

MINUTES

In Attendance	
Liz Fryman	District Coordinator
Cllr D Williamson	Crompton Ward
Cllr B Judge	Royton North Ward
Phil Bonworth	Community Safety
PC Mark Dyer-Turk	GMP
Donna Wheeler	PCSO
Karen Lord	PCSO
Linda Cain	Business Support
Apologies	
Lynda Winrow	Youth Development Officer

1. Welcome and Apologies:

Liz Fryman thanked those in attendance and gave apologies.

2. Update on actions and progress:

2.1 Graffiti at skate park – Lynda Winrow working on graffiti project with young people in Shaw. Environmental Services cleaned the ramp when asked, but this was graffiti'd again straight away.

Environmental Services view is that that the ramp cannot be used for a 'graffiti project' as this would encourage further vandalism.

Action 1: PB will speak with Chadderton District Team, where a graffiti project has been done before.

2.2 Durden Mews – GMP only had 2 reports, FCHO haven't responded, not a big problem at this time.

Problem with garages at Ashworth Court last year – Meetings were had to secure the building and funding was okayed but heard nothing back.

Action 2: LF will raise Ashworth Court garage problem at the meeting 15 April with partners

2.3 CCTV in Library – Instructions received for down load of CCTV. Downloading to be done by Community Safety and GMP officers only.

Action 3: PB will liaise with Insp. J Troisi regarding downloading.

2.4 Logging information received – Discussed keeping in a file. **Send information to Borough rather than NPT to be disseminated, likewise contact cards.**

2.5 Fire Dept. and Royton precinct – Fire department has spoken with business owners on Royton precinct with regards to moving cardboard properly.

Action 4: PCSO Karen Lord will put in writing to LF what she advised to market staff re. disposal of cardboard and rubbish

Action 5: PCSO Karen Lord to contact Ian Campbell and Sharon Hibbert (markets) to do a site visit with regards to disposal of rubbish and cardboard

3. Contact/Updates from Police

- Royton library – need to establish if CCTV is in working order. Cllr Judge said that we need to get this working or get another if it is broken.

Action 6: PB to go and look at CCTV in Royton library and advise LF and Cllr Judge if broken

- Be aware of youths going to High Crompton Park – No issues to date
- Dunwood park area – Vulnerable elderly lady in Northern Counties property, youths stole her key from key safe and appear to be targeting her.

Action 7: PB has offered to give security advice. Perhaps a monitor so that she can see who is at the door and look at re-siting the key safe.

- Problems at Royton Park – Youth climbing on buildings and walking into buildings when staff are there. First Response have been asked to patrol.

4. Managing low level ASB within the districts

- Persistent low level ASB remains in both areas
- Work better together/information sharing
- Require more/better information, contact cards completed correctly
- There is a standing offer with schools – schools to look for triggers, erratic behavior, non-attendance and on the flip side model behavior, out of character.
- Officers from across the partner organisations are meeting once per month to discuss and plan around concerns.

5. Fire Team update – Phil Bonworth

- Meeting has been held with Kingsland to identify the next cohort for Fireteam.
- 10 children have been identified for the course (7 from RSC)
- Presentation to parents and children before the project to ensure all are onboard.
- Project to start next week for approx. 12 weeks

Action 8: PB to inform Police of the young people involved in the Fireteam course

6. Any Other Business

- Young family and ASB on Holly Estate. LF asked FCHO what their plan is for these.
- New tenants to go in Haldanes. Cllr Judge asked if PB could offer a crime prevention survey before they move in, he will pass details on.

Action 9: PB to offer crime prevention survey to new tenants at Haldanes, Royton

7. Date of Next Meeting:

29 June 2015, 5.00pm, MR2 at Royton Town Hall
