Present: Councillor Williamson (Chair)
Councillors Blyth, Gloster, Murphy, Sykes and Turner

Also in Attendance:

Michele Carr	AED Special Projects
Elizabeth Fryman	District Co-ordinator
Caroline Walmsley	Constitutional Services

1 **APOLOGIES FOR ABSENCE**

Apologies for absence were received from John Rooney.

2 **URGENT BUSINESS**

The Chair and Members of the District Executive paid tribute to Michele Carr, Assistant Executive Director Special Projects, who was leaving the authority at the end of the month.

3 **DECLARATIONS OF INTEREST**

There were no declarations of interest received.

4 **PUBLIC QUESTION TIME**

No public questions had been received.

5 **MINUTES OF PREVIOUS MEETING**

RESOLVED that the minutes of the meeting held on 20th October 2015 be approved as a correct record.

6 **PETITIONS - DATA PROTECTION**

At its meeting on the 20th October 2015, the District Executive considered a report which provided advice on data protection issues in relation to petitions and requested that further advice be sought on what sanctions there would be, if any, if Ward Councillors, upon inspecting petitions, disclosed personal information contained within the petition.

The Information Management team and Assistant Borough Solicitor provided advice on the current position in line with the Data Protection Act and Members Code of Conduct.

It was reported that, when signatories sign a petition, there may well be an expectation of confidentiality and, also, an understanding that their information will only be used to indicate their views, i.e. in support of a subject. It was likely that the petition signatories would expect their information to not be used for any other purpose. To process the information for an additional purpose could therefore be in breach of the Data Protection Act. Furthermore, should confidential information be

disclosed then potentially there could be a breach of the Members Code of Conduct if such information was knowingly disclosed.

RESOLVED that the advice provided by the Information Management team and Assistant Borough Solicitor be noted.

7 **PETITION - SAVE SHAW MARKET**

Further to the receipt of the 'Save Shaw Market' petition, which requested that Shaw Market stay on its present site with investment to bring Farmers Markets and Christmas Markets to the area and opposed closing Market Street to traffic every week, it was reported that a meeting had been held on 10th November 2015 and following discussion, Members agreed with the recommendations for Shaw Market to remain on its present site with investment to bring Farmers Markets and Christmas Markets to the area.

RESOLVED that the recommendation of the petitioners be supported and the Council be urged to honour their request.

8 **SHAW AND CROMPTON COMMUNITY FORUM MINUTES - 20.10.15**

RESOLVED that the minutes of the Shaw and Crompton Community Forum held on 20th October 2015 be noted.

9 **MINUTES OF THE DISTRICT EXECUTIVE SUB GROUPS**

RESOLVED that the minutes of the Health and Wellbeing Sub-Group meeting be noted.

10 **MEMBER ENGAGEMENT SPATIAL STRATEGY FRAMEWORK**

The District Executive considered a report and received a presentation on the Greater Manchester Spatial Framework (GMSF) and Transport Strategy and what the key issues were for Oldham.

It was reported that once completed the Framework would:

- Determine how many new homes and how much land was needed for new jobs over the next 20 years, as well as identifying broad locations or areas for development;
- Identify infrastructure (such as transport links and public services) required to support development; and,
- Identify ways the city-region's green space can be protected alongside development so that great places where people want to live, work and visit are developed.

Once adopted, it would form an integral part of the Council's Local Plan.

The Greater Manchester Spatial Framework Councillors Briefing was appended to the report and provided further details on:

- What the Greater Manchester Spatial Framework was
- Why it was needed
- The timescales for preparing it;
- The purpose of the Call for Sites exercise; and
- How Councillors and residents could get involved

To ensure that all potential sites suitable for development could be identified a 'call for sites' would also be carried out as part of the preparation of the GMSF. This would help to determine whether there are areas of land available for development that individual districts were not currently aware of.

It was further reported that Transport for Greater Manchester was preparing a new long term 2040 transport strategy, which would replace the current Local Transport Plan 3 and support the delivery of the Greater Manchester Strategy and the emerging Spatial Framework. The Transport Strategy themes were outlined along with work being undertaken to identify an up to date set of priorities for Oldham.

