### Anti-social behaviour

Anti-social behaviour (ASB) includes a range of issues. Behaviour can be anti-social because it is capable of causing nuisance or annoyance to both individuals and the wider community.

Within the Borough of Oldham we have a strong partnership lead approach to tackling ASB and the causes of it preventing it from reoccurring. This partnership approach includes police, local authorities and social landlords. These agencies have wide ranging powers to effectively tackle this problem.

## OP Tuscan Updates & Statistics

OP Tuscan has been running on Fri/Sat evenings since July 2014 and has seen a significant drop in ASB. Councillors, a reporter from the Oldham Chronicle, Fire Service volunteers and Police Cadets have all taken part in the operation alongside Police Officers and PCSO's. The on-going success of OP Tucan has now led to the operation being rolled out weekday nights too.

The aim of the Operation is to interact with youths and reassure the public that ASB will not be tolerated. Thank you to all our Councillors and other agencies who have joined us in making this operation a huge success. Operation Tuscan will continue to run for the foreseeable future to target hotspot areas.

### **Good News Event - New Youth Club**

## **Failsworth youth club**

A new youth club has been opened at the Failsworth Town Hall, Oldham Road, Failsworth. The youth Club is a joint venture with a number of partners coming together. Oldham Council and the Failsworth Neighbourhood team have worked closely together on the project and have been supported by youth service providers including the Street pastor team and the detached youth workers.

Failsworth Youth Zone runs from the top floor of Failsworth Town Hall every Friday from 6.30pm to 8.30pm for 12 to 16 years olds. Pc Lee Cullen organiser and Failsworth Neighbourhood Beat Officer is thrilled by the initial success the youth zone has created. This has been a joint effort from council leader and Failsworth East councillor Jim McMahon, parents and members of the public have also made substantial donations ranging from Pool and Table tennis tables to offers of volunteer support. Tesco's have made donations which have included pens, pads, and footballs and provide weekly drinks to the club. If the success continues it is hoped the youth club can be extended to also include Saturday evenings, since the youth zone has opened anti-social behaviour in the area has dropped significantly.

On the first night of the club opening there were 98 children who attended and this swelled to 138 on the second week and the ages ranges of members is from 12 -16 years.

Great Team Effort And Big Thank You - Pictured, Sam Lewis (front left) chairman of Failsworth & Hollinwood Youth Forum, Bridget Miller (Tesco) for the clubs donations , council leader Jim McMahon & representatives from Failsworth Neighbourhood policing team , helpers and volunteers. Also pictured an item kindly donated by a Failsworth resident for the new Failsworth Youth Zone.

We are looking to form a volunteer group to assist with the running this exciting new venture. We are looking for people of all ages who would be prepared to work preliminarily on a Friday Evening between 6 and 9 to assist with both the setting up phase of the club above and then to assist the in-house team in delivering a great night for the youth group followed by a short clean up.

## **Crime Prevention Advice**

### **Distraction burglary**

Distraction burglary is any crime where a falsehood, trick or distraction is used to gain access to a property to commit burglary.

Victims of distraction burglary can suffer terribly both emotionally and physically.

Violence is increasingly being used by offenders against the elderly in order to gain entry to their homes and steal their property. Unfortunately, some victims suffer a decline in health and even die as a result of the trauma caused.

“Did you know...?”

The average age of a victim of distraction burglary is 81-years-old.”

#### **Crime prevention advice:**

- If you're not sure who is at your door, don't open it. Check the identity of the caller by calling the company they are purporting to be from i.e. gas, electricity, water, police. Use the telephone numbers listed in your local directory or provided independently by your service provider - Do not use any telephone numbers provided by the caller - they may be bogus.
- Telephone a neighbour or friend nearby to come along and check out the caller before you open the door to them. Some areas in the country have “nominated neighbour schemes” you can sign up to. Check with your local police to find out if there is one in your area.
- Many service providers provide password schemes, sign up to these. When unannounced callers knock at your door they should know the password if they are genuine.
- The “Water board” no longer exists, it is an obsolete phrase used only by bogus callers.
- Don't keep large quantities of cash at home; put it in the bank where it is safe.
- Keep doors locked and windows secure at all times.
- Ensure that if you do let somebody in to your home, that you close the door behind them - distraction burglars often work in teams, where one will distract you whilst others sneak in through the insecure door.
- If somebody asks for your help - needs to make a telephone call, lost a ball in your garden, needs a drink or pen and paper for example, refer them to a younger neighbour or assist them through a closed door. Alternatively, call a friend or neighbour to come and assist.
- Not sure? Don't open the door.
