 I object to the application being granted in its current form\*

\*if you choose this option remember to tell us in Section 4 what changes you would like to see

### Licensing Objectives

#### The Prevention of Crime & Disorder

*Please state the reasons you believe granting the application will undermine this objective*

The proposed premise is in an area that faces high harms in the community due to alcohol use. It has an existing high density of alcohol licensed premises in the area. The application to have a store which will give the local community access to purchase alcohol from 6am is seen as problematic. This area ranks highly in Oldham for high rates of anti-social behaviour incidents and ranks 5<sup>th</sup> highest for alcohol related crimes.

#### Public Safety

*Please state the reasons you believe granting the application will undermine this objective*

This area also ranks highly for domestic violence related incidents due to alcohol and is the 3<sup>rd</sup> highest for alcohol related A&E admissions.

#### The Prevention of Public Nuisance

*Please state the reasons you believe granting the application will undermine this objective*

#### Protection of Children from Harm

*Please state the reasons you believe granting the application will undermine this objective*

### Section 4 – Suggestions

*(please provide any suggested conditions that could be added to the licence if granted which would remedy the cause of your representation, or other suggestions you would like the licensing panel to consider)*

1. Due to the disproportionate harms faced by the local community due to alcohol, the responsible authority would recommend changing the hours of which alcohol sales were permitted from 9am -23.00pm
