The inputs were held with year 6 pupils at 9 local primary schools.

The Failsworth Hollinwood and Limeside Team delivered several hampers over the festive period to residents in the area. We would like to thank local businesses for their contributions.

A big thank you to Rose at Tesco Failsworth for donating selection boxes and also a special thank you to a local lady who kindly donated handmade sweet cones to hand out to children at a local woman's refuge. A dark house is a green light for burglars- don't get caught out during the dark nights and winter months. so please prepare your home for darker nights by following these simple steps. Light up your house and keep it secure :

- Use a light timer when out to give the impression someone is at home.
- Set your house alarm when you go out day or night and especially when you are in bed.
- Lock all windows and doors even when you are at home.
- Close your curtains if out when your timer lights comes on.

OR THIS ONE ?

BURGLARS LOVE THE DARK

Keeping them out need not break the bank or cost the earth.

For a penny a day you can leave a low-energy lightbulb on mid-afternoon to late evening in winter to deter burglars.

It could save you coming home to a nasty shock.
