1. Welcome and Apologies:

Cllr Hannah Roberts opened the meeting and thanked those in attendance.

2. Minutes of the last meeting for approval:

Agreed

3. Action Updates from previous Royton Community Forum:

3.2 To look into the unpaid Council Tax issue – Response from Anne Ryans (Director of Finance):

The total level of outstanding Council Tax debt at February 2016 is £18.7m and when costs associated with pursuing the debt of £4.6m are added, the total outstanding from Council Tax payers increases to £23.3m. This may seem high but there is always some short term debt that will be addressed once reminder letters are issued. In addition, there are payment arrangements in place for some of the debt and so this will be dealt with over time.

The figures also cover many financial years and reflect the Councils determination to collect the debt and pursue those that owe Council Tax as long and as hard as possible and to minimise any debt write off. All outstanding debt will be subject to the full range of recovery procedures including follow up/ reminder letters, summons to the Magistrates Court, payment arrangements and attachment of earnings.

It is difficult to be precise about the number of households that have Council Tax arrears as the debt follows an individual and there is considerable movement into and out of households and also around, into and out of the borough and some taxpayers have arrears at more than one address. Our systems cannot extract the information to answer the question asked.

3.3 Cllr S Bashforth to chase up the plaque from Royton pool re. Baths committee – The plaque has been found, Cllr Bashforth to acquire as soon as possible

Action: Liz to check where Royton Hall school children are going swimming. It was noted that Glodwick pool didn't close until Royton had opened – Response from Neil Consterdine (Head of Service Public Health and Leisure):

Royton Hall have been attending sessions out of the borough for the last 2 yrs. They chose not to buy from the Council and use OCL facilities. However, I can confirm that they are buying into our service again from Sept. This was confirmed earlier this week

4. Police Update:

Regular Police Surgeries are held at:

Trinity Methodist Church, Radcliffe Street, Royton
Thursday 10am-12pm

Home Watch Meeting

Residents were urged that if they saw a crime in action to call 999

If they see anything suspicious call 101

On May 9th 2016 a new policing model came into operation. Response Officers will no longer exist instead they will be Neighbourhood Police Officers and will be allocated to an area. This means that when they are not dealing with emergencies they will default to their areas. This should mean more Officers in Royton

Craig spoke with residents about ASB issues in general and this started a conversation about the youth having nothing to do in Royton. Councillors said that there were many things going on for the youth to get involved in and that local councillors had funded local sessions for young people including very popular free swims and gym sessions at half term. Craig volunteered to stay after the meeting so that residents could speak with him about any issues they have.

REPORT ANTI-SOCIAL BEHAVIOUR BY RINGING 101

5. Councillor Updates:

Cllrs gave a flavour of the work Cllrs have been involved in since the last meeting.

Cllr S Bashforth:

- Planning application for 106 Rochdale Road to become a takeaway has been refused. Another application has been put in since this refusal by a different party.
- Mature trees at Netherhey/Elk Mill cut down but councillors don't know who has done this as it is not Council land. This is being looked into.
- Travellers at Edge Lane Street have now gone, this is private land. No issues this visit.
- Speeding – Any issues are still being looked at. Vehicle Activated Signs to be placed at Fir Lane, funded by Shaw and Crompton District Executive and Royton councillors.
- After a petition was received regarding speeding on Blackshaw Lane/Broadway speed monitoring survey has been completed showing average speeds recorded on a daily basis are close to 20 mph. On the basis of the recent speed data and the fact that during the last three years there have been no injury or accidents recorded on Blackshaw Lane and Water Street there are no further road safety proposals that could be considered; however, the Speed Data information has been sent to the Police Liaison officer who may wish to investigate further the maximum speeds that have been recorded.

Cllr M Bashforth:

- Saturday 11th June – Fun Day at Bullcote Park, 1.00 – 3.00pm
- Thursday 30th June – Royal British Legion meeting at Royton Cricket Club, 7.30pm
- Sunday 16th July – Heyside Classic Car Show, Bullcote Park, 1.00 – 3.00pm
- Marie is now represents Oldham Council on ‘Holidays for Children’

Cllr J Larkin:

- Had a meeting with First Choice Homes to try and promote a community forum for residents
- James has been appointed to represent Oldham Council on TfGM

6. Royton Regeneration Projects:

A consultation is underway in Royton Library showing options of landscaping to include the old Royton baths stonework to be sited close to the leisure centre car park. This will be in the Library until 13th June. Residents were encouraged to voice their opinions. Councillors asked if the consultation could be extended for a week.

