s capital otherwise calculated in accordance with Chapter 7 of this Part exceeds £16,000, be treated as income.

(2) Any payment received under an annuity is to be treated as income.

(3) Any earnings to the extent that they are not a payment of income is to be treated as income.

(4) Any Career Development Loan paid pursuant to section 2 of the Employment and Training Act 1973 is to be treated as income.

(5) Where an agreement or court order provides that payments must be made to the applicant in consequence of any personal injury to the applicant and that such payments are to be made, wholly or partly, by way of periodic payments, any such periodic payments received by the applicant (but not a payment which is treated as capital by virtue of this Part), is to be treated as income.

#### **Notional income: persons who are not pensioners**

**55.**—(1) An applicant who is not a pensioner is to be treated as possessing income of which he has deprived himself for the purpose of securing entitlement to a reduction under a council tax reduction scheme or increasing the amount of the reduction.

(2) Except in the case of—

- (a) a discretionary trust;
  - (b) a trust derived from a payment made in consequence of a personal injury;
  - (c) a personal pension scheme, occupational pension scheme or a payment made by the Board of the Pension Protection Fund where the applicant has not attained the qualifying age for state pension credit;
  - (d) any sum to which paragraph 50(2)(a) of Schedule 9 (capital to be disregarded) applies which is administered in the way referred to in paragraph 50(1)(a);

  - (f) rehabilitation allowance made under section 2 of the Employment and Training Act 1973;
  - (g) child tax credit;
  - (h) working tax credit, or
  - (i) any sum to which sub-paragraph (11) applies, any income which would become available to the applicant upon application being made, but which has not been acquired by him, is to be treated as possessed by the applicant but only from the date on which it could be expected to be acquired were an application made.
- (3) Any payment of income, other than a payment of income specified in sub-paragraph (4), made—
- (a) to a third party in respect of a single applicant or a member of the family (but not a member of the third party's family) must, where that payment is a payment of an occupational pension, a pension or other periodical payment made under a personal pension scheme or a payment made by the Board of the Pension Protection Fund, be treated as possessed by that single applicant or, as the case may be, by that member;
  - (b) to a third party in respect of a single applicant or in respect of a member of the family (but not a member of the third party's family) must, where it is not a payment referred to in paragraph (a), be treated as possessed by that single applicant or by that member to the extent that it is used for the food, ordinary clothing or footwear, household fuel or rent of that single applicant or, as the case may be, of any member of that family or is used for any council tax or water charges for which that applicant or member is liable;
  - (c) to a single applicant or a member of the family in respect of a third party (but not in respect of another member of that family) must be treated as possessed by that single applicant or, as the case may be, that member of the family to the extent that it is kept or used by him or used by or on behalf of any member of the family.
- (4) Sub-paragraph (3) does not apply in respect of a payment of income made—

  - (g) under an occupational pension scheme, in respect of a pension or other periodical payment made under a personal pension scheme or a payment made by the Board of the Pension Protection Fund where—
    - (i) a bankruptcy order has been made in respect of the person in respect of whom the payment has been made or, in Scotland, the estate of that person is subject to sequestration or a judicial factor has been appointed on that person's estate under section 41 of the Solicitors (Scotland) Act 1980;
    - (ii) the payment is made to the trustee in bankruptcy or any other person acting on behalf of the creditors; and
    - (iii) the person referred to in sub-paragraph (i) and any member of his family does not possess, or is not treated as possessing, any other income apart from that payment.
- (5) Where an applicant is in receipt of any benefit under the benefit Acts and the rate of that benefit is altered with effect from a date on or after 1st April in any year but not more than 14 days thereafter, the authority must treat the applicant as possessing such benefit at the altered rate from either 1st

April or the first Monday in April in that year, whichever date the authority selects, to the date on which the altered rate is to take effect.

(6) Subject to sub-paragraph (7), where—

(a) an applicant performs a service for another person; and

(b) that person makes no payment of earnings or pays less than that paid for a comparable employment in the area, the authority must treat the applicant as possessing such earnings (if any) as is reasonable for that employment unless the applicant satisfies the authority that the means of that person are insufficient for him to pay or to pay more for the service.

(7) Sub-paragraph (6) does not apply—

(a) to an applicant who is engaged by a charitable or voluntary organisation or who is a volunteer if the authority is satisfied in any of those cases that it is reasonable for him to provide those services free of charge; or

(c) to an applicant who is participating in a work placement approved by the Secretary of State (or a person providing services to the Secretary of State) before the placement starts.

(8) In sub-paragraph (7)(c) "work placement" means practical work experience which is not undertaken in expectation of payment.

(9) Where an applicant is treated as possessing any income under any of sub-paragraphs (1) to (8), the foregoing provisions of this Part apply for the purposes of calculating the amount of that income as if a payment had actually been made and as if it were actual income which he does possess.

(10) Where an applicant is treated as possessing any earnings under sub-paragraph (6) the foregoing provisions of this Part apply for the purposes of calculating the amount of those earnings as if a payment had actually been made and as if they were actual earnings which he does possess except that paragraph 41(2) or 51(3) (calculation of net earnings of employed earners: pensioners and persons who are not pensioners, respectively) do not apply and his net earnings are to be calculated by taking into account those earnings which he is treated as possessing, less—

(a) an amount in respect of income tax equivalent to an amount calculated by applying to those earnings the basic rate of tax applicable to the assessment period less only the personal relief to which the applicant is entitled under section 257(1) of the Income and Corporation Taxes Act 1988 (personal allowances) as is appropriate to his circumstances;

but, if the assessment period is less than a year, the earnings to which the basic rate of tax is to be applied and the amount of the personal relief deductible under this sub-paragraph is to be calculated on a pro rata basis;

(c) one-half of any sum payable by the applicant by way of a contribution towards an occupational or personal pension scheme.

(11) Sub-paragraphs (1), (2), (3) and (6) do not apply in respect of any amount of income other than earnings, or earnings of an employed earner, arising out of the applicant's participation in a service user group.

## CHAPTER 6

### Income: further provisions applying to pensioners and persons who are not pensioners

#### Calculation of income on a weekly basis

**56.**—(1) Subject to paragraph 59 (disregard of changes in tax, etc.), the income of an applicant is to be calculated on a weekly basis—

(a) by estimating the amount which is likely to be his average weekly income in accordance with this Part;

(b) by adding to that amount the weekly income calculated—

(i) if the applicant is a pensioner, under paragraph 69 (tariff income: pensioners);

(ii) if the applicant is a person who is not a pensioner, under paragraph 70 (tariff income:

persons who are not pensioners); and

(c) deducting from the sum of paragraphs (a) and (b) any relevant child care charges to which paragraph 57 (treatment of child care charges) applies from any earnings which form part of the average weekly income or, in a case where the conditions in sub-paragraph (2) are met, from those earnings plus whichever credit specified in paragraph (b) of that subparagraph is appropriate, up to a maximum deduction in respect of the applicant's family of whichever of the sums specified in subparagraph (3) applies in his case.

(2) The conditions of this paragraph are that—

(a) the applicant's earnings which form part of his average weekly income are less than the lower of either his relevant child care charges or whichever of the deductions specified in paragraph (3) otherwise applies in his case; and

(b) that applicant or, if he is a member of a couple either the applicant or his partner, is in receipt of either working tax credit or child tax credit.

(3) The maximum deduction to which paragraph (1)(c) above refers is to be—

(a) where the applicant's family includes only one child in respect of whom relevant child care charges are paid, £175.00 per week;

(b) where the applicant's family includes more than one child in respect of whom relevant child care charges are paid, £300 per week.

### **Treatment of child care charges**

**57.—**(1) This paragraph applies where an applicant (within the meaning in this paragraph) is incurring relevant child care charges and—

(a) is a lone parent and is engaged in remunerative work;

(b) is a member of a couple both of whom are engaged in remunerative work; or

(c) is a member of a couple where one member is engaged in remunerative work and the other—

(i) is incapacitated;

(ii) is an in-patient in hospital; or

(iii) is in prison (whether serving a custodial sentence or remanded in custody awaiting trial or sentence).

(2) For the purposes of sub-paragraph (1) and subject to sub-paragraph (4), a person to whom subparagraph (3) applies must be treated as engaged in remunerative work for a period not exceeding 28 weeks during which he—

(a) is paid statutory sick pay;

(b) is paid short-term incapacity benefit at the lower rate under sections 30A to 30E of the SSCBA;

(c) is paid an employment and support allowance;

(d) is paid income support on the grounds of incapacity for work under regulation 4ZA of, and paragraph 7 or 14 of Schedule 1B to, the Income Support (General) Regulations 1987; or

(e) is credited with earnings on the grounds of incapacity for work or limited capability for work under regulation 8B of the Social Security (Credits) Regulations 1975.

(3) This sub-paragraph applies to a person who was engaged in remunerative work immediately before—

(a) the first day of the period in respect of which he was first paid statutory sick pay, short term incapacity benefit, an employment and support allowance or income support on the grounds of incapacity for work; or

(b) the first day of the period in respect of which earnings are credited, as the case may be.

