- 2.1. These Contract Procedure Rules are made under Section 135 of the Local Government Act 1972 and apply to all Contracts for the supply of works, goods or services made in the name of the Council.
- 2.2. Where in these Rules “the Council” is referred to, the term shall include the reference to School Governing Bodies by virtue of the Scheme for Financing Schools.
- 2.3. A Contract is made whenever the Council accepts an offer from a third party to provide works, goods or services and is entered into in the name of the Council. This can be via a formal Contract, purchase order, verbally over the phone or via email/letter.
- 2.4. Every Contract entered into by the Council shall be entered into pursuant to or in connection with the Council's functions and shall comply with:
 - 2.4.1. all relevant statutory provisions;
 - 2.4.2. the relevant European procurement rules (the EC Treaty, the general principles of community law and the European Union's public procurement directives implemented by the UK Regulations);
 - 2.4.3. the Council's Constitution including these Contract Procedure Rules, the Council's Financial Procedure Rules and Scheme of Delegation; and;
 - 2.4.4. the Council's strategic objectives and policies including, amongst others, the Community Strategy and the Procurement Strategy.
- 2.5. These Contract Procedure Rules apply to all Contracts awarded by the Council for works, services or supplies, regardless of the source of funding for the Contract. They apply to procurement by any form of official Council order and equally to Contracts awarded by any person, firm or body on the Council's behalf.
- 2.6. No Contract shall be entered into unless the appropriate Executive Director is satisfied that there is adequate budget provision and all necessary consents to the expenditure have been obtained.
- 2.7. Where a Contract involves the making of a Key Decision, the Executive Director shall ensure that the Director of Legal and Democratic Services and the Director of Finance and ICT are consulted throughout the procurement process.
- 2.8. It shall be a condition of any Contract between the Council and any persons (not being Officers of the Council) who are required to supervise a Contract on the Council's behalf, that in relation to such Contract, those persons shall comply with the requirements of these Contract Procedure Rules as if they were Officers of the Council.
- 2.9. These Contract Procedure Rules shall not apply to:
 - 2.9.1. Contracts of employment.

- 2.9.2. Contracts for personal social care or educational need where in the opinion of the appropriate Executive Director (following consultation with the Director of Legal and Democratic Services) there is a demonstrable individual need, which renders procurement impractical.
- 2.9.3. Contracts for the purchase or sale of land or securities, or Contracts for the taking or granting of any interest in land, unless such Contracts involve the procurement of works, services or supplies.
- 2.9.4. Contracts for Goods to be bought at an auction and the Director of Finance and ICT has agreed in writing that the Council's interests will best be served by purchase through auction and has similarly agreed an upper limit for bids.
- 2.9.5. Contracts for the use of counsel or other legal representation where the Director of Legal and Democratic Services considers that a procurement exercise would be impractical and would not protect the Council's interest.
- 2.9.6. Contracts for works of art or theatre, which are of genuine exclusivity.
- 2.9.7. Contracts where the Executive Director in consultation with the relevant Cabinet Member, the Director of Finance and ICT and Director of Legal and Democratic Services consider it appropriate to utilise an existing Purchasing Consortia which has been procured under rules broadly comparable with these Contract Procedure Rules.
- 2.9.8. Contracts where the Executive Director in consultation with the relevant Cabinet Member, the Director of Finance and ICT and Director of Legal and Democratic Services consider it appropriate to utilise existing approved nationally negotiated Contracts or framework agreements which are available to the Council.
- 2.10. Any failure to comply with any of the provisions of these Contract Procedure Rules shall be reported to the relevant Executive Director and may result in disciplinary action.
- 2.11. An Executive Director shall take immediate action in the event of a failure to comply with these Contract Procedure Rules and shall inform and consult with the Director of Finance and ICT and the Director of Legal and Democratic Services.
- 2.12. Any dispute regarding the application of these Contract Procedure Rules shall be referred to the Director of Finance and ICT for advice.
- 2.13. The final arbiter for resolution of disputes regarding the application or interpretation of these Contract Procedure Rules shall be the Director of Legal and Democratic Services whose decision shall be binding and final.
- 2.14. Persistent breach of the Contract Procedure Rules will also be reported to Members
