### Anti-social behaviour

Anti-social behaviour (ASB) includes a range of issues. Behaviour can be anti-social because it is capable of causing nuisance or annoyance to both individuals and the wider community.

Within the Borough of Oldham we have a strong partnership led approach to tackling ASB and the causes of it preventing it from reoccurring. This partnership approach includes police, local authorities and social landlords. These agencies have wide ranging powers to effectively tackle this problem.

Hate crimes are any crimes that are targeted because of hostility or prejudice in relation to:

- disability
- race or ethnicity
- religion or belief
- sexual orientation
- transgender identity

This can be committed against a person or property.

A victim does not have to be a member of the group at which the hostility is targeted. In fact, anyone could be a victim of a hate crime.

Sometime between Tuesday and Thursday this week, a ford fusion on Stephenson Street was broken into. Anyone see anyone hanging around near housing units, or the Oldham rd. junction??? Or generally lurking about on that stretch of road??

# Seasonal threats

**BE AWARE -** At this time of the year we see a spike in certain types of crime and there are things you can do to prevent this, help us to help you.

Please do not leave vehicles unattended with the keys in the ignition while you defrost the car. Every year we have numerous reports of opportunistic thieves stealing vehicles left this way.

**BE AWARE – YOUR INSURANCE MAY NOT PAY OUT IF YOU LEAVE THE KEYS IN THE IGNITION AND THE VEHICLE UNATTENDED**

As Christmas approaches please think before you leave items on display in your vehicle. Lock presents away in the boot and plan your shopping so that the more expensive items are left till last when you will be going back to the car to go home. Opportunistic thieves are about especially at Retail Parks and shopping centre car parks.

**DON'T GIVE THEM AN INVITATION TO RUIN YOUR CHRISTMAS**

Houses left in darkness are far more attractive to a burglar than those which look occupied.

**Light timers will help deter burglars while you are out.**