(4) In a case to which sub-paragraph (2)(d) or (e) applies, the period of 28 weeks begins on the day on which the person is first paid income support or on the first day of the period in respect of which earnings are credited, as the case may be.

(5) Relevant child care charges are those charges for care to which sub-paragraphs (6) and (7) apply, and are to be calculated on a weekly basis in accordance with sub-paragraph (10).

(6) The charges are paid by the applicant for care which is provided—

(a) in the case of any child of the applicant's family who is not disabled, in respect of the period beginning on that child's date of birth and ending on the day preceding the first Monday in September following that child's fifteenth birthday; or

(b) in the case of any child of the applicant's family who is disabled, in respect of the period beginning on that person's date of birth and ending on the day preceding the first Monday in September following that person's sixteenth birthday.

(7) The charges are paid for care which is provided by one or more of the care providers listed in subparagraph (8) and are not paid—

(a) in respect of the child's compulsory education;

(b) by an applicant to a partner or by a partner to an applicant in respect of any child for whom either or any of them is responsible in accordance with paragraph 7 (circumstances in which a person is treated as responsible or not responsible for another); or

(c) in respect of care provided by a relative of the child wholly or mainly in the child's home.

(8) The care to which sub-paragraph (7) refers may be provided—

(a) out of school hours, by a school on school premises or by a local authority—

(i) for children who are not disabled in respect of the period beginning on their eighth birthday and ending on the day preceding the first Monday in September following their fifteenth birthday; or

(ii) for children who are disabled in respect of the period beginning on their eighth birthday and ending on the day preceding the first Monday in September following their sixteenth birthday; or

(b) by a child care provider approved in accordance with the Tax Credit (New Category of Child Care Provider) Regulations 1999; or

(c) by persons registered under Part 2 of the Children and Families (Wales) Measure 2010; or

(d) by a person who is excepted from registration under Part 2 of the Children and Families (Wales) Measure 2010 because the child care that person provides is in a school or establishment referred to in article 11, 12 or 14 of the Child Minding and Day Care Exceptions (Wales) Order 2010; or

(e) by—

(i) persons registered under section 59(1) of the Public Services Reform (Scotland) Act 2010; or

(ii) local authorities registered under section 83(1) of that Act, where the care provided is child minding or day care of children within the meaning of that Act; or

(f) by a person prescribed in regulations made pursuant to section 12(4) of the Tax Credits Act 2002; or

(g) by a person who is registered under Chapter 2 or 3 of Part 3 of the Childcare Act 2006; or

(h) by any of the schools mentioned in section 34(2) of the Childcare Act 2006 in circumstances where the requirement to register under Chapter 2 of Part 3 of that Act does not apply by virtue of section 34(2) of that Act; or

(i) by any of the schools mentioned in section 53(2) of the Childcare Act 2006 in circumstances where the requirement to register under Chapter 3 of Part 3 of that Act does not apply by virtue of section 53(2) of that Act; or

(j) by any of the establishments mentioned in section 18(5) of the Childcare Act 2006 in circumstances where the care is not included in the meaning of "childcare" for the purposes of Part 1 and Part 3 of that Act by virtue of that subsection; or

(k) by a foster parent or kinship carer under the Fostering Services Regulations 2002, the Fostering Services (Wales) Regulations 2003 or the Looked After Children (Scotland) Regulations 2009 in relation to a child other than one whom the foster parent is fostering or kinship carer is looking after; or

(l) by a domiciliary care worker under the Domiciliary Care Agencies Regulations 2002; or

(m) by a person who is not a relative of the child wholly or mainly in the child's home.

(9) In sub-paragraphs (6) and (8)(a), "the first Monday in September" means the Monday which first occurs in the month of September in any year.

(10) Relevant child care charges must be estimated over such period, not exceeding a year, as is appropriate in order that the average weekly charge may be estimated accurately having regard to information as to the amount of that charge provided by the child minder or person providing the care.

(11) For the purposes of sub-paragraph (1)(c) the other member of a couple is incapacitated where—

(a) the applicant is a pensioner and the other member of the couple is aged not less than 80;

(b) the applicant is a pensioner and the other member of the couple is aged less than 80, and;

(i) the additional conditions specified in paragraph 10 of Schedule 3 to this scheme are treated as applying in his case; and

(ii) he satisfies those conditions or would satisfy them but for his being treated as capable of work by virtue of a determination made in accordance with regulations made under section 171E of the SSCBA;

(c) the applicant is not a pensioner, the applicant's applicable amount includes a disability premium on account of the other member's incapacity or the support component or the work-related activity component on account of his having limited capability for work;

(2) There must be disregarded from the net profit of an applicant who is not a pensioner, any sum, where applicable, specified in paragraphs 1 to 16 of Schedule 7.

(3) For the purposes of sub-paragraph (1)(a) the net profit of the employment must, except where sub-paragraph (9) applies, be calculated by taking into account the earnings of the employment over the assessment period less—

(11) The amount in respect of any qualifying premium is to be calculated by multiplying the daily amount of the qualifying premium by the number equal to the number of days in the assessment period; and for the purposes of this paragraph the daily amount of the qualifying premium must be determined—

(a) where the qualifying premium is payable monthly, by multiplying the amount of the qualifying premium by 12 and dividing the product by 365;

(2) But, if the assessment period is less than a year, the earnings to which the basic rate of tax is to be applied and the amount of the personal relief’s deductible under this paragraph must be calculated on a pro rata basis.

(3) The amount to be deducted in respect of social security contributions under paragraph 60(1)(b)(i), (3)(b)(ii) or (9)(a)(ii) is the total of—

(a) the amount of Class 2 contributions payable under section 11(1) or, as the case may be, 11(3) of the SSCBA at the rate applicable to the assessment period except where the applicants chargeable income is less than the amount specified in section 11(4) of that Act (small earnings exception) for the tax year applicable to the assessment period; but if the assessment period is less than a year, the amount specified for that tax year must be reduced pro rata; and

(b) the amount of Class 4 contributions (if any) which would be payable under section 15 of the SSCBA (Class 4 contributions recoverable under the Income Tax Acts) at the percentage rate applicable to the assessment period on so much of the chargeable income as exceeds the lower limit but does not exceed the upper limit of profits and gains applicable for the tax year applicable to the

assessment period; but if the assessment period is less than a year, those limits must be reduced pro rata.

(4) In this paragraph “chargeable income” means—

(a) except where paragraph (b) applies, the earnings derived from the employment less any expenses deducted under sub-paragraph (3)(a) or, as the case may be, (5) of paragraph 60;

#### **Diminishing notional capital rule: pensioners**

**67.—**(1) Where an applicant who is a pensioner is treated as possessing capital under paragraph 66(1) (notional capital), the amount which he is treated as possessing—

(a) in the case of a week that is subsequent to—

(i) the relevant week in respect of which the conditions set out in sub-paragraph (2) are satisfied; or

(ii) a week which follows that relevant week and which satisfies those conditions, is to be reduced by an amount determined under sub-paragraph (3);

(i) that week is a week subsequent to the relevant week; and

(ii) that relevant week is a week in which the condition in sub-paragraph (4) is satisfied, is to be reduced by the amount determined under sub-paragraph (5).

(3) In a case to which sub-paragraph (2) applies, the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(a) must be equal to the aggregate of—

(a) an amount equal to the additional amount of the reduction in council tax to which subparagraph (2)(b) refers;

(c) where the applicant has also claimed housing benefit, the amount of any housing benefit or any additional amount of housing benefit to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 47(1) of the Housing Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006 (notional capital);

(d) where the applicant has also claimed a jobseeker's allowance, the amount of an income based jobseeker's allowance to which he would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 113 of the Jobseeker's Allowance Regulations 1996 (notional capital); and

(e) where the applicant has also claimed an employment and support allowance, the amount of an income-related employment and support allowance to which he would have been entitled in respect of the reduction week to which sub-paragraph (2) refers but for the application of regulation 115 of the Employment and Support Allowance Regulations 2008 (notional capital).

(4) Subject to sub-paragraph (7), for the purposes of sub-paragraph (1)(b) the condition is that the applicant is a pensioner and would have been entitled to a reduction in council tax under this scheme in the relevant week but for paragraph 66(1).

(5) In such a case the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(b) is equal to the aggregate of—

(a) the amount of the reduction in council tax to which the applicant would have been entitled in the relevant week but for paragraph 66(1);

(b) if the applicant would, but for regulation 21 of the State Pension Credit Regulations 2002, have been entitled to state pension credit in respect of the benefit week, within the meaning of regulation 1(2) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled;

(c) if the applicant would, but for regulation 47(1) of the Housing Benefit (Persons who have attained the qualifying age for state pension credit) Regulations 2006, have been entitled to housing benefit or to an additional amount of housing benefit in respect of the benefit week which includes the last day of the relevant week, the amount which is equal to—

(i) in a case where no housing benefit is payable, the amount to which he would have been entitled; or

(ii) in any other case, the amount equal to the additional amount of housing benefit to which he would have been entitled;

(d) if the applicant would, but for regulation 113 of the Jobseeker's Allowance Regulations 1996, have been entitled to an income-based jobseeker's allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled; and

(e) if the applicant would, but for regulation 115 of the Employment and Support Allowance Regulations 2008, have been entitled to an income-related employment and support allowance in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled.