Action: LC to ask if the stone work consultation in Royton Library can be extended

7. Public Questions

7.1 Why is Middleton Road being closed for 7 weeks from 6th June. Why couldn't it wait until the school holidays so there would be less disruption. This is causing very bad queues of traffic at the temporary lights and has disrupted the bus service which has been diverted.

Action: James to check alternative bus routes during the diversion

A: Would suggest that Lidl is working to specific timelines and this had to be done now. It is only a part of Middleton Road which is not closed but has temporary traffic lights installed and some inconvenience is to be expected.

7.2 Cars speeding on Cecil Street/Church Street

A: This has been noted and will be looked into

7.3 Will the 428 bus be coming back

A: Probably not. Cllr Roberts has taken this issue up previously and a local resident has also raised the issue with Jim McMahon MP who has spoken to the Chief Executive of TfGM on her behalf.

7.4 There have been tractors all over hauling trailers with mounds of earth, these are going very fast and are very wobbly. Exceeding 35mph and have been seen late at night.

A: Councillors are unaware of this issue but will try to find out what this relates to.

Action: Eve will try to find out from partners what the tractor issue is about

7.5 The old health centre land has been vacant for over 3 years and has yet to be developed. Given that it was reported that a local builder had had another piece of land repossessed by the council after not developing it within 3 years, why has nothing been done about the health centre land in the same timeframe?

A: The builder had many chances but broke conditions each time. Oldham Council used their side of the legal agreement and took back the land. As far as the Health Centre is concerned, we are waiting to get a business on here that we in Royton are all happy with. It

is anticipated that the land will be a more desirable development opportunity once LIDL is operational and work has been done to smarten up the Precinct.

7.6 A resident from Haggate spoke of a siren in her garden that was wanted for a museum.

A: There was an attendee at tonight's meeting from Royton Historical Society and he said that he would speak with the resident after the meeting to see if he could help at all

8. Any Other Business

A resident asked what the money would be spent on after the youth centre had been sold off. Councillors explained that funds would be returned to the central capital pot where it could be used for possible refurbishment of Royton Town Hall amongst other projects.

9. Date of Next Meeting:

Monday 18 July 2016, 6.30pm at Royton Town Hall

| PC Craig Dickinson | GMP |
| Members of the public x 11 | |
| Apologies | |
| Cllr T Larkin | Royton North |

1. Welcome and Apologies:

Cllr Roberts thanked everyone for attending and provided apologies from Cllr T Larkin

2. Minutes of the last meeting for approval:

The Chair requested a number of amendments be made to the minutes of the previous meeting, as follows:

Cllr M Bashforth update: The previous minutes state that Marie is now a representative of Holidays for Children. This is incorrect; Marie is representing the Council on the Board of Holidays for Children.

Cllr J Larkin update: The previous minutes state that James is now a representative of TfGM. This is incorrect and should state that James is a representative of the Council on the TfGM Board.

Public Questions:

7.5 The previous minutes do not provide an accurate representation of the situation. There has been some confusion around the issue which has been raised in the local press. Councillor Bashforth clarified that the site of the Old Health Centre is waiting for developer interest.

7.6 The previous minutes stated that a resident from Haggate had some tiling in her garden which was needed for a museum. It was confirmed that rather than tiling it was actually an air raid siren in the resident's garden.

Subject to the above updates the minutes were agreed as accurate by all.

3. Action Updates from previous Royton Community Forum:

6.1 LC to ask if the stonework consultation in Royton Library can be extended.

A request was placed asking for the consultation to be extended for a further week; ending on 17 June.

7.1 Cllr J Larkin to check alternative bus routes during the closure of Middleton Road

Cllr J Larkin confirmed that no alternative route was possible during the closure and that Middleton Road is now back open with no further disruption.

7.4 Eve will try to find out from partners what the tractor issue is about

LF confirmed that partners and police have both been asked about any issues being flagged and have heard nothing further.

LF requested that residents need to advise the Council of times and dates when tractors are observed. Resident advised that a tractor loaded with mud was observed last week on Dogford Road and that the tractors are moving at a high speed and so residents are finding it difficult to get details such as registration numbers.

4. Police Update:

PC Craig Dickinson attended the meeting to provide an update:

Speeding motorists have been a problem on Cecil Street and so police attention has been increased in this area with a motorbike recently being confiscated from a youth.

Police patrols have been taking place around Church Walk to deter ASB next to the old Youth Centre. Youths are sheltering under the overhanging roof during bad weather. Guinness Housing are looking into what can be done.

