5 MINUTES OF PREVIOUS MEETING

RESOLVED that the minutes of the meeting held on 12th June 2018 be approved as a correct record.

6 EAST OLDHAM CITIZEN'S ADVICE UPDATE

Consideration was given to a report of the District Co-Ordinator which set out the activity delivered by the Citizen's Advice Bureau (CAB) from NEON during 2017/18. Members were informed that the service has been running from Holt Street for the last 6 years, and the main focus of the advice and support service is to help people with debt and welfare benefits problems.

Members were advised that the service is available every Thursday as a drop in session and that over the past year, 290 clients have received help including 258 who received detailed advice and/or complex casework, plus 32 with simple one-off issues.

Members were given a breakdown of the client geography and it was noted that the highest percentage of clients came from the East Oldham Area and that St. James and Waterhead were the biggest wards with 47 and 91 clients respectively. Members asked about those who use the service from out of the Borough, and were advised that the CAB will still try to help those in need but they will point them in the right direction for help. It was noted that those in need tend to look for the closest date available.

Members asked whether the introduction of Universal Credit had influenced the number of users of the service. Members were advised that there had been a big spike in April to June 2017, however this has since levelled out.

RESOLVED that the report be noted.

7

THRIVING COMMUNITIES PROGRAMME UPDATE

Consideration was given to a report of the Strategy, Partnerships and Policy Manager which gave an overview of the Thriving Communities programme.

Members were informed that the Thriving Communities programme is part of the Oldham Cares programme (health and social care devolution) and is primarily about moving the health and social care system into a place that values and invests in early intervention and prevention, community based solutions and social action.

Members were advised that the programme is structured into four main areas:

1. Insight – identifying existing community assets and building good practice.
2. Leadership and Workforce – reshaping the way leadership and workforce development is undertaken across the Borough.
3. Social Action and Infrastructure – creating the conditions and opportunities for people to improve their lives through social prescribing supported by Asset Based Community Development work.
4. Thriving Communities Hub – building a real entity which drives positive change across the system in health and wellbeing outcomes for people across Oldham.

Members were informed that the programme had already been rolled out in Oldham West with 60 assets are engaged with more to be expected. It was noted that social prescribing is now active in three GP surgeries and also within the Integrated Multi-Disciplinary Team, referral pathways are being developed across Oldham West and will build upon the positive work from partners such as Mind and Early Help in their role. It was noted that Oldham East would be the next area to look at.

RESOLVED that the report be noted.

EAST OLDHAM DISTRICT TEAM AND DISTRICT PRIORITIES UPDATE

Consideration was given to a report of the District Co-Ordinator which provided an update on the work of the District Team, and overarching priorities for the district going forward.

Members were advised that the team were involved in writing a bid for funding to the Department for Education to support the Holiday Activities and Food Programme which would provide enriching activities for families and young people along with healthy food. It was noted that the bid was unsuccessful, however £18,500 in funding had been obtained from the Growing Oldham Feeding Ambition partnership and the Oldham Education Partnership to pilot activities. Members were informed that the funding would be used to enhance activities already planned at a number of location including:

1. Sholver – four days a week, two days at St. Thomas School and two days at Sholver Community Centre.
2. Derker – four days a week, two days at Stoneleigh Park and two days at East Oldham Methodist Church.
3. Clarksfield - four days a week, delivered from St. Barnabas Church.
4. Hathershaw – five days a week, one day at Broadfield School pitch and four days at Belgrave Mill.

Members noted that the information gathered from these activities would be used to provide a large scale bid for 2019.

Members were informed that the District team has supported the Sholver and Moorside Community team in accessing Kerching funding of £5,000 to allow engagement work in the area. The team have also begun work on a phase of more intensive community engagement work in the area of Clarksfield / Roundthorn with the aim of building trust and developing a network of individuals within the community to work with in the future.

Members were advised on the current district priorities that had been agreed for a two year period in June 2016 and were asked to consider whether they wished to retain the same priorities for 2018/19.

RESOLVED that:

1. The report be noted.
2. The District Plan Priorities are retained for 2018/19.

EAST OLDHAM BUDGET UPDATE

Consideration was given to a report of the District Co-ordinator which set out the current budget position and recommendations on funding allocations.

Members were informed that the District Executive has funded the provision of Off the Record selling services for young

people for a number of years. It was noted that this provision is the only one in Oldham. Members stated that all the Districts should help with the funding of the service and that more funding would allow for more sessions. Members requested that consideration for funding be brought back to the next meeting of the District Executive.