(6) But if the amount mentioned in paragraph (a), (b), (c), (d) or (e) of sub-paragraph (5) ("the relevant amount") is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—

(a) dividing the relevant amount by the number equal to the number of days in that part week, and

(b) multiplying the result of that calculation by 7.

(7) The amount determined under sub-paragraph (5) is to be re-determined under that subparagraph if the applicant makes a further claim for a reduction in council tax and the conditions in sub-paragraph (8) are satisfied, and in such a case—

(a) paragraphs (a) to (e) of sub-paragraph (5) apply as if for the words "relevant week" there were substituted the words "relevant subsequent week"; and

(b) subject to sub-paragraph (9), the amount as re-determined has effect from the first week following the relevant subsequent week in question.

(8) The conditions are that—

(a) a further claim is made 26 or more weeks after—

(i) the date on which the applicant made a claim for a reduction in council tax in respect of which he was first treated as possessing the capital in question under paragraph 66(1);

(ii) in a case where there has been at least one re-determination in accordance with subparagraph (11), the date on which he last made a claim for a reduction in council tax which resulted in the weekly amount being re-determined, or

(iii) the date on which he last ceased to be entitled to a reduction in council tax, whichever last occurred; and

(b) the applicant would have been entitled to a reduction in council tax under this scheme but for paragraph 66(1).

(9) The amount as re-determined pursuant to sub-paragraph (6) must not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount must continue to have effect.

(10) For the purposes of this paragraph—  
“part-week”—

(a) in relation to an amount mentioned in sub-paragraph (5)(a), means a period of less than a week for which a reduction in council tax under this scheme is allowed;

(b) in relation to an amount mentioned in sub-paragraph (5)(b), means a period of less than a week for which housing benefit is payable;

(c) in relation to an amount mentioned in sub-paragraph (5)(c), (d) or (e), means—

(i) a period of less than a week which is the whole period for which income support, an income-related employment and support allowance or, as the case may be, an income-based jobseeker’s allowance is payable; and

(ii) any other period of less than a week for which it is payable;

“relevant week” means the reduction week or part-week in which the capital in question of which the applicant has deprived himself within the meaning of paragraph 66(1)—

(a) was first taken into account for the purpose of determining his entitlement to a reduction;

or

(b) was taken into account on a subsequent occasion for the purpose of determining or re-determining his entitlement to a reduction on that subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, a reduction;

and where more than one reduction week is identified by reference to paragraphs (a) and (b) of this definition, the later or latest such reduction week or, as the case may be, the later or latest such part-week is the relevant week;

“relevant subsequent week” means the reduction week or part-week which includes the day on which the further claim or, if more than one further claim has been made, the last such claim was made.

#### **Diminishing notional capital rule: persons who are not pensioners**

**67A.**—(1) Where an applicant who is not a pensioner is treated as possessing capital under paragraph 66(1) (notional capital), the amount which he is treated as possessing—

(a) in the case of a week that is subsequent to—

(i) the relevant week in respect of which the conditions set out in sub-paragraph (2) are satisfied; or

(ii) a week which follows that relevant week and which satisfies those conditions,

is to be reduced by an amount determined under sub-paragraph (3);

(b) in the case of a week in respect of which sub-paragraph (1)(a) does not apply but where—

(i) that week is a week subsequent to the relevant week; and

(ii) that relevant week is a week in which the condition in sub-paragraph (4) is satisfied,

is to be reduced by the amount determined under sub-paragraph (5).

(2) This sub-paragraph applies to a reduction week (or, in the case of persons who are not pensioners, part-week) where the applicant satisfies the conditions that—

(a) he is in receipt of a reduction in council tax under this scheme; and

(b) but for paragraph 66(1), he would have received a greater reduction in council tax under this scheme in that week.

(3) In a case to which sub-paragraph (2) applies, the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(a) is equal to the aggregate of—

(a) an amount equal to the additional amount of the reduction in council tax to which subparagraph

(2)(b) refers;

(b) where the applicant has also claimed housing benefit, the amount of any housing benefit or any additional amount of that benefit to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 49(1) of the Housing Benefit Regulations 2006 (notional capital);

(c) where the applicant has also claimed income support, the amount of income support to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 51(1) of the Income Support (General) Regulations 1987 (notional capital);

(d) where the applicant has also claimed a jobseeker’s allowance, the amount of an income based jobseeker’s allowance to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 113 of the Jobseeker’s Allowance Regulations 1996 (notional capital); and

(e) where the applicant has also claimed an employment and support allowance, the amount of an income-related employment and support allowance to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 115 of the Employment and Support Allowance Regulations 2008 (notional capital).

(4) Subject to sub-paragraph (7), for the purposes of sub-paragraph (1)(b) the condition is that the applicant is not a pensioner and would have been entitled to a reduction in council tax in the relevant week but for paragraph 66(1).

(5) In such a case the amount of the reduction in the amount of capital he is treated as possessing must be equal to the aggregate of—

(a) the amount of council tax benefit to which the applicant would have been entitled in the relevant week but for paragraph 66(1);

(b) if the applicant would, but for regulation 49(1) of the Housing Benefit Regulations 2006, have been entitled to housing benefit or to an additional amount of housing benefit in respect of the benefit week which includes the last day of the relevant week, the amount which is equal to—

(i) in a case where no housing benefit is payable, the amount to which he would have been entitled; or  
(ii) in any other case, the amount equal to the additional amount of housing benefit to which he would have been entitled;

(c) if the applicant would, but for regulation 51(1) of the Income Support (General) Regulations 1987, have been entitled to income support in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled;

(d) if the applicant would, but for regulation 113 of the Jobseeker's Allowance Regulations 1996, have been entitled to an income-based jobseeker's allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled; and

(e) if the applicant would, but for regulation 115 of the Employment and Support Allowance Regulations 2008, have been entitled to an income-related employment and support allowance in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled.

(6) But if the amount mentioned in paragraph (a), (b), (c), (d) or (e) of sub-paragraph (5) ("the relevant amount") is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—

(a) dividing the relevant amount by the number equal to the number of days in that part week, and

(b) multiplying the result of that calculation by 7.

(7) The amount determined under sub-paragraph (5) is to be re-determined under the appropriate sub-paragraph if the applicant makes a further claim for a reduction in council tax and the conditions in sub-paragraph (8) are satisfied, and in such a case—

(a) paragraphs (a) to (e) of sub-paragraph (5) apply as if for the words "relevant week" there were substituted the words "relevant subsequent week"; and

(b) subject to sub-paragraph (9), the amount as re-determined has effect from the first week following the relevant subsequent week in question.

(8) The conditions are that—

(a) a further claim is made 26 or more weeks after—

(i) the date on which the applicant made a claim for a reduction in council tax in respect of which he was first treated as possessing the capital in question under paragraph 66(1);

(ii) in a case where there has been at least one re-determination in accordance with subparagraph (7), the date on which he last made a claim for a reduction in council tax which resulted in the weekly amount being re-determined, or

(iii) the date on which he last ceased to be entitled to a reduction in council tax, whichever last occurred; and

(b) the applicant would have been entitled to a reduction in council tax under this scheme but for paragraph 66(1).

(9) The amount as re-determined pursuant to sub-paragraph (6) must not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount must continue to have effect.

(10) For the purposes of this paragraph—"part-week"—

(a) in relation to an amount mentioned in sub-paragraph (5)(a), means a period of less than a week for which a reduction in council tax under this scheme is allowed;

(b) in relation to an amount mentioned in sub-paragraph (5)(b), means a period of less than a week for which housing benefit is payable;

(c) in relation to an amount mentioned in sub-paragraph (5)(c), (d) or (e), means—

(i) a period of less than a week which is the whole period for which income support, an income-related employment and support allowance or, as the case may be, an income-based jobseeker's allowance is payable; and

(ii) any other period of less than a week for which it is payable;

"relevant week" means the reduction week or part-week in which the capital in question of which the applicant has deprived himself within the meaning of paragraph 66(1)—

(a) was first taken into account for the purpose of determining his entitlement to a reduction;

or

(b) was taken into account on a subsequent occasion for the purpose of determining or re-determining his entitlement to a reduction on that subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, a reduction, and where more than one reduction week is identified by reference to paragraphs (a) and (b) of this definition, the later or latest such reduction week or, as the case may be, the later or latest such part-week is the relevant week;

"relevant subsequent week" means the reduction week or part-week which includes the day on which the further claim or, if more than one further claim has been made, the last such claim was made.

