3. Action Updates from previous Royton Community Forum:

8.1 - Parking issue at Rochdale Road/Firbank Road – Highways have been to site and confirm that cars are partially parking on the footway at Rochdale Road/Firbank Road but suggest that a buggy or wheelchair could get through. Highways could put down yellow lines but this has been approached previously and there were too many objections and would only move the parking issue to another area of Royton.

Craig (GMP) has been to speak to residents and has given advise around parking, where he has requested that vehicles park on the same side as the houses where possible. There have been no further sitings of parking on footpaths in this area.

4. Police Update:

PC Craig Dickinson attended the meeting to provide an update:

7. Royton Regeneration Projects

Nothing to note

8. Public Questions

8.1 Is the council selling land at Castleton Road

A: Yes (opposite the Puckersley)

8.2 The wedding that was held at The Spindles were told they couldn't take photographs. It is a shame and would have been great for Oldham. Why were they not allowed to take photographs.

A: Spindles is privately owned and it is their decision

8.3 If Thornham Mill came down, would that be brown land

A: Yes it would. Environmental have already been in here and this could be put down for rebuild but it's not in their interest

8.4 How much brown field do we have

A: Unsure and this is being looked at. Royton councillors have been pushing on this. Planning department say that all brown field has been accounted for. The Council cannot force people to sell any old building or land, this is a hugely complex area said Cllr Steve Bashforth

8.5 What would be built on the Byron Street land

A: Houses. Royton councillors have been clear about how many and what type of homes are to be built here as much as they are able.

8.6 Angela Avenue – Garages on private land. Issues with cars parking up, blasting music, leaving litter, smoking, possibly drugs. Residents have requested help to put up a barrier, they are willing to contribute to this.

A: The issue here has been reported many times. Royton councillors cannot fund as this is private land but Cllr B Brownridge has said that help can be given to residents if they are getting some money together.

Craig will give his details to residents and will try to come out almost immediately if able. Craig and Paul (GMP) to call next Wednesday to give this area some attention.

Action: Resident to give her details to Liz Fryman regarding Angela Avenue issues/barrier

8.7 St Philip's Drive needs resurfacing. Told by Highways that there is an issue with the cobbles, so the hole isn't large enough.

A: Cllr Chadderton to request Highways revisit and report back to members

8.8 Fly tipping at Angela Avenue/St Phillips Drive

A: A barrier could stop this problem

8.9 What is happening with the Football cages (MUGA) on Chapel Street

A: The MUGA has been sold with the site. It is believed that this will be taken down and sold by the new owner and the site will become a car park

8.10 What will happen to the old medical centre

A: This is a privately owned building

9. Any Other Business

Nothing to note

10. Date of Next Meeting:

Monday 13 March 2017, 6.00pm at Royton Town Hall