PC Dickinson advised that the Police are running a "A day in the life of a Sergeant" sessions where members of the public can visit the police station and will be provided with various scenarios to work through. The sessions are open to all residents and members of the Community Forum.

PC Dickinson requested that names and contact numbers be provided by those wishing to attend.

Resident asked if the Police still have lay visitors who check on people in custody. PC Dickinson confirmed yes and that anyone in custody is now also videoed. The resident advised that previously reports from lay visitors were provided by the Police and queried whether this still happens.

Action: PC Dickinson to investigate if visitors are still in place and if a report to the Community Forum can be given.

5. Councillor Updates:

Cllrs gave a flavour of the work Cllrs have been involved in since the last meeting.

Royton North:

Cllr Roberts:

Cllr Roberts confirmed that with regards to the vehicle activated signs: the poles have arrived and the signs should be installed and running soon.

Speeding complaints have been received from residents of Oozewood Road and councillors have agreed that a speed survey will be carried out.

Cllr Larkin:

Cllr Larkin confirmed that due to work commitments, he has had to step down from the Board of TfGM and confirmed that the Council's spokesperson on the Board now is Cllr Norman Briggs while Cllr Howard Sykes represents the minority party.

Royton South:

Cllr Chadderton:

Cllr Chadderton advised of action taken on the issue of parking around Royal Oldham Hospital. Question was asked at last week's Full Council meeting and Cllr Chadderton confirmed that the Council is working with the hospital since it will expand to become a super hospital for Greater Manchester and the problem will potentially get worse.

Meetings are to be arranged to discuss parking especially with the football season starting soon.

With regards to Royton & Crompton School: a report is being written by Council officers and a meeting is scheduled with the Education Funding Agency and the Department for Education to look into the funding for a full rebuild of the school.

The greenspace on Park St was discussed with complaints about congregating youths and ASB near the leisure centre being received. Cllr Chadderton confirmed that a meeting took place recently and have consulted with residents for the wooden fencing is to be moved back to stop the youths sitting on the fence and causing a nuisance.

A query was raised by a resident about what constitutes ASB and PC Dickinson advised that when congregations are in excess of 15/20 individuals that can be intimidating but is not necessarily ASB but if property is being damaged that then becomes ASB and should be reported to the Police.

Regular visits are taking place to concerned residents by police.

LF highlighted the amount of work being done with partner agencies with regards to ASB and that the level of problems within the District has dropped. Priorities around ASB were discussed and residents were encouraged to report ASB.

Residents can report ASB by calling 0161 856 50 50.

Cllr M Bashforth:

Cllr Bashforth provided an update on the lane where the furniture store burned down. Cllr Bashforth has asked a question at Full Council to see what can be done in regards to the owner since it is classed as a dangerous building and it was confirmed that OMBC is now looking into prosecution.

Cllr Bashforth thanked LF for all of her work on arranging swimming passes for Royton children over the summer holiday period, funded from the DE budget. Different

organisations that are working with children will provide passes for swimming. Sports activities will also be ran in the park.

Cllr S Bashforth:

Cllr Bashforth provided an update on the demolition of Bryon Street School, advising that this is imminent. The building has been on the market since 2009 for conversion, but no developer has come forward.

Demolition is urgently needed as it has become dilapidated and unsafe but Cllr Bashforth advised that artefacts can be rescued for safekeeping and that demolition should make the site better to sell.

Residents from Broadway have been complaining about speeding lorries but a speed survey has confirmed that they are not going over the speed limit. A 2nd survey to take place in a slightly different place to confirm this outcome. Cllr Bashforth felt it was important to look at getting the whole of Broadway down to 30mph to reduce the noise in early hours of the morning.

It has been asked if speed camera can be moved but this is not possible at the moment without further evidence.

Cllr Bashforth also advised that wagon drivers have taken to sleeping overnight at bottom of Edge Lane and Milton Street causing issues for the residents. Permanent measures are being looked into.

A resident asked about speed limit and signage coming off the motorway near Elk Mill and the signage. Cllr Bashforth agreed that 30mph is the limit.

6. Royton Regeneration Projects:

A resident queried the time limit for parking around the Health Centre. Cllr Bashforth confirmed that objections were received for the proposed 3 hour parking with a 3 hour non return proposal, which means that it needs to be reviewed; but that he was hopeful that this would happen soon.

Resident queried what had happened to the Wheel of Life artwork. LF confirmed it is in storage at Alexandra Park until a final decision is made where to put it.

