Reason for Decision

The report provides Cabinet with an update on the Council's 2018/19 forecast revenue budget position at Annex 1 and the financial position of the capital programme as at 30 June 2018 (Quarter 1) together with the revised capital programme 2018/22, as outlined in section two of the report at Annex 2.

Executive Summary

Revenue Position

The current forecast outturn position for 2018/19 is a projected favourable variance of £0.100m after allowing for approved and pending transfers to and from reserves.

The most significant area of concern is the People and Place Portfolio, in the main due to the transfer of Children's Social Care into this area. An update on the major issues driving the projections within this Portfolio are detailed within Annex 1, paragraphs 2.10.11 to 2.10.17.

Action is being taken and will continue for the remainder of the financial year to address variances and take mitigating action as detailed in the report.

The overall corporate position is being managed by offsetting favourable variances, most noticeably from capital, treasury and corporate accounting budgets, in part caused by the anticipated cost of borrowing and capital financing being lower than budgeted and the availability of additional Treasury Management income and unringfenced grants not allocated to service budgets.

Information on the Quarter 1 position of the Dedicated Schools Grant (DSG), Housing Revenue Account (HRA) and Collection Fund is also outlined in the report. There are no significant issues of concern in relation to the HRA and Collection Fund, however, the DSG continues to be an area which is facing a financial challenge with a projected deficit increase. Action is being taken with the aim of reducing the cumulative deficit and bringing the DSG towards a balanced position.

Capital Position

The report outlines the most up to date capital spending position for 2018/22 for approved schemes. The capital programme budget is £60.022m at the close of Quarter 1, a net decrease of £29.636m from the original budget of £89.658. Actual expenditure to 30 June 2018 was £4.200m (7.00% of forecast outturn).

It is probable that the forecast position will continue to change before the year end with additional re-profiling into future years.

Recommendations

That Cabinet approves the:

1. Forecast revenue outturn for 2018/19 at Quarter 1 being a £0.100m under spend
2. Forecast positions for both the HRA and Collection Fund
3. Use of reserves as detailed in Appendix 1 to Annex 1
4. Revised capital programme for 2018/2022 as at Quarter 1.
