You need to complete the boxes below as fully as possible. If you do not, then the Licensing Panel may not understand why you have objected.

Try to be as specific as possible and give examples such as “on 1<sup>st</sup> February 2021 I could hear loud music from the premises between 10pm and 1am. I am concerned that if the premises is allowed to open until 2am this will cause further public nuisance to me and other residents on the street”

#### The Prevention of Public Nuisance

*Please state the reasons you believe granting the application will undermine this objective*

There have been events previously such as North Fest, and “raves” which the applicant hasn’t notified the residents of. In this case, the music has caused disruption for the whole weekend. The loud music is insufferable, as there is no area in the house which the music can not be heard. And when I say loud, it felt like the house was shaking. Although I understand that the events such as North fest are irregular. I am concerned that in a residential area, if this was to be a weekly thing of “regulated” entertainment, the applicant will continue to not consider the residents around his premises. And the loud, excruciating music will be heard continually, into the night.

The premises is surrounded by residential houses, and our house backs onto the outside area. We are not able to open our windows and there is literally no way of avoiding the noise. As I have already experienced, on a weekly basis, as well as the rest of the people who live here have.

I would have to consider moving properties if this was to go ahead.

Litter has also been a problem with glass bottles, pint glasses and also smashed glass being left on the pavements.
