1 **APOLOGIES FOR ABSENCE**

There were no apologies for absence received.

2 **URGENT BUSINESS**

There were no items of urgent business received.

3 **DECLARATIONS OF INTEREST**

Councillor Garry declared a personal interest in Item 8 – Partner Updates, by virtue of her husband’s employment with Greater Manchester Police.

4 **PUBLIC QUESTION TIME**

Three public questions had been received, however as there were no members of the public present to receive a response to two of the questions, it was agreed that a written response would be provided.

1. Mr Antony Cahill, 79 Ravenoak Drive, Failsworth, Oldham

“In the Budget report it states that a total of £2955.04 was spent on improvements to Ravenoak Drive. £1477.52 from Councillor McMahon and the same amount from Councillor Briggs.

As a resident of Ravenoak Drive and talking to my near neighbours the only improvements were to fencing at the rear of houses on Roman Road that back onto Ravenoak Drive. The top concrete slabs were replaced and one side of the fence was painted brown. There were 21 of these slabs and they can be priced at £10 each. This comes nowhere near the previously mentioned figure.

There are no other improvements on Ravenoak Drive. Separate money has been put aside for the removal of a Virgin Media Box. Trees behind my house had their branches trimmed by a business owner from Phoenix Mill, because they were on un-adopted land. Residents paid for their own garden trees to be trimmed down. Other fencing near to the park was completed over 2 years ago.

At no point am I calling into question the integrity of the two Councillors mentioned or indeed people sitting here in front of me. It just appears that someone is trying to pull the wool over

someone's eyes to the detriment of the residents in and around Ravenoak Drive.

Could you therefore look into this matter and obtain what was done with this money. If I am totally wrong then I will be happy in the knowledge that the people received the right amount of work on improvements."

It was reported that there had been difficult relationship issues between the residents of Roman Road and Ravenoak Drive. Roman Road residents had painted the fence with anti-vandal paint and Councillor McMahon had been contacted by residents of Ravenoak Drive to remedy the situation.

The Council had adopted the highway that adjoins the fence but didn't own the fence itself and there was a dispute over ownership. However, the Council intervened and replaced posts and fence panels with the anti-vandal paint. It also funded the removal of the Virgin Media Box. This was therefore the true cost paid to an approved contractor. Furthermore, some signage work was still to be completed.

5 **MINUTES OF PREVIOUS MEETING**

RESOLVED that the minutes of the meeting held on 28th January 2016 be approved as a correct record.

6 **PETITIONS**

No petitions had been received.

Oldham Division, Integrated Neighbourhood Policing

Report Dates 2nd March 2016 – 26th May 2016

Prepared by: PS 19035 Paul Archer & O.S.O. 62279 Diane Bradley

Date: 26th May 2016

Report Dates 2nd March 2016 – 26th May 2016

Anti-social behaviour

Anti-social behaviour (ASB) includes a range of issues. Behaviour can be anti-social because it is capable of causing nuisance or annoyance to both individuals and the wider community.

Within the Borough of Oldham we have a strong partnership led approach to tackling ASB and the causes of it preventing it from reoccurring. This partnership approach includes police, local authorities and social landlords. These agencies have wide ranging powers to effectively tackle this problem.

Blow the whistle on crime – Rat on a Rat!

Anti-Social Behaviour Issues Update:

We have had a decrease in ASB reported to the police over the last couple of weekends.

Isolated incidents reported

The Metrolink Stop on Hardman Lane and an incident on Alder Road with youth starting fires during the early evening time .

We have had incidents of ASB reported, at locations such as Morrison's, Tesco's and The Millgate public house. The later location has been a repeat caller reporting youths on the roof of the building. We identified some culprits and they were taken home and advised in the presence of parents.

A policing patrol plan remains in place in Failsworth to help combat ASB in the area .There has been a marked fall in ASB reports at the St Johns Church / Church Street area.

Particular areas our officers pay attention to are as follows:

- Failsworth Higher Memorial park and the retail zone.
- Hoys shop on Ashton Road East junction Church Street.
- Failsworth Pole area particularly to the side of the Crown and Cushion.
- Car Park at the side of the Royal Oak Failsworth Pole.
- Grounds of St Johns Church Oldham Road.

Our Policing style is open, firm and fair and in proportion to the situation / Incident that we are facing at the time.

The Street pastor team and the detached youth workers are our partners and should be viewed by all staff participating in this initiative as essential components supporting the overall objective of reducing ASB. In effect we have around 10 extra pairs of eyes out on the ground and they are a valuable resource.

Failsworth Neighbourhood Policing Team in Partnership With Oldham Council

On May 9th 2016 a new policing model came into operation.

As part of the new Neighbourhood model implementation at Oldham Pc Lee Cullen moved from the NBO role for Failsworth West. PC Mohammed Kashif (mohammed.kashif@gmp.police.uk) has replaced him as the NBO for Failsworth West. The new policing model will move to better integration between Police, local Council and the voluntary sector.

Under the new policing review the weekly Failsworth Policing patrol plan will continue as normal , Failsworth West NBO Mohammed Kashif will collate and disseminate the document.

OLDHAM LOCAL POLICING MODEL

More Police / PCSO's on the streets of Failsworth Hollinwood & Limeside!!!

On May 9th 2016 a new policing model came into operation. Response Officers will no longer exist instead they will be Neighbourhood Police Officers and will be allocated to an area. This means that when they are not dealing with emergencies they will default to their areas. This should mean more Officers in Failsworth , Hollinwood & Limeside .

Crime Prevention Advice

Homes with no security measures in place are five times more likely to be burgled than those with simple security measures. Good window locks and strong deadlocks can make a big difference.

Taking just a few steps can make a big difference in keeping your home safe from burglary. Here are a few tips:

Lock your doors and windows every time you leave the house, even when you're just out in the garden, remembering to double-lock UPVC doors (lift handle and turn key)

1. Hide all keys, including car keys, out of sight and away from the letterbox (remember a device could be used to hook keys through the letterbox)

2. Install a visual burglar alarm

3. Install good outside lighting

4. Get a trusted neighbour to keep an eye on your property

5. Leave radios or lights in your house on a timer to make the property appear occupied

6. Make sure the fences around your garden are in good condition

7. Secure bikes at home by locking them to an immovable object inside a locked shed or garage

8. Keep ladders and tools stored away; don't leave them outside where they could be used to break into your home

9. Ensure side gates are locked to prevent access to the rear of the property

10. Ensure rear fencing is in good repair

Improve natural surveillance at the front of your property i.e. trim high hedges

11. Mark your property with postcode and house number and register your property for free with [Immobilise](#)

12. Consider joining or forming a [Neighbourhood Watch scheme](#)

13. Remove valuables from view of ground floor windows

14. Store any high value items (i.e. jewellery, passports) in a properly secured safe or bank vault