### **Capital jointly held**

**68.** Except where an applicant possesses capital which is disregarded under paragraph 66(7) (notional capital), where an applicant and one or more persons are beneficially entitled in possession to any capital asset they must be treated as if each of them were entitled in possession to the whole beneficial interest therein in an equal share and the foregoing provisions of this Chapter apply for the purposes of calculating the amount of capital which the applicant is treated as possessing as if it were actual capital which the applicant does possess.

### **Calculation of tariff income from capital: pensioners**

**69.** Subject to paragraph 62(2)(a), the capital of an applicant who is a pensioner is to be treated as if it were a weekly income of—

(a) £1 for each £500 in excess of £10,000; and

(b) £1 for any excess which is not a complete £500.

### **Calculation of tariff income from capital: persons who are not pensioners**

**70.—(1)** Where the capital of an applicant who is not a pensioner calculated in accordance with this Part exceeds £6,000, it must be treated as equivalent to a weekly income of £1 for each complete £250 in excess of £6,000 but not exceeding £16,000.

(2) Notwithstanding sub-paragraph (1) where any part of the excess is not a complete £250 that part must be treated as equivalent to a weekly tariff income of £1.

- (3) Where a student does not have a student loan and is not treated as possessing such a loan, there must be excluded from the student's grant income—
- (a) the sum of £303 per academic year in respect of travel costs; and
  - (b) the sum of £390 per academic year towards the costs of books and equipment, whether or not any such costs are incurred.
- (4) There must also be excluded from a student's grant income the grant for dependants known as the parents' learning allowance paid pursuant to regulations made under Article 3 of the Education (Student Support) (Northern Ireland) Order 1998 or section 22 of the Teaching and Higher Education Act 1998.
- (5) Subject to sub-paragraphs (6) and (7), a student's grant income must be apportioned—
- (a) subject to sub-paragraph (8), in a case where it is attributable to the period of study, equally between the weeks in that period beginning with the reduction week, the first day of which coincides with, or immediately follows, the first day of the period of study and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period of study;
  - (b) in any other case, equally between the weeks in the period beginning with the reduction week, the first day of which coincides with, or immediately follows, the first day of the period for which it is payable and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period for which it is payable.
- (6) Any grant in respect of dependants paid under section 63(6) of the Health Services and Public Health Act 1968 (grants in respect of the provision of instruction to officers of hospital authorities) and any amount intended for the maintenance of dependants under Part 3 of Schedule 2 to the Education (Mandatory Awards) Regulations 2003 must be apportioned equally over the period of 52 weeks or, if there are 53 reduction weeks (including part-weeks) in the year, 53.
- (7) In a case where a student is in receipt of a student loan or where he could have acquired a student loan by taking reasonable steps but had not done so, any amount intended for the maintenance of dependants to which neither sub-paragraph (6) nor paragraph 78(2) (other amounts to be disregarded) applies, must be apportioned over the same period as the student's loan is apportioned or, as the case may be, would have been apportioned.
- (8) In the case of a student on a sandwich course, any periods of experience within the period of study must be excluded and the student's grant income must be apportioned equally between the weeks in the period beginning with the reduction week, the first day of which immediately follows the last day of the period of experience and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period of study.

#### **Calculation of covenant income where a contribution is assessed**

- 75.**—(1) Where a student is in receipt of income by way of a grant during a period of study and a contribution has been assessed, the amount of his covenant income to be taken into account for that period and any summer vacation immediately following must be the whole amount of the covenant income less, subject to sub-paragraph (3), the amount of the contribution.
- (2) The weekly amount of the student's covenant must be determined—
- (a) by dividing the amount of income which falls to be taken into account under subparagraph (1) by 52 or 53, whichever is reasonable in the circumstances; and
  - (b) by disregarding £5 from the resulting amount.
- (3) For the purposes of sub-paragraph (1), the contribution must be treated as increased by the amount (if any) by which the amount excluded under paragraph 74(2)(g) (calculation of grant income) falls short of the amount specified in paragraph 7(2) of Schedule 2 to the Education (Mandatory Awards) Regulations 2003 (travel expenditure).

#### **Covenant income where no grant income or no contribution is assessed**

- 76.**—(1) Where a student is not in receipt of income by way of a grant the amount of his covenant income must be calculated as follows—
- (a) any sums intended for any expenditure specified in paragraph 74(2)(a) to (e) (calculation of grant income) necessary as a result of his attendance on the course must be disregarded;

- (b) any covenant income, up to the amount of the standard maintenance grant, which is not so disregarded, must be apportioned equally between the weeks of the period of study;
  - (c) there must be disregarded from the amount so apportioned the amount which would have been disregarded under paragraph 74(2)(f) and (3) (calculation of grant income) had the student been in receipt of the standard maintenance grant; and
  - (d) the balance, if any, must be divided by 52 or 53 whichever is reasonable in the circumstances and treated as weekly income of which £5 must be disregarded.
- (2) Where a student is in receipt of income by way of a grant and no contribution has been assessed, the amount of his covenanted income must be calculated in accordance with subparagraphs
- (a) to (d) of sub-paragraph (1), except that—
    - (a) the value of the standard maintenance grant must be abated by the amount of such grant income less an amount equal to the amount of any sums disregarded under paragraph 74(2)(a) to (e); and
    - (b) the amount to be disregarded under sub-paragraph (1)(c) must be abated by an amount equal to the amount of any sums disregarded under paragraph 74(2)(f) and (g) and (3).

### **Relationship with amounts to be disregarded under Schedule 8**

**77.** No part of a student's covenant income or grant income shall be disregarded under paragraph 19 of Schedule 8.

### **Other amounts to be disregarded**

**78.—(1)** For the purposes of ascertaining income other than grant income, covenant income and loans treated as income in accordance with paragraph 79 (treatment of student loans), any amounts intended for any expenditure specified in paragraph 74(2) (calculation of grant income), necessary as a result of his attendance on the course shall be disregarded.

(2) But sub-paragraph (1) applies only if, and to the extent that, the necessary expenditure exceeds or is likely to exceed the amount of the sums disregarded under paragraph 74(2) or (3), 75(3), 76(1)(a) or (c) or 79(5) (calculation of grant income, covenant income and treatment of student loans) on like expenditure.

### **Treatment of student loans**

**79.—(1)** A student loan is to be treated as income.

(2) In calculating the weekly amount of the loan to be taken into account as income—

(a) in respect of a course that is of a single academic year's duration or less, a loan which is payable in respect of that period is to be apportioned equally between the weeks in the period beginning with—

(i) except in a case where sub-paragraph (ii) applies, the reduction week, the first day of which coincides with, or immediately follows, the first day of the single academic year;

(ii) where the student is required to start attending the course in August or where the course is less than an academic year's duration, the reduction week, the first day of which coincides with, or immediately follows, the first day of the course, and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the course;

(b) in respect of an academic year of a course which starts other than on 1st September, a loan which is payable in respect of that academic year is to be apportioned equally between the weeks in the period—

(i) beginning with the reduction week, the first day of which coincides with or immediately follows, the first day of that academic year, and

(ii) ending with the reduction week, the last day of which coincides with or immediately precedes, the last day of that academic year, but excluding any reduction weeks falling entirely within the quarter during which, in the opinion of the authority, the longest of any vacation is taken and for the purposes of this paragraph, "quarter" shall have the same meaning as for the purposes of the Education (Student Support) Regulations 2005;

(c) in respect of the final academic year of a course (not being a course of a single year's duration), a loan which is payable in respect of that final academic year is to be apportioned equally between the weeks in the period beginning with—

(i) except in a case where sub-paragraph (ii) applies, the reduction week, the first day of which coincides with, or immediately follows, the first day of that academic year;

(ii) where the final academic year starts on 1st September, the reduction week, the first day of which coincides with, or immediately follows, the earlier of 1st September or the first day of the autumn term, and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the course;

(d) in any other case, the loan is to be apportioned equally between the weeks in the period beginning with the earlier of—

(i) the first day of the first reduction week in September; or  
(ii) the reduction week, the first day of which coincides with, or immediately follows the first day of the autumn term, and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of June, and, in all cases, from the weekly amount so apportioned there shall be disregarded £10.

(3) A student is to be treated as possessing a student loan in respect of an academic year where—

(a) a student loan has been made to him in respect of that year; or

(b) he could acquire such a loan in respect of that year by taking reasonable steps to do so.

(4) Where a student is treated as possessing a student loan under sub-paragraph (3), the amount of the student loan to be taken into account as income must be, subject to sub-paragraph (5)—

(a) in the case of a student to whom a student loan is made in respect of an academic year, a sum equal to—

(i) the maximum student loan he is able to acquire in respect of that year by taking reasonable steps to do so; and

(ii) any contribution whether or not it has been paid to him;

(b) in the case of a student to whom a student loan is not made in respect of an academic year, the maximum student loan that would be made to the student if—

(i) he took all reasonable steps to obtain the maximum student loan he is able to acquire in respect of that year; and

(ii) no deduction in that loan was made by virtue of the application of a means test.

