Decision Maker	Decision Type	Date
Councillor Roberts, Cabinet Member for Co-operatives and Neighbourhoods In consultation with Helen Lockwood, Executive Director Economy, Skills & Neighbourhoods	Key Decision	13 February 2020

Report on Update of Sites of Biological Importance

Decision (s): To adopt the changes to the SBIs listed in Table 1

Exempt/Confidential Report		No
Key Decision	Yes	

Reasons for the decision(s)

The reason for this decision is to adopt changes, which have occurred to designated Sites of Biological Importance (SBIs) within the borough.

Options/Alternatives considered

Option 1 – To adopt the changes to the SBIs listed in Table 1. The advantage of this option is that the changes to SBIs will be subject to the principles set out in National Planning Policy Framework (NPPF) to avoid, mitigate and as a last resort compensate any harm. There are no disadvantages to this option. If development was proposed it would be expected to comply with NPPF and Local Plan policies.

Option 2 – Not to adopt the changes to the SBIs listed in Table 1. There are no advantages to this option. The disadvantage is that boundary changes will not have been adopted and therefore the full extent of the SBI's may not be given due consideration under NPPF and the Local Plan.