Public consultation began on 9th November 2015 and would run through to 11th January 2016. Workshops had been arranged for 7th and 15th December to provide an opportunity for Members to discuss potential sites for development as part of the 'Call for Sites'. Details of these would be circulated to all Members in due course.

The District Executive raised concerns regarding the importance of Oldham having a voice within Greater Manchester in terms of investment and infrastructure. The Cabinet Member for Housing, Planning and Highways gave reassurance that all ten authorities would need to be in agreement in terms of the plan. The importance of cross party working was highlighted to secure a better future for Oldham.

The issue of empty existing office space was raised along with what was being done to tackle this. It was important to look at re-using existing space and this good be discussed at the drop in sessions planned for the 7th and 15th December.

Further concerns were raised regarding Greenbelt land and the approach to the Greenbelt Review.

RESOLVED that the report and presentation be noted and circulated to Members.

11

FRASER STREET JUNCTION

The District Executive considered a report which provided an update on the Rochdale Road/Fraser Street/Chamber Road junction. It was reported that the Draft Highways Capital Programme had now been finalised and for the first time it would take the form of a 3 year programme of work for the period

2016/17, 2017/18 and 2018/19. Provision had been made for the Rochdale Road/Fraser Street junction. A budget of £46.7k had been allocated in Year 2 of the three year programme.

Members felt that it should be requested that works be completed in year 1 of the programme and if this wasn't possible then it was essential that the work be completed in year two.

RESOLVED that:

1. The update be noted.
2. It be requested that works be completed in year 1 of the programme.
3. If works cannot be completed in year 1 of the programme, then assurance be sought that works be completed no later than year 2.

12

PROPERTY TRANSACTIONS RESOLUTION

The District Executive considered a report which provided an update on the Property Transaction resolution made at the 20th October meeting, where it was requested for all proposed land and property disposals, irrespective of the nature of tenure, be subject to ward member consultation, be forwarded to the Constitutional Working Group for consideration and confirmation of different interpretations of the current protocol.

It was reported that this request had been taken forward to the Director of Legal Services and the Head of Assets Management and Estates would submit revised proposals reflecting this request to the next meeting of the Constitutional Working Group, the date for which was yet to be confirmed.

RESOLVED that the update be noted.

13

YOUTH PROVISION IN SHAW AND CROMPTON AREA

The District Executive considered a report which provided an overview of youth work delivered by Mahdlo in Shaw. The Detached Team and Youth Development Officer were seconded to Mahdlo from Oldham Council and worked within the area alongside Mahdlo's Lead Youth Worker and team of Youth Support Workers. Together they formed the Spokes team that was overseen by the District Youth Work Manager. The priorities for the team were set by Mahdlo and the District Team to ensure local need was met.

The report outlined the function of each team/officer role and the work carried out by each team along with future projects and plans and the future vision for district work.

It was queried how feedback was provided to Elected Members on the views of young people. It was suggested that Youth Workers could submit regular reports to the District Executive to enable improved communication along with more frequent liaison with the District Co-ordinator.

It was reported that funding options were being currently being examined.

RESOLVED that:

1. The update be noted.
2. Regular update reports be submitted to the District Executive for consideration.
3. The District Co-ordinator to provide the District Youth Work Manager with the District Executive meeting dates.

14

SHAW AND CROMPTON DISTRICT EXECUTIVE BUDGET REPORT AND APPENDIX A

Consideration was given to a report of the Executive Director Co-operatives and Neighbourhoods, which provided Members with a summary of the budget, including the ward budget and the individual Councillor budgets.

It was highlighted that the Individual Councillor budgets had not yet been spent and therefore firm recommendations needed to be submitted to the January meeting. There was also a need to allocate the remaining Public Health monies.

RESOLVED that:

1. The report be noted.
2. Recommendations for the allocation of the remaining Individual Councillor Budget and Public Health monies be submitted to the January meeting of the District Executive.