(5) There must be deducted from the amount of income taken into account under sub-paragraph

(4)—

(a) the sum of £303 per academic year in respect of travel costs; and

(b) the sum of £390 per academic year towards the cost of books and equipment, whether or not any such costs are incurred.

#### **Treatment of payments from access funds**

**80.**—(1) This paragraph applies to payments from access funds that are not payments to which paragraph 83(2) or (3) (income treated as capital) applies.

(2) A payment from access funds, other than a payment to which sub-paragraph (3) applies, must be disregarded as income.

(3) Subject to sub-paragraph (4) of this paragraph and paragraph 40 of Schedule 8—

(a) any payments from access funds which are intended and used for an item of food, ordinary clothing or footwear, household fuel, or rent of a single applicant or, as the case may be, of the applicant or any other member of his family, and

(b) any payments from access funds which are used for any council tax or water charges for which that applicant or member is liable, must be disregarded as income to the extent of £20 per week.

(4) Where a payment from access funds is made—

(a) on or after 1st September or the first day of the course, whichever first occurs, but before receipt of any student loan in respect of that year and that payment is intended for the purpose of bridging the period until receipt of the student loan; or

(b) before the first day of the course to a person in anticipation of that person becoming a student, that payment must be disregarded as income.

#### **Disregard of contribution**

**81.** Where the applicant or his partner is a student and, for the purposes of assessing a contribution to the student's grant or student loan, the other partner's income has been taken into account, an amount equal to that contribution must be disregarded for the purposes of assessing that other partner's income.

#### **Further disregard of student's income**

**82.** Where any part of a student's income has already been taken into account for the purposes of assessing his entitlement to a grant or student loan, the amount taken into account must be disregarded in assessing that student's income.

#### **Income treated as capital**

**83.**—(1) Any amount by way of a refund of tax deducted from a student's covenant income must be treated as capital.

- (2) An amount paid from access funds as a single lump sum must be treated as capital.
- (3) An amount paid from access funds as a single lump sum which is intended and used for an item other than food, ordinary clothing or footwear, household fuel or rent, or which is used for an item other than any council tax or water charges for which that applicant or member is liable, must be disregarded as capital but only for a period of 52 weeks from the date of the payment.

#### **Disregard of changes occurring during summer vacation**

**84.** In calculating a student's income the authority must disregard any change in the standard maintenance grant, occurring in the recognised summer vacation appropriate to the student's course, if that vacation does not form part of his period of study from the date on which the change occurred to the end of that vacation.

## **PART 12**

(d) the applicant or the applicant's partner was not entitled to and not in receipt of a qualifying income-related benefit in the last reduction week in which the applicant, or the applicant's partner, was entitled to a qualifying contributory benefit.

(2) An applicant must be treated as entitled to a reduction under this scheme by virtue of the general conditions of entitlement where—

- (a) the applicant ceased to be entitled to a reduction under this scheme because the applicant vacated the dwelling in which the applicant was resident;
- (b) the day on which the applicant vacated the dwelling was either in the week in which entitlement to a qualifying contributory benefit ceased, or in the preceding week; and
- (c) entitlement to the qualifying contributory benefit ceased in any of the circumstances listed in sub-paragraph (1)(b).

##### **Duration of extended reduction period (qualifying contributory benefits): pensioners**

**87.—**(1) Where an applicant is entitled to an extended reduction (qualifying contributory benefits), the extended reduction period starts on the first day of the reduction week immediately following the reduction week in which the applicant, or the applicant's partner, ceased to be entitled to a qualifying contributory benefit.

(2) For the purpose of sub-paragraph (1), an applicant or an applicant's partner ceases to be entitled to a qualifying contributory benefit on the day immediately following the last day of entitlement to that benefit.

**88.**—(1) For any week during the extended reduction period the amount of the extended reduction (qualifying contributory benefits) the applicant is entitled to shall be the greater of—

- (a) the amount of council tax reduction to which the applicant was entitled under the general conditions of entitlement in the last reduction week before the applicant or the applicant's partner ceased to be entitled to a qualifying contributory benefit;

- (c) the amount of reduction under this scheme to which the applicant's partner would be entitled under the general conditions of entitlement, if paragraph 86 did not apply to the applicant.

(2) Sub-paragraph (1) does not apply in the case of a mover.

(3) Where an applicant is in receipt of an extended reduction (qualifying contributory benefits) under this paragraph and the applicant's partner makes a claim for a reduction under this scheme, no reduction shall be awarded during the extended reduction period.

**Extended reductions (qualifying contributory benefits)—movers: pensioners**

**89.**—(1) This paragraph applies—

(2) This sub-paragraph is only satisfied if the Secretary of State has certified to the authority that the applicant's partner has actually claimed state pension credit or that—

(b) the applicant has claimed or is treated as having claimed or is required to make a claim for state pension credit.

(3) Subject to sub-paragraph (4), in a case to which this paragraph applies, a reduction under this scheme shall continue to be awarded for the period of 4 weeks beginning on the day following the day the applicant's entitlement to income support or, as the case may be, income-based jobseeker's allowance, income-related employment and support allowance, ceased, if and for so long as the applicant otherwise satisfies the conditions for entitlement to a reduction under this scheme.

(4) Where a reduction under this scheme is awarded for the period of 4 weeks in accordance with sub-paragraph (3) above, and the last day of that period falls on a day other than the last day of a reduction week, then a reduction under this scheme shall continue to be awarded until the end of the reduction week in which the last day of that period falls.

(5) Throughout the period of 4 weeks specified in sub-paragraph (3) and any further period specified in sub-paragraph (4)—

(a) the whole of the income and capital of the applicant is to be disregarded;

**PART 13**

**Period of entitlement and change of circumstances**

**Date on which entitlement begins**

**104.**—(1) Subject to sub-paragraph (2), any person by whom or in respect of whom an application for a reduction under this scheme is made and who is otherwise entitled to that reduction shall be so entitled from the reduction week following the date on which that application is made or is treated as made.

(2) Where a person is otherwise entitled to a reduction under this scheme and becomes liable for the first time for the authority's council tax in respect of a dwelling of which he is a resident in the reduction week in which his application is made or is treated as made, he shall be so entitled from that reduction week.

**Date on which change of circumstances is to take effect**

**105.**—(1) Except in cases where paragraph 59 (disregard of changes in tax, contributions, etc.) applies and subject to the following provisions of this paragraph and (in the case of applicants who are pensioners) paragraph 106, a change of circumstances which affects entitlement to, or the amount of, a reduction under this scheme ("change of circumstances"), takes effect from the first day of the reduction week following the date on which the change actually occurs.

(2) Where that change is cessation of entitlement to any benefit under the benefit Acts, the date on which the change actually occurs shall be the day immediately following the last day of entitlement to that benefit.

(3) Subject to sub-paragraph (4), where the change of circumstances is a change in the amount of council tax payable, it takes effect from the day on which it actually occurs.

(4) Where the change of circumstances is a change in the amount a person is liable to pay in respect of council tax in consequence of regulations under section 13 of the 1992 Act (reduced amounts of council tax) or changes in the discount to which a dwelling may be subject under section 11 or 12 of that Act, it shall take effect from the day on which the change in amount has effect.

(5) Where the change of circumstances is the applicant's acquisition of a partner, the change takes effect on the day on which the acquisition takes place.

(6) Where the change of circumstances is the death of an applicant's partner or their separation, it takes effect on the day the death or separation occurs.

(7) If two or more changes of circumstances occurring in the same reduction week would, but for this paragraph, take effect in different reduction weeks in accordance with sub-paragraphs (1) to (6) they take effect from the day to which the appropriate sub-paragraph from (3) to (6) above refers, or, where more than one day is concerned, from the earlier day.

(8) Where the change of circumstances is that income, or an increase in the amount of income, other than a benefit or an increase in the amount of a benefit under the SSCBA, is paid in respect of a past period and there was no entitlement to income of that amount during that period, the change of circumstances shall take effect from the first day on which such income, had it been paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.

(9) Without prejudice to sub-paragraph (8), where the change of circumstances is the payment of income, or arrears of income, in respect of a past period, the change of circumstances takes effect from the first day on which such income, had it been timeously paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.

(10) Sub-paragraph (11) applies if—

(a) the applicant or his partner has attained the age of 65; and

(b) either—

(i) a non-dependant took up residence in the applicant's dwelling; or

(ii) there has been a change of circumstances in respect of a non-dependant so that the amount of the deduction which falls to be made under paragraph 29 increased.

(11) Where this sub-paragraph applies, the change of circumstances referred to in sub-paragraph (10)(b) takes effect from the effective date.

(12) In sub-paragraph (11), but subject to sub-paragraph (13), "the effective date" means—

(a) where more than one change of a kind referred to in sub-paragraph (10)(b) relating to the same non-dependant has occurred since—

(i) the date on which the applicant's entitlement to a reduction under this scheme first began; or

(ii) the date which was the last effective date in respect of such a change,

whichever is the later, the date which falls 26 weeks after the date on which the first such change occurred;

where paragraph (a) does not apply, the date which falls 26 weeks after the date on which the change referred to in sub-paragraph (10)(b) occurred.