RESOLVED that:

1. The updates on the budget be noted.
2. The District Executive agree to the following allocations:
 - a. C.A.B provision - £7000
 - b. Clarksfield Community Group - £2076.

10

PETITIONS

The District Executive gave consideration to a petition which had been received:

- Reference 2018-09: Rear of Park Road/Brompton Street Road Surface (St Mary's Ward) received on 12th June 2018 with 124 signatures

RESOLVED that the petition be noted.

3. That the District Executive discuss and approve the revised District Plan for 2018-2020 (appendix one)

East Oldham District Plan and Budget Update

1 Background

- 1.1 Oldham has agreed key strategic plans that set out the vision and ambition for the Borough – The Oldham Plan, the Corporate Plan – which provide the framework for priorities and how we aim to meet them.
- 1.2 Each District Executive has agreed a District Plan, which provides a framework to align actions and budgets against priorities at a local level.

The current East Oldham District priorities, agreed for a two year period in June 2018, are as follows:

1. **Improving the Environment** - Support communities to improve, enhance, and maintain the local environment
2. **Anti-poverty and Supporting People in Need** - Support local hubs and services that people can easily access
3. **Improving health and well-being** - Support local people to adopt healthy lifestyles
4. **Community Engagement and Activities** - Encourage co-operative activity and build community capacity
5. **Open Space, Community and Recreational Facilities** - Improve and develop high quality open spaces for the local community, and support the development of local centres for community activity
6. **People feeling safe in their local area** - Work with partners and communities to foster safer neighbourhoods

2. District Executive Budgets 2018/19

Budgets	
Revenue:	£40,000
Councillors (Revenue):	£60,000 (£5,000 per Councillor)
Total Revenue:	£100,000
Capital budget:	£40,000

3 Funding Recommendations

3.1 Off The Record Counselling Service

The District Executive has funded provision of counselling services for young people for a number of years. This activity is delivered from NEON.

Following the July District Executive, a meeting has taken place with Off The Record, to ensure that an appropriate mechanism is in place for referrals, to ensure that future referrals can only come from the Wards of East Oldham funding this initiative.

Members are asked to consider whether they would wish to extend the counselling provision at NEON and, if so, how this would be apportioned between budgets.

12 months of provision would cost £6,762

An alternative option of 18 months provision has also been provided, at a lower per session cost, total charge of £9,375

Adding room hire for NEON results in costs of:

12 months – **£7,662**

or

18 months - **£10,725**

3.2 Grit Bins

In previous years, grit bins placed in addition to those determined via the main scheme have been funded through the District Executive budget. If these bins are required again this year, an allocation would be needed to cover these costs, as follows:

St James' Ward - **£1,791.36** for six locations :

- Whetstone Hill
- Rosedale Close
- Haugh Hill Road
- Spring Hall Rise
- Titian Rise
- Verne Drive

Waterhead Ward - **£1,194.24** for four locations :

- Ronald Street
- Hollinhall Street
- Clarksfield Street
- Jackson Mews

It is recommended that the District Executive give consideration to the funding of the above, from the revenue budgets apportioned to the appropriate Ward, for a total of **£2,985.60**

3.3 Period Poverty

Following on from the motion passed at Full Council, the District Team are looking to co-ordinate activity within the area to support a scheme around access to sanitary products for people in need. Ideas are still being developed around this, but an initial pot of funding to allow quick action would assist in trialling different approaches.

An allocation of **£2,000** is requested towards this work. This would comprise of £500 revenue from the revenue budgets apportioned to the Alexandra, St Mary's and Waterhead Wards, along with an allocation of £500 from the St James' Councillor funds.

3.4 **Derker Tree Planting**

Following a recent walkabout by Members, a request has been received to remove trees on Melrose Street, and plant a total of six new trees.

It is recommended that the District Executive agree to an allocation of **£1,970**, to come from the capital budget apportioned to the St James' Ward.

3.5 **Hathershaw Alleygates**

As part of works to improve the local environment, residents have requested additional gating between Villa Road and Crete Street.

It is recommended that the District Executive agree to an allocation of **£2000**, to come from the capital budget apportioned to the Alexandra Ward

3.6 **Alexandra Ward Grass Verge Works**

The Alexandra Ward Members have received numerous complaints relating to the condition of grass verges in parts of Alt and the wider area.

Consultation is to be carried out with residents as the potential options around improving this situation, either reinstating and protecting these verges, or providing hard-surfacing, as appropriate.

It is recommended that the District Executive agree to an allocation of **£5000**, to come from the capital budget apportioned to the Alexandra Ward. This will add into capital funding allocated in 2017/18, to allow for a larger scale scheme to take place.