15

DATE OF NEXT MEETING

RESOLVED that the date of the next meeting be noted.

The meeting started at 7.00 pm and ended at 8.43 pm

Shaw & Crompton District Executive

Shaw Market Petition - reply from Elaine McLean, Executive Director Economy and Skills.

Portfolio Holder:

Cllr B Brownridge, Cabinet Member for Cooperatives & Neighbourhoods

Officer Contact: Helen Lockwood, Executive Director, Cooperatives & Neighbourhoods

Officer Contact: Liz Fryman, District Coordinator.
Ext. 5161

26th January 2016

Recommendation: For the District Executive to note the reply.

1 Background

1.1 A petition entitled 'Save Shaw Market' was submitted to the District Executive on Tuesday 20th October 2015.

1.2 The District Executive Petition Meeting took place Tuesday 10th November 2015 and these were accepted by the full District Executive meeting on 1st December 2015.

2 The petition states:

'Oldham Labour want to wreck our market and close Market Street for a day each week. The Liberal Democrats are opposed to this and want to see a dedicated market site with Farmers markets and Continental markets added to bring back shoppers to our town.

We want to see Shaw Market stay on its present site with investment to bring Farmers Markets and Christmas Markets to our area as well. We are opposed to closing Market Street to traffic every week bringing traffic chaos to Shaw and Crompton.'

3 Recommendation of the District Executive petition meeting 20th October 2015.

The District Executive agrees with the recommendation of the petitioners and would urge the Council to honour their request.

4 Petition recommendation response

Attached is the reply to the recommendation from Elaine Mclean, Executive Director of Economy and Skills.

Dear Cllr Williamson

Re: Shaw Market Petition

The Cabinet Member has been advised of the District Executive recommendation in advance of drafting a report about Shaw Market which was considered by Cabinet on the 14 December 2015. The report sought approval to submit a planning application to secure consent to hold Shaw Market on Market Street between Beal Lane and Farrow Street East and also on a section of Newtown Street. Approval has been sought to demolish the permanent stalls on the existing market ground at Westway and to change the use of that area to a car park. The report stated that Ward Members will be involved in determining whether this car park would be short or long stay and, unless the council changes its policies regarding parking in District Centres, the car parking will be free of charge.

The report referenced all of the Shaw Market public consultation results and also the formal consultation with local businesses. This included the Shaw Market petition and the recommendation from the Shaw and Crompton District Executive to enable the Cabinet to consider the recommendation as they make this key decision about the future of the market.

Yours sincerely

Youth Work delivered by Mahdlo in Shaw

Report

January 2015

1.0 Service Update:

Mahdlo are proud to announce the district youth work sessions will continue post March 2016. Therefore, Mahdlo will continue to deliver out of the six districts they are currently operating in. Key steps moving forward include further developing partnerships across the borough, identifying further gaps in provision through an updated mapping exercise, reviewing current sessions and exploring barriers to young people engaging in youth services. Mahdlo will also be applying for Big Lottery funding in the near future and part of that process will ensure stakeholders, young people and partners are consulted.

1.1 Council Secondment Update:

Six youth development officers were seconded to Mahdlo from the council for the 15/16 financial year. These posts have now been through consultation and a review. Moving forward there will be two positions for the 16/17 financial year and both will continue to be seconded to Mahdlo. There will be a Youth Development Officer and a Youth Training Officer working across the borough of Oldham. The Youth Development Officer will continue to build capacity of individuals, groups and providers to deliver youth activities. The Youth Training Officer will develop training programmes to offer youth work training to new or existing providers and also develop training for Mahdlo staff.

The Detached team have also been through a review and actions are currently being formalised. An update will be available for the next report in February

2.0 Detached Team

The Detached team have been continuing to deliver work in the Shaw and the High Crompton area on a weekly basis –every Friday and Saturday unless emergency response calls are received which is a priority.

Young People:

The number of young people the team engages with on the streets on a weekly basis is an average of 65 young people - this is made up of several different groups including young people from the core Shaw group and the skater group.

