

# Royton District Executive Plan 2017/18

## **Priorities and Action Plan.**

17<sup>th</sup> July 2017

## **Purpose of the report**

For the District Executive to note the District priorities and action plan.

# 1. Royton District Executive Priorities 2017/18

- To inspire the next phase of the regeneration of Royton Town Centre through the renovation of the Town Hall, building on our unique heritage and working with partners to make Royton a thriving place to live, work and socialise.
- Promoting volunteering opportunities and community organisations so residents can get involved in the community and do their bit
- Continue to improve and increase our Christmas lights display
- Increasing the use of our outdoor spaces
- Work with the partners to engage positively with young people and reduce anti-social behaviour
- Provide opportunities in Royton for residents to take control and improve their own health for example through support to local sports and park clubs.
- Support the growth and development of voluntary groups and work with new and developing voluntary groups

## 2. Our successes so far.....

- Increasing the vitality of Royton Precinct by securing new retail businesses, Lidl and Boyes, new street lighting and a bench refurbishment programme.
- Increasing our Christmas lights display to the precinct for the first time, with fantastic new features down the length of the precinct.

- Preserving our heritage by saving important historical stonework from both the old pool and Byron St School for re-use in features in the District Centre.
- Supporting residents to be active in the community by providing funding for sports clubs and Community organisations.
- Providing the 'Community Chest' small grant scheme to encourage and sustain new and emerging community action groups.
- Providing school holiday activities in Royton Park and providing grant funding to local schools and organisations working with young people.

### 3. Action Plan

The District Action Plan can be found in Appendix 1
