

Briefing Note

Saddleworth and Lees

F.A.O. Lisa MacDonald

Proposed Prohibition of Waiting and Bus Stop Clearway Order - Dobcross New Road, Dobcross.

1 BACKGROUND

The purpose of this Briefing Note is to seek the views of the District Executive on the proposal to introduce prohibitive waiting restrictions and a bus stop clearway order on Dobcross New Road. A copy of the delegated report detailing the reason for the proposal is attached. Councillors have been consulted and their comments are attached at appendix 1

2 RECOMMENDATION

It is recommended that the District Executive confirm if they support the introduction of prohibitive waiting restrictions and a bus stop clearway order as detailed in the attached report. If they do not support the proposal then a relaxed proposal to introduce the bus stop clearway element only, should be considered.