- The ages of the young people vary from 11 - 23 (The older end of the age range are predominantly the skater group).
- The core of the group the team engages is made up of young people from Shaw however; the team also engages several young people from across the borough that travel into Shaw.

Activities:

The activities delivered with young people include:

- Challenge 4 Change with the core group in Shaw - Challenge 4 Change is a charity run organisation in which young people can gain the skills to fulfil their true potential and build stronger communities - This is done through team building exercises to gain knowledge and understanding of both themselves and others. (The detached team applied for part funding for this through FOREVER MANCHESTER - The community Foundation for Greater Manchester).
- The team have also delivered work with young people based upon keeping themselves safe
- "Making Every Contact Count" - this was delivered over the Christmas and New Year Period – as it is a time where young people are generally on holidays and historically taking part in risk taking behaviour increases.
- The team delivered key health messages to young people and signposted them to the appropriate services.
- Joint work with the Mahdlo District Team, visiting sessions and supporting the team to build rapport and challenge behaviour of young people.

2.1 Lead Youth Worker

Current Session

Throughout November and December the teams aim was to continue to build relationships with the young people attending the sessions at Shaw United Reformed Church, offering a variety of activities and support where needed. The attendance since the last report has been as follows:

Date	No of Young people that attended the session	Date	No of Young people that attended the session
9 th November	14	16 th November	16
23 rd November	12	30 th November	16
7 th December	15	14 th December	17
21 st December	15	28 th December	Young people offsite activity to Mahdlo to visit senior zone session. No young people turned up on the night
4 th January	17	11 th January	22

**all young people attending the session are aged 13-19. The majority of young people are from Shaw and Crompton. 1 young person attending from Derker, 1 from Saddleworth and Lees and 1 from Royton*

Activities

The Lead Worker has continued with the coffee bar feel to the sessions, offering hot food and drinks for the young people to buy – this is popular, as is the offer to young people for them to help in the kitchen and develop their life skills. A number of universal activities have been on offer and the more

popular activities include Xbox, table tennis, crafts, card games, monopoly and malteaser football! On the last session before Christmas a DJ was hired to deliver a workshop to young people which really increased engagement from young people.

This universal offer has allowed the team to build rapport and begin to concentrate on issues relevant to the young people – staffs have delivered issue based work on the following topics:

- Drug and alcohol awareness.
- The law around drugs.
- Personal safety.
- Sexual health.

The Young People

The group remain fairly consistent with some attending every week and others coming now and then. Staffs have noticed that they are not necessarily all out at the same time and coming as a group each week, but some are coming on their own straight from home. This shows that whilst some young people are not out every night, they see the session as something worth coming out for.

Behaviour continues to be a challenge, with some young people continuing to push the boundaries. The staff team has remained consistent in their approach to this, working together to minimise the disruption of negative behaviour. This is achieved through 1-1 discussions with young people and the use of warnings and timeouts where necessary. With some young people we have seen an improvement with this and we believe that as relationships continue to grow this will improve further.

There are a number of the older young people attending who are not in employment, education or training. We have successfully referred one young person to the job club at Mahdlo, which she is regularly attending, and we look to promote this and Mahdlo's Employability programme with more of the young people. As well as this we will look to increase young people's aspirations, and motivation to gain employment/education during weekly sessions.

The future

We would like to do further work such as:

- More intensive work with the young people around drug and alcohol use, including inviting a worker from Oasis to attend.
- We will also look at other issues including managing behaviour.
- Anti-bullying & positive relationships and raising aspirations.
- Continuing to build relationships is key and we will continue to offer positive activities in order to do this.
- We will continue to refer young people to partner agencies where it is required and build rapport with schools and police have a much more coordinated approach to work with young people.
- Continued operational links with the detached team.