7. Public Questions

7.1 What is going to happen to the Lidl entrance and exit on Sandy Lane on the bend?

Cllr Bashforth confirmed that Highways engineers have confirmed it is safe where it is.

7.2 The tree opposite the Town Hall is getting too large and obscuring the clock

Cllr Roberts confirmed that a conversation would be had around the possibility of pruning the tree but advised that this sometimes isn't possible due to the impact of pruning on certain species.

Action: Cllr Roberts to ask for the tree to be assessed.

7.3 Is the road on Glenn View going to be widened? A 2-3ft trench has been dug out on the left hand side.

Cllr Larkin will email FCHO to investigate.

Action: Cllr J Larkin to email FCHO to investigate

7.4 The concrete pillars near Boyes store have all been knocked down and are in danger of causing injury to pedestrians

District Team to investigate

Action: District team to investigate

7.5 Resident thanked the Councillors and officers for sorting out the potholes at the back of Garden Terrace

7.6 Where are the stones from the Baths going to be placed?

Following consultation, maintenance costs are now being considered.

Cllr Bashforth advised that much thought needs to go into the maintenance and security of the final position and the stones are going to be securely anchored in concrete.

7.7 When the Health Centre was built it was on basis that all health services were to be co-located in the building. Now District Nurses have been moved out and the service is deteriorating. Nurses are now based in Glodwick and the travel is causing some appointments to be missed.

Residents requested that Cllrs raise this issue with the Clinical Commissioning Group which was confirmed by Councillors.

Cllr Roberts requested that someone from the Clinical Commissioning Service attend the next CF meeting.

Action: District Team to invite member of Clinical Commissioning Service to next Community Forum meeting

8. Any Other Business

The old youth club has been bought by the Doctors Surgery. It was confirmed that the Doctors in the precinct will move into the old youth club building when it has been refurbished.

Medical Centre is privately owned so not known what is happening with the old surgery location.

Police asked about what is happening with the Kick Pitch? Cllrs confirmed that was not possible to relocate the pitch and the site has now been sold.

Resident advised that he had watched the Full Council meeting last week and said it was disappointing with not much time being spent speaking about issues which directly affect Oldhamers. Cllr Bashforth agreed that sometimes Council can seem out of touch.

Cllr Roberts provided a brief explanation about the three weekly bin collection and highlighted that leaflets had been sent out with information in them about the changes to the service. If residents had any further questions (e.g. about getting larger bins) they were asked to get in touch with their local councillors who will follow up the issue as needed.

A resident questioned why don't politicians listen to the residents?

Cllr Bashforth responded to this saying sometimes information is not provided quick enough which can be a problem.

1. Welcome, introductions and apologies

EE opened the meeting, thanked those in attendance and apologies were noted; It was highlighted this meeting is clashing with an Overview and Scrutiny meeting therefore Councillor M Bashforth is unable to attend.

2. Minutes from previous meeting 21st June 2016:

The group agreed the minutes with amendment to item 3.1 as follows; walking poles available at Royton Town Hall are walking poles not Nordic Walking Poles.

3. Updates and matters arising from minutes

2.5: Councillor J Turner confirmed meetings have taken with Ambition for Ageing with an application to Ambition for Ageing fund scheduled to be submitted.

4. Intergenerational working

- Full Circle and District Team are progressing work to set up youth provision at the groundsman hut in High Crompton Park on Thursday evenings. As part of this work

there are discussions taking place in terms of Children and the Bowling Teams working together.

- Following the success in Dunwood Park, Amanda from Café Mandels has expressed an interest in starting another community café in High Crompton Park; initial investigation work is taking place supported by the Royton, Shaw and Crompton District Team.
- Friends of Dogford Park; are engaging with young people from local primary schools to involve them in the planting of fruit trees and bulbs in Dogford Park.
- EE is arranging a networking day for community groups in Royton, Shaw and Crompton, with the view of holding the initial meeting in the New Year. EE is also undertaking work to create a timetable of community activities in all 3 wards, this will also link to the asset mapping which is being completed by Ambition for Ageing in the Crompton ward.