(13) If in any particular case the date determined under sub-paragraph (12) is not the first day of a reduction week, the effective date in that case is to be the first day of the next reduction week to commence after the date determined under that sub-paragraph.

(14) This paragraph does not affect those in receipt of a Universal Credit award.

**105.a** – Where the change in circumstance affects the amount of Credit entitlement the effective date of the change will be the date from which the Department of Work and Pensions revise the Universal Credit award.

### **Change of circumstances where state pension credit in payment**

**106.**—(1) Sub-paragraphs (2) and (3) apply where—

(a) the applicant is in receipt of state pension credit;

(b) the amount of state pension credit awarded to him is changed in consequence of a change in the applicant's circumstances or the correction of an official error; and

(c) the change in the amount of state pension credit payable to the applicant results in a change in the amount of a reduction he receives under this scheme.

- (2) Where the change of circumstance is that an increase in the amount of state pension credit payable to the applicant results in—
- (a) an increase in the reduction he receives under this scheme, the change takes effect from the first day of the reduction week in which state pension credit becomes payable at the increased rate; or
  - (b) a decrease in the reduction he receives under this scheme, the change takes effect from the first day of the reduction week next following the date on which—
    - (i) the local authority receives notification from the Secretary of State of the increase in the amount of state pension credit; or
    - (ii) state pension credit is increased,
 whichever is the later.
- (3) Where the change of circumstance (“the relevant change”) is that the applicant’s state pension credit has been reduced and in consequence the reduction the applicant receives under this scheme reduces—
- (a) in a case where the applicant’s state pension credit has been reduced because the applicant failed to notify the Secretary of State timeously of a change of circumstances, the relevant change takes effect from the first day of the reduction week from which state pension credit was reduced; or
  - (b) in any other case the relevant change takes effect from the first day of the reduction week next following the date on which—
    - (i) the authority receives notification from the Secretary of State of the reduction in the amount of state pension credit; or
    - (ii) state pension credit is reduced,
 whichever is the later.
- (4) Where the change of circumstance is that state pension credit is reduced and in consequence of the change, the amount of a reduction he receives under this scheme is increased, the change takes effect from the first day of the reduction week in which state pension credit becomes payable at the reduced rate.
- (5) Where a change of circumstance occurs in that an award of state pension credit has been made to the applicant or his partner and this would result in a decrease in the amount of reduction he receives under this scheme, the change takes effect from the first day of the reduction week next following the date on which—
- (a) the authority receives notification from the Secretary of State of the award of state pension credit; or
  - (b) entitlement to state pension credit begins,
- whichever is the later.
- (6) Where, in the case of an applicant who, or whose partner, is or has been awarded state pension credit comprising only the savings credit, there is—
- (a) a change of circumstances of a kind described in any of sub-paragraphs (2) to (5) which results from a relevant calculation or estimate; and
  - (b) a change of circumstances which is a relevant determination,
- each of which results in a change in the amount of reduction the applicant receives under this scheme, the change of circumstances referred to in sub-paragraph (b) takes effect from the day specified in sub-paragraph (2), (3), (4) or (5) as the case may be, in relation to the change referred to in paragraph (a).
- (7) Where a change of circumstance occurs in that a guarantee credit has been awarded to the applicant or his partner and this would result in an increase in the amount of a reduction the applicant receives under this scheme, the change takes effect from the first day of the reduction week next following the date in respect of which the guarantee credit is first payable.
- (8) Where a change of circumstances would, but for this sub-paragraph, take effect under the preceding provisions of this paragraph within the 4 week period specified in paragraph 91 (continuing reductions where state pension credit claimed), that change takes effect on the first day of the first reduction week to commence after the expiry of the 4 week period.
- (9) In this paragraph—
- “official error” means an error made by—
- (a) the authority or a person—
    - (i) authorised to carry out any function of the authority relating to this scheme; or
    - (ii) providing services relating to this scheme directly or indirectly to the authority; or
  - (b) an officer of—
    - (i) the Department for Work and Pensions; or
    - (ii) the Commissioners of Inland Revenue,
 acting as such,

but excludes any error caused wholly or partly by any person or body not specified in paragraph (a) or (b) of this definition and any error of law which is shown to have been an error only by virtue of a subsequent decision of the court;

“relevant calculation or estimate” means the calculation or estimate made by the Secretary of State of the applicant's or, as the case may be, the applicant's partner's income and capital for the purposes of the award of state pension credit;

“relevant determination” means a change in the determination by the authority of the applicant's income and capital using the relevant calculation or estimate, in accordance with paragraph 35(1).

## **PART 14**

### **Applications (including duties to notify authority of change of circumstances)**

#### **Making an application**

**107.**—(1) In the case of a couple or members of a polygamous marriage an application is to be made by whichever one of them they agree should so apply or, in default of agreement, by such one of them as the authority determines.

(2) Where a person who is liable to pay council tax in respect of a dwelling is unable for the time being to act, and—

(a) a deputy has been appointed by the Court of Protection with power to claim, or as the case may be, receive benefit on his behalf; or

(b) in Scotland, his estate is being administered by a judicial factor or any guardian acting or appointed under the Adults with Incapacity (Scotland) Act 2000(**135**) who has power to apply or, as the case may be, receive benefit on his behalf; or

(c) an attorney with a general power or a power to apply or, as the case may be, receive benefit, has been appointed by that person under the Powers of Attorney Act 1971, the Enduring Powers of Attorney Act 1985 or the Mental Capacity Act 2005 or otherwise, that deputy, judicial factor, guardian or attorney, as the case may be, may make an application on behalf of that person.

(3) Where a person who is liable to pay council tax in respect of a dwelling is unable for the time being to act and sub-paragraph (2) does not apply to him, the authority may, upon written application made to them by a person who, if a natural person, is over the age of 18, appoint that person to exercise on behalf of the person who is unable to act, any right to which that person might be entitled under this scheme and to receive and deal on his behalf with any sums payable to him.

(4) Where a person who is liable to pay council tax in respect of a dwelling is for the time being unable to act and the Secretary of State has appointed a person to act on his behalf under regulation 33 of the Social Security (Claims and Payments) Regulations 1987 (persons unable to act), the authority may if that person agrees, treat him as if he had been appointed by them under sub-paragraph (3).

(5) Where the authority has made an appointment under sub-paragraph (3) or treated a person as an appointee under sub-paragraph (4)—

(a) it may at any time revoke the appointment;

(b) the person appointed may resign his office after having given 4 weeks notice in writing to the authority of his intention to do so;

(c) any such appointment must terminate when the authority is notified of the appointment of a person mentioned in sub-paragraph (2).

(6) Anything required by this scheme to be done by or to any person who is for the time being unable to act may be done by or to the persons mentioned in sub-paragraph (2) above or by or to the person appointed or treated as appointed under this paragraph and the receipt of any such person so appointed shall be a good discharge to the authority for any sum paid.

(7) The authority must—

(a) inform any person making an application of the duty imposed by paragraph 113(1)(a);

(b) explain the possible consequences (including prosecution) of failing to comply with that duty; and

(c) set out the circumstances a change in which might affect entitlement to the reduction or its amount.

#### **Date on which an application is made**

**108.**—(1) Subject to sub-paragraph (7), the date on which an application is made is—

(a) in a case where—

(i) an award of state pension credit which comprises a guarantee credit has been made to the applicant or his partner, and

(ii) the application for a reduction under this scheme is made within one month of the date on which the claim for that state pension credit which comprises a guarantee credit was received at the

appropriate DWP office, the first day of entitlement to state pension credit which comprises a guarantee credit arising from that claim;

(b) in a case where—

(i) an applicant or his partner is a person in receipt of a guarantee credit,

(ii) the applicant becomes liable for the first time to pay council tax in respect of the dwelling which he occupies as his home, and

(iii) the application to the authority is received at the authority's offices within one month of the date of the change,

the date on which the change takes place;

(c) in a case where—

(i) an award of income support, an income-based jobseeker's allowance or an income related employment and support allowance or an award of universal credit has been made to the applicant or his partner, and

(ii) the application for a reduction under this scheme is made within one month of the date on which the claim for that income support, jobseeker's allowance, employment and support allowance or universal credit was received,

the first day of entitlement to income support, an income-based jobseeker's allowance, an income-related employment and support allowance or universal credit arising from that claim;

(d) in a case where—

(i) an applicant or his partner is a person on income support, an income-based jobseeker's allowance or an income-related employment and support allowance or has an award of universal credit,

(ii) the applicant becomes liable for the first time to pay council tax in respect of the dwelling which he occupies as his home, and

(iii) the application to the authority is received at the authority's offices within one month of the date of the change, the date on which the change takes place;

(e) in a case where—

(i) the applicant is the former partner of a person who was, at the date of his death or their separation, entitled to a reduction under this scheme, and

(ii) where the applicant makes an application for a reduction under this scheme within one month of the date of the death or the separation, the date of the death or separation;

(f) except where paragraph (a), (b) or (e) is satisfied, in a case where a properly completed application is received within one month (or such longer period as the authority considers reasonable) of the date on which an application form was issued to the applicant following the applicant first notifying, by whatever means, the authority of an intention to make an application, the date of first notification;

(g) in any other case, the date on which the application is received at the offices of the authority.