2.2 Youth Development Officer

The Youth Development Officer has continued to focus upon building capacity in the district and supporting the District Team with local priorities conducting the following:

Key activities include:

- Funding information sent to Uniformed Organisations.
- Visiting schools and promoting the Mahdlo Offer
- Contacted local charity groups /and supported in removal of furniture from Shaw Youth Club
- Re-visiting the mapping document researching youth and leisure organisations in the district and updating it
- Information re Princes trust sent to partners
- Support Shaw Christmas light switch on with the Mahdlo Team
- Lead on Remembrance day in Shaw
- Assessing venues for Slimmin without women course in Shaw
- Supporting Age uk with publicity /venue for slimmin without women

3.0 Capacity

Currently Mahdlo do not have the capacity to deliver any further sessions in the district, this is due to funding and staff capacity. Also, the main strategic aim for Mahdlo for the coming 12 months is to focus on improving the quality of the offer and not growing provision or projects. However, we have offered support to young people in the area through active recruitment onto the Mahdlo Get a Job course and if needed referring them to Mentoring, Counselling and 1-2-1 Key work services as well as using the Mahdlo Hub on Egerton St.

4.0 Facility (United Reformed Church)

Our Youth Development Officer spent several months searching for a building in Shaw between Arpil and August. Many buildings were unavailable or did not have adequate space for youth provision. Due to the lack of available facilities in Shaw and Compton we began delivering out of the United Reformed Church. This was the only option and having reviewed the session, the type of young people we are engaging, and their needs we feel the venue is inappropriate for what we would like to deliver taking into account the needs/issues young people present. It also lacks space to do sports activities, which we believe the young people would enjoy.

The Church is also close to local resident's properties and therefore any noise or negative behaviour from the young people can cause concern for those residents (although staff are and will continue to work to minimise any disruption). We are in the process of looking for an alternative, more appropriate venue for this provision within Shaw so that we can continue to meet the needs of the young people. Should we not be able to find a suitable, available venue, then we have the option of working with the young people in a street-based setting, and certainly for the summer months this is potentially a positive option which includes joint work with the Detached Team.

The ideal option would be to find a building which is appropriate to the needs of young people. This would ensure they have focused universal and targeted activities; a safe space for themselves and the Detached team could also refer young people to the session and focus upon young people

presenting higher needs/issues in a street-based setting thus ensuring there is a coordinated quality offer meeting needs of the majority of young people in shaw.

4. Public Health Projects

4.1 *Slimmin without Women* – Lynda Winrow

- A new FREE 12 week programme to start in Shaw at East Crompton St James Church on Friday 15th January, between 6.30pm – 8.00pm. Slimmin without Women is aimed at men who are over 50, but no age will be turned away.

4.2 *Power to Resist* – Liz Fryman

- Working with Royton & Crompton School but take up has been extremely low. Lynda Winrow is going to contact again in the New Year and try one last time.
- CG suggested Crompton House School. CG suggested that he would have a word and see if they would become interested again, LF agreed and thanked CG, sessions to start at 6pm and last for one hour. Year 7's preferred

Action: LC to send CG some details of Power to Resist programme

4.3 Reducing Social Isolation – Liz Fryman

- Target the most isolated – housebound, very low mobility, those living with long term mental ill-health & long term physical illness, newly bereaved.
- Age UK's Promoting Independence Service could help with navigating the activities and services already out there
- Shaw and Crompton have agreed an allocation from The Public Health funding for theatre trips, commissioned from Housing 21.
- CG said that Shaw and Crompton councillors would be happy to promote any activities aimed at reducing social isolation during leaflet drops where they would be knocking anyway.
- Royton District are piloting a craft group where people can meet, chat and do something crafty

Ambition for Ageing update – Jonathan Sutton

- This is the lottery funded GM wide scheme.
- The local delivery contract has been won by a partnership of VAO and Age UK.
- £42,000 year 1 allocation needs to be spent by end of March 2016
- The scheme will recruit 8 volunteer champions – Over 50 years old – any suggestions of people living in the Crompton ward please let Liz know.
- Crompton Cllrs met with Nicola and Jackie earlier this week and discussed ways in which to make contact eg. through pharmacies, doctors and cafes for lonely, isolated people.

