4           **PUBLIC QUESTION TIME**

There was one public question received.

1. Mr. John Crompton, Failsworth Historical Society

"Our question to ask will follow a brief statement of reason and  
we would be grateful for a verbal response and a written  
response to our Society Committee if you would respond please.

The statement is relating to our efforts in bringing back into  
Public sighting of the Historical artefacts now being installed into  
the Library area of the Town Hall, namely the top of the third  
Pole and Cock and on Tuesday next the Bust of Ben Brierley. It  
is our intention to ensure that items of local history belong within  
the area where the Local Residents can view these items freely.  
They are joining items already established within the building  
and there are three (3) more items that require the same  
opportunity.

We refer to the Chairs from the Failsworth Urban District Council  
Chamber, namely the Chairman's Chair and two more belonging  
to the deputy Chairman and secretary. These are situated in the  
Broadbent Luncheon Club room and Portacabin respectively.  
They are in need of refurbishment and we would like to see  
these brought into good condition and brought on view. We  
would also be prepared to place a contribution towards there

refurbishment. However we understand from a secondary source, albeit unsubstantiated, that these were granted some time ago to the Failsworth Carnival Committee although there is no record of this taking place officially!

Before any commitment on our Society behalf to begin any undertaking of restoration we wish to have clarification established to their ownership. Once this is established we would be pleased to enter into discussion more fully for this to be fulfilled.”

Councillor Bates raised concerns over statements being made during Public Question Time as opposed to questions.

The Chair thanked Mr Crompton for his question. Councillor McMahon further thanked Mr Crompton for taking on the baton of collecting the artefacts and agreed that it would be beneficial to refurbish the Chairs. Councillor McMahon also agreed to progress the project and liaise with the Carnival Committee.