(2) For the purposes only of sub-paragraph (1)(a) a person who has been awarded an income based jobseeker's allowance or an income-related employment and support allowance is to be treated as entitled to that allowance for any days which immediately precede the first day in that award and on which he would, but for regulations made under—

(a) in the case of income-based jobseeker's allowance, paragraph 4 of Schedule 1 to the Jobseekers Act 1995 (waiting days); or

(b) in the case of income-related employment and support allowance, paragraph 2 of Schedule 2 to the Welfare Reform Act 2007 (waiting days), have been entitled to that allowance.

(3) Where the defect referred to in paragraph 7 of Schedule 1 to this scheme (application by telephone)—

(a) is corrected within one month (or such longer period as the authority considers reasonable) of the date the authority last drew attention to it, the authority is to treat the application as if it had been duly made in the first instance;

(b) is not corrected within one month (or such longer period as the authority considers reasonable) of the date the authority last drew attention to it, the authority is to treat the application as if it had been duly made in the first instance where it considers it has sufficient information to decide on the application.

(4) The authority is to treat a defective application as if it had been validly made in the first instance if, in any particular case, the conditions specified in sub-paragraph (5)(a), (b) or (c) are satisfied.

(5) The conditions are that—

(a) where paragraph 4(a) of Schedule 1 (incomplete form) applies, the authority receives at the offices of the authority the properly completed application or the information requested to complete it or the evidence within one month of the request, or such longer period as the authority may consider reasonable; or

(b) where paragraph 4(b) of Schedule 1 (application not on approved form or further information requested by authority) applies—

(i) the approved form sent to the applicant is received at the offices of the authority properly completed within one month of it having been sent to him; or, as the case may be,

(ii) the applicant supplies whatever information or evidence was requested under paragraph 4 of that Schedule within one month of the request,

or, in either case, within such longer period as the authority may consider reasonable; or

(c) where the authority has requested further information, the authority receives at its offices the properly completed application or the information requested to complete it within one month of the request or within such longer period as the authority considers reasonable.

(6) Except in the case of an application made by a person treated as not being in Great Britain, where a person has not become liable for council tax to the authority but it is anticipated that he will become so liable within the period of 8 weeks (the relevant period), he may apply for a reduction under this scheme at any time in that period in respect of that tax and, provided that liability arises within the relevant period, the authority is to treat the application as having been made on the day on which the liability for the tax arises.

(7) Except in the case of an application made by a person treated as not being in Great Britain, where the applicant is not entitled to a reduction under this scheme in the reduction week immediately following the date of his application but the authority is of the opinion that unless there is a change of circumstances he will be entitled to a reduction under this scheme for a period beginning not later than—

(a) in the case of an application made by a pensioner, the seventeenth reduction week following the date on which the application is made, or

(b) in the case of an application made by a person who is not a pensioner, the thirteenth reduction week following the date on which the application is made, the authority may treat the application as made on a date in the reduction week immediately preceding the first reduction week of that period of entitlement and award a reduction accordingly.

(8) Sub-paragraph (7) applies in the case of a person who has attained, or whose partner has attained, the age which is 17 weeks younger than the qualifying age for state pension credit.

#### **Back-dating of applications: pensioners**

**109.**—(1) Subject to sub-paragraph (2), the time for the making of an application under this scheme by a pensioner is as regards any day on which, apart from satisfying the condition of making an application, the applicant is entitled to such a reduction, that day and the period of three months immediately following it.

(2) In any case where paragraph 108(1)(a) applies, sub-paragraph (1) does not entitle a person to apply for a reduction under this scheme in respect of any day earlier than three months before the date on which the claim for state pension credit is made (or treated as made by virtue of any provision of the Social Security (Claims and Payments) Regulations 1987).

#### **Back-dating of applications: persons who are not pensioners**

**110.**—(1) Where an applicant who is a person who is not a pensioner—

(a) makes an application under this scheme which includes (or which he subsequently requests should include) a period before the application is made; and

(b) from a day in that period, up to the date he made the application (or subsequently requested that the application should include a past period), the applicant had continuous good cause for failing to make an application (or request that the application should include that period), the application is to be treated as made on the date determined in accordance with sub-paragraph (2).

(2) That date is the latest of—

(a) the first day from which the applicant had continuous good cause;

(b) the day 6 months before the date the claim was made;

(c) the day 6 months before the date when the applicant requested that the application should include a past period.

#### **Information and evidence**

**111.**—(1) Subject to sub-paragraph (3), a person who makes an application for a reduction under this scheme must satisfy sub-paragraph (2) in relation both to himself and to any other person in respect of whom he is making the application.

(2) This sub-paragraph is satisfied in relation to a person if—

(a) the application is accompanied by—

- (i) a statement of the person's national insurance number and information or evidence establishing that that number has been allocated to the person; or
- (ii) information or evidence enabling the authority to ascertain the national insurance number that has been allocated to the person; or
- (b) the person has made an application for a national insurance number to be allocated to him and the application for the reduction is accompanied by—
  - (i) evidence of the application for a national insurance number to be so allocated; and
  - (ii) the information or evidence enabling it to be so allocated.
- (3) Sub-paragraph (2) does not apply—
  - (a) in the case of a child or young person in respect of whom an application for a reduction is made;
  - (b) to a person who—
    - (i) is a person who is a partner of a person or non-dependant resident in the dwelling with the person making an application for a reduction under this scheme;
    - (ii) is a person treated as not being in Great Britain for the purposes of this scheme;
    - (iii) is subject to immigration control within the meaning of section 115(9)(a) of the Immigration and Asylum Act 1999; and
    - (iv) has not previously been allocated a national insurance number.
- (4) Subject to sub-paragraph (5), a person who makes an application, or a person to whom a reduction under this scheme has been awarded, must furnish such certificates, documents, information and evidence in connection with the application or the award, or any question arising out of the application or the award, as may reasonably be required by the authority in order to determine that person's entitlement to, or continuing entitlement to a reduction under this scheme and must do so within one month of the authority requiring him to do so or such longer period as the authority may consider reasonable.
- (5) Nothing in this paragraph requires a person to furnish any certificates, documents, information or evidence relating to a payment to which sub-paragraph (7) applies.
- (6) Where a request is made under sub-paragraph (4), the authority must—
  - (a) inform the applicant or the person to whom a reduction under this scheme has been awarded of his duty under paragraph 113 (duty to notify change of circumstances) to notify the authority of any change of circumstances; and
  - (b) without prejudice to the extent of the duty owed under paragraph 113, indicate to him either orally or by notice or by reference to some other document available to him on application and without charge, the kind of change of circumstances which is to be notified.
- (7) This sub-paragraph applies to any of the following payments—
  - (a) a payment which is made under or by the Trusts, the Fund, the Eileen Trust, MFET Limited, the Skipton Fund, the Caxton Foundation or the London Bombings Relief Charitable Fund;
  - (b) a payment which is disregarded under paragraph 16 of Schedule 9 (payments made under certain trusts and certain other payments), other than a payment under the Independent Living Fund (2006);
  - (c) a payment which is disregarded under paragraph 29(9)(b) or (c) (non-dependant deductions) or paragraph 2(b) or (c) of Schedule 4 (second adult's gross income) other than a payment under the Independent Living Fund (2006).
- (8) Where an applicant or a person to whom a reduction under this scheme has been awarded or any partner has attained the qualifying age for state pension credit and is a member of, or a person deriving entitlement to a pension under, a personal pension scheme, he must where the authority so requires furnish the following information—
  - (a) the name and address of the pension fund holder;
  - (b) such other information including any reference or policy number as is needed to enable the personal pension scheme to be identified.

#### **Amendment and withdrawal of application**

- 112.**—(1) A person who has made an application may amend it at any time before a decision has been made on it by a notice in writing delivered or sent to the offices of the authority.
- (2) Where the application was made by telephone in accordance with Part 1 of Schedule 1, the amendment may also be made by telephone.
- (3) Any application amended in accordance with sub-paragraph (1) or (2) is to be treated as if it had been amended in the first instance.
- (4) A person who has made an application may withdraw it by notice to the offices of the authority at any time before a decision has been made on it.
- (5) Where the application was made by telephone in accordance with Part 1 of Schedule 1, the withdrawal may also be made by telephone.

(6) Any notice of withdrawal given in accordance with sub-paragraph (4) or (5) shall have effect when it is received.