5. National Diabetes Prevention Programme – Julie Holt

JH took the group through a presentation (circulated with the minutes) highlighting the following;

- Launch of a new national Diabetes Prevention Programme this project is part of 'Healthier You'; aimed at people at risk of developing type 2 diabetes.
- Oldham CCG is the lead organisation; Independent Clinical Services (ICS) has been appointed as the service provider for Oldham; OMBC Public Health team is supporting with implementation of the project.
- JH flagged the cost of diabetes treatment to the NHS and highlighted risk factors associated with diabetes.
- JH highlighted studies which suggest lifestyle changes may delay or prevent type 2 diabetes.
- The clinical support and behavioural intervention will be underpinned by three core goals: Weight loss, dietary recommendations and physical activity recommendations.
- The intervention will be long term, consisting of at least 13 sessions, this will be spread across a minimum of 9 months, for a minimum of 16 hours contact time
- People referred in to the service will be supported to set and achieve goals which make positive changes to their lifestyles
- Any questions in relation to this item can be emailed to julie.holt@oldham.gov.uk

Action:

JH requested suggestions for possible venues for the Diabetes Prevention project to be delivered from to julie.holt@oldham.gov.uk

6. Ambition for Ageing; Jacqui Greenfield

JG gave an overview of the Ambition for Ageing work; historically to date, with the following noted;

- Ambition for Ageing is running in the Alexandra, Crompton and Failsworth West wards
- Encourage people to set up, establish and sustain activities for residents over the age of 50; to be led by the residents themselves. Ambition for Ageing offer funding and support to get established supported by the District Teams.
- One of the successful groups in Crompton is a table top games and social afternoon session at Hopwood Court. More recently funding has been agreed in Crompton for the following:
 - Sweetbriar Gardening Club
 - Additional print of Crompton community leaflet to distribute to all households
 - Indoor curling set for Hopwood Court
 - Dunwood Park stroll and crafts
 - Flower arranging workshop at Sweetbriar House

- OCL are able to provide vouchers for people to attend the Royton leisure centre should there be a group interested in swimming.
- It was highlighted transport is a major barrier for people accessing activities as they struggle to get to venues

7. Health and Wellbeing projects

7.1 Slimmin' without Women

- LC updated the group of Cllr Chris Gloster's continued success losing 31/2 stone to date. Group discussed venues to re run this project in Royton and Shaw next year, drawing discussions to a close it was agreed; people who have run this class previously would be best placed to advise on venues and timing; therefore the group agreed EE/EF will pick up these discussions and feedback at the next meeting.

7.2 Reducing Social Isolation

- Chat and Craft sessions began in Royton today, morning session was cancelled due to lack of take up however afternoon session is full; to note 3 of these people are new starters.
- EM from Making Space handed out promotional material for groups currently running across Oldham; to be shared with the minutes.

Report to Royton District Executive

Petition regarding trees at Glenn View and All Saints Close, Royton.

Officer Contact: Nik Anderson Oldham Council, Ric Dawson
FCHO

Report Author: Liz Fryman
Ext. 5161

10 October 2016

Reason for Report

To update the District Executive regarding progress following the receipt of a complaint about trees at Glenn View and All Saints Close.

1 Background

- 1.1 The council received the attached petition on 27th May 2016.

The petition was submitted as a letter of complaint and outlined the problems residents at Glenn View and All Saints Close have encountered due to trees on land close to their properties. The letter was signed by eighteen residents.

- 1.2 The land identified is owned by FCHO (First Choice Home Oldham) and they have a contract with Oldham Council for maintenance and management.

2 Current Position

- 2.1 The Council Constitution requires that the District executive meet with 21 days of receiving a petition and make its recommendation. In line with this requirement, the District Executive petition meeting took place on Tuesday 31st May. It was agreed that as Oldham Council are contracted by FCHO to maintain the trees on this piece of land, Nik Anderson, Senior Arboriculture and Agriculture Officer would contact the lead petitioner and arrange to meet the residents on site, along with the relevant FCHO officer.

Following this meeting, it was recommended that Nik Anderson would draw up a specification of works, to be agreed with FCHO. This will then be shared back with residents.

- 2.2 A letter was sent to the lead petitioner on 1st June 2016 explaining that the District Executive had met and outlining what the recommendations were. This was followed by a letter from Nik Anderson and Ric Dawson (FCHO) on 17th June, asking the lead petitioner to make contact, so a meeting could be arranged on site.

3 Update

- 3.1 Ric Dawson, FCHO spoke with the lead petitioner on Monday 4th July to discuss possible meeting dates.

- 3.2 Ric Dawson and Nik Anderson subsequently met with the lead petitioner who went through the issues regarding the trees. FCHO then placed an order with Nik Anderson to get the necessary work done, which was completed on 28th August 2016.

The work completed for FCHO at the rear of Glen View was to fell one beech and one sycamore, as well as significant pruning to 4 x beech trees. There were another three trees that were affecting residents but we were unable to attend to them as they are now within private ownership.