4.4 Defibrillator – Liz Fryman

- Defib is now up and running in Shaw at the Lifelong Learning Centre
- First Aid and CPR training has now been successfully delivered by OCL. 25 participants attended 3 sessions from which there was very positive feedback.

4.5 Walking Routes – Liz Fryman

- Re-doing the walking route leaflets with Euey
- Looking at District Centre walks/maps for working people in their lunch time.

5. Make Every Contact Count – Andrea Tait

- National programme to skill up the front facing work force to encourage and help people to make healthier choices and achieve a positive long term behaviour change.
- There will be a commissioned training session which will last approximately 2 and a half hours, there are some running from the Civic Centre in January.
- Looking for volunteers, Oldham Council front facing staff

6. Warm Home Oldham – Angela Broadhurst

- A brief was given by Angela for front line staff
- Project tackling fuel poverty throughout Oldham
- Cold weather and the impact on health
- Evidence of cold homes include: Damp and mould patches, Large difference in temperatures between rooms, Person wearing lots of clothing, heavy clothing or blankets
- What to look out for when visiting a home particularly with the elderly

What the Warm Homes scheme can offer:

- Energy efficient property improvements – insulation and heating upgrades for free where possible
- Emergency heating provision
- Income maximisation and benefits advice, help with fuel and water debt
- Help getting off prepayment meters & emergency credit
- Help switching energy tariffs and claiming warm homes discounts

- Behaviour change advice to save energy

Report to Shaw & Crompton District Executive

Budget Report

Portfolio Holder:

Cllr B Brownridge, Cabinet Member for Cooperatives & Neighbourhoods

**Officer Contact: Liz Fryman, District Co-ordinator
Ext. 5161**

26 January 2016

Reason for Decision

For the District Executive to approve budget allocations.

Recommendations

1. For the District Executive to note the report.
2. That the DE notes Public health allocation spend:
 - £925 Housing 21 theatre trips for older people
 - £1000 East Crompton St James for improvements to the kitchen facilities in order to improve their food based offer to socially isolated people
 - £100 Dementia Friends Drop – in event 23 January

1 Current Position

1.1 District Executive Ward Budgets

The District Executive has a total allocation of £40,000 (£10,000 revenue per ward and £10,000 capital per ward) which is available to help meet the priorities set out in the District Plan.

Decisions on this funding will be made by the District Executive.

1.2 Individual Councillor Allowance

Each Borough Councillor has an allowance of £5,000 on which they may take decisions. Councillors may also decide to pool their individual allowance in order to joint fund agreed projects.

2 Ward Revenue Budget allocations

There are no allocations for approval at this meeting.

3 Ward Capital Budget allocations

There are no allocations for approval at this meeting.

4 Individual Councillor Budget allocations

Since the last meeting of the District Executive, the Crompton Ward Cllrs have not made any allocations.

5 Financial Implications

	<u>Ward Revenue</u>	<u>Ward Capital</u>	<u>Councillor 's Budget</u>	<u>Total</u>
Budget Allocation	20,000	20,000	30,000.00	70,000
Previously approved spend	20,000	20,000	1,532.3	41,532.3
Proposed Spend	0	0	0	0
Remaining Allocation	0	0	28,467.70	28,467.70

6 Public Health Funding

Ward members have agreed the following spend from the Public health 'reducing social isolation' allocation.

£925 to Housing 21 theatre trips for older people.

£100 to cover room rental costs at Shaw Lifelong Learning Centre for the Dementia Drop-in event on 23 January 2016.

£1000 to East Crompton, St James for improvements to the kitchen facilities in order to improve their food based offer to socially isolated people.

Cllr C Gloster declared an interest in the decision regarding an allocation to East Crompton St James and therefore abstained from this decision. Cllr Gloster is a member of the Parochial Church Council at East Crompton St James.

Recommendation:

That the DE notes Public health allocation spend:

- £925 Housing 21 theatre trips for older people
- £1000 East Crompton St James for improvements to the kitchen facilities in order to improve their food based offer to socially isolated people
- £100 Dementia Friends Drop – in event 23 January