### **Duty to notify changes of circumstances**

**113.**—(1) Subject to sub-paragraphs (3), and (9), the applicant (or any person acting on his behalf) must comply with sub-paragraph (2) if there is a relevant change of circumstances at any time—

(a) between the making of an application and a decision being made on it, or  
(b) after the decision is made (where the decision is that the applicant is entitled to a reduction under this scheme) including at any time while the applicant is in receipt of such a reduction.

(2) The applicant (or any person acting on his behalf) must notify any change of circumstances which the applicant (or that person) might reasonably be expected to know might affect his entitlement to, or the amount of, a reduction under this scheme (a “relevant change of circumstances”) by giving notice to the authority—

(a) in writing; or  
(b) by telephone—

(i) where the authority has published a telephone number for that purpose or for the purposes of Part 1 of Schedule 1 unless the authority determines that in any particular case or class of case notification may not be given by telephone; or

(ii) in any case or class of case where the authority determines that notice may be given by telephone; or

(c) by any other means which the authority agrees to accept in any particular case.

(3) The duty imposed on a person by sub-paragraph (1) does not extend to notifying—

(a) changes in the amount of council tax payable to the authority;

(b) changes in the age of the applicant or that of any member of his family;

(c) in the case of an applicant in receipt of a relevant benefit, changes in circumstances which affect the amount of the benefit but not the amount of the reduction under this scheme to which he is entitled, other than the cessation of that entitlement to the benefit.

(4) For the purposes of sub-paragraph (3)(c) “relevant benefit” means income support, an income-based jobseeker’s allowance or an income-related employment and support allowance or universal credit.

(5) Notwithstanding sub-paragraph (3)(b) or (c) an applicant is required by sub-paragraph (1) to notify the authority of any change in the composition of his family arising from the fact that a person who was a member of his family is now no longer such a person because he has ceased to be a child or young person.

(6) The duty imposed on a person by sub-paragraph (1) includes—

(a) in the case of a person falling within class C (pensioners: alternative maximum council tax reduction) giving written notice to the authority of changes which occur in the number of adults in the dwelling or in their total gross incomes and, where any such adult ceases to be in receipt of state pension credit, the date when this occurs;

(b) in the case of a person falling within class F (persons who are not pensioners: alternative maximum council tax reduction) giving written notice to the authority of changes which occur in the number of adults in the dwelling or in their total gross incomes and, where any such adult ceases to be in receipt of income support, an income-based jobseeker’s allowance or an income-related employment and support allowance, the date when this occurs.

(7) A person who has been granted a reduction under this scheme who is also on state pension credit must report—

(a) changes affecting the residence or income of any non-dependant normally residing with the applicant or with whom the applicant normally resides;

(b) any absence from the dwelling which exceeds or is likely to exceed 13 weeks.

(8) In addition to the changes required to be reported under sub-paragraph (6), a person whose state pension credit comprises only a savings credit must also report—

(a) changes affecting a child living with him which may result in a change in the amount of reduction under this scheme allowed in his case, but not changes in the age of the child;

(b) any change in the amount of the applicant’s capital to be taken into account which does or may take the amount of his capital to more than £16,000;

(c) any change in the income or capital of—

(i) a non-dependant whose income and capital are treated as belonging to the applicant

in accordance with paragraph 33 (circumstances in which income of a non-dependant is to be treated as applicant’s); or

(ii) a person to whom paragraph 35(2)(e) refers,

and whether such a person or, as the case may be, non-dependant stops living or begins or resumes living with the applicant.

(9) A person who is entitled to a reduction under this scheme and on state pension credit need only report to the authority the changes specified in sub-paragraphs (6) and (7).

## **PART 15**

### **Decisions by authority**

#### **Decision by authority**

**114.** The authority must make a decision on an application for a reduction under this scheme within 14 days of paragraphs 108 and 111 and Part 1 of Schedule 1 being satisfied, or as soon as reasonably practicable thereafter.

#### **Notification of decision**

**115.—**(1) The authority must notify in writing any person affected by a decision made by it under this scheme—

(a) in the case of a decision on an application, forthwith or as soon as reasonably practicable thereafter;

(b) in any other case, within 14 days of that decision or as soon as reasonably practicable thereafter.

(2) Where the decision is to award a reduction the notification under sub-paragraph (1) must include a statement—

(a) informing the person affected of the duty imposed by paragraph 113(1)(b);

(b) explaining the possible consequences (including prosecution) of failing to comply with that duty; and

(c) setting out the circumstances a change in which might affect entitlement to the reduction or its amount.

(3) A person affected to whom the authority sends or delivers a notification of decision may, within one month of the date of the notification of that decision request in writing the authority to provide a written statement setting out the reasons for its decision on any matter set out in the notice.

(4) The written statement referred to in sub-paragraph (3) must be sent to the person requesting it within 14 days or as soon as reasonably practicable thereafter.

(5) For the purposes of this paragraph a person is to be treated as a person affected by a decision of the authority under this scheme where the rights, duties or obligations of that person are affected by that decision and the person falls within sub-paragraph (6).

(6) This sub-paragraph applies to—

(a) the applicant;

(b) in the case of a person who is liable to pay council tax in respect of a dwelling and is unable for the time being to act—

(i) a deputy appointed by the Court of Protection with power to claim, or as the case may be, receive benefit on his behalf; or

(ii) in Scotland, a judicial factor or any guardian acting or appointed under the Adults with Incapacity (Scotland) Act 2000(138) who has power to apply or, as the case may be, receive benefit on the person's behalf; or

### **Award or payment of reduction**

#### **Time and manner of granting reduction under this scheme**

**116.—**(1) Subject to paragraph 119 (payments on death), where a person is entitled to a reduction under this scheme in respect of his liability for the authority's council tax as it has effect in respect of the financial year, the authority must discharge his entitlement—

(a) by reducing, so far as possible, the amount of his liability to which regulation 20(2) of the Council Tax (Administration and Enforcement) Regulations 1992 refers; or

(b) where—

(i) such a reduction is not possible; or

(ii) such a reduction would be insufficient to discharge the entitlement to a reduction under this scheme; or

(iii) the person entitled to the reduction is jointly and severally liable for the council tax and the authority determines that such a reduction would be inappropriate, by making payment to him of the amount of reduction to which he is entitled, rounded where necessary to the nearest penny.

(2) The authority must notify the person entitled to a reduction under this scheme of the amount of that reduction and how his entitlement is to be discharged in pursuance of sub-paragraph (1).

(3) In a case to which sub-paragraph (1)(b) refers—

(a) if the amount of the council tax for which he remains liable in respect of the financial year, after any reduction to which sub-paragraph (1)(a) refers has been made, is insufficient to enable his entitlement to a reduction under this scheme in respect thereof to be discharged, upon the final instalment of that tax becoming due any outstanding reduction—

(i) must be paid to that person if he so requires; or

(ii) in any other case must (as the authority determines) either be repaid or credited against any subsequent liability of the person to make a payment in respect of the authority's council tax as it has effect for any subsequent year;

(b) if that person has ceased to be liable for the authority's council tax and has discharged the liability for that tax, the outstanding balance (if any) of the reduction under this scheme in respect thereof must be paid within 14 days or, if that is not reasonably practicable, as soon as practicable thereafter

(2) Where a person other than the person who is entitled to the reduction under this scheme made the application for the reduction and that first person is a person acting pursuant to an appointment under paragraph 107(3) (persons appointed to act for a person unable to act) or is treated as having been so appointed by virtue of paragraph 107(5), the amount of the reduction may be paid to that person.

#### **Shortfall in reduction**

**118.** Where, on the revision of a decision allowing a reduction under this scheme to a person, it is determined that the amount allowed was less than the amount to which that person was entitled, the authority must either—

(a) make good any shortfall in reduction which is due to that person, by reducing so far as possible the next and any subsequent payments he is liable to make in respect of the council tax of the authority as it has effect for the financial year until that shortfall is made good; or

(b) where this is not possible or the person concerned so requests, pay the amount of any shortfall in reduction due to that person within 14 days of the revision of the decision being made or if that is not reasonable practicable, as soon as possible afterwards.

#### **Payment on the death of the person entitled**

**119.** Where the person entitled to any reduction under this scheme has died and it is not possible to award the reduction which is due in the form of a reduction of the council tax for which he was liable, the authority must make payment of the amount of the reduction to his executor or administrator in accordance with regulation 58(4) of the Council Tax (Administration and Enforcement) Regulations 1992.

#### **Adjustments to figures set out in this scheme**

**121.** Where any figures set out in this scheme are changed by statute or by statutory regulation during the period of operation of this scheme the provisions of this scheme shall be interpreted as incorporating any such new figures as from the date upon which such changed figure comes into force pursuant to the statute or regulation in question but no such change shall require a retrospective re-calculation to be made by the authority.

#### **Repeal and re-enactment**

**122.** (1) Where an Act of Parliament or subordinate legislation repeals a previous enactment (including a previous regulation) and substitutes provisions for the enactment repealed, the repealed enactment remains in force until the substituted provisions come into force.
