### 3. The Application

4. GMP liaised with the applicant on 13<sup>th</sup> May and agreed to withdraw their representation if the end time was modified to 3am. The applicant agreed with this.

4.3 Environmental Health liaised with the applicant on 15<sup>th</sup> May and requested the end time to be modified to 11:30pm. The applicant did not agree to this; therefore, the application is put before the Panel for decision.

## 5. Licensing Policy

5.1 Members considering this application should take note of the Authority's Licensing Policy Statement. Attention should be drawn to pages Section 8 in relation to Public Nuisance

5.2 A full copy of the Council's Licensing Policy Statement will be available at the hearing.

## 6. Secretary of State's Guidance

6.1 Members also need to consider statutory guidance issued by the Secretary of State under Section 182 of the Licensing Act 2003.

6.2 In relation to Chapter 7.31 to 7.38 (Police and Environmental Health Intervention):-

### **Police and Environmental Health intervention**

7.31 The system of permitted temporary activities gives police and EHAs the opportunity to consider whether they should object to a TEN on the basis of any of the licensing objectives.

7.32 Such cases might arise because of concerns about the scale, location, timing of the event or concerns about public nuisance. However, in most cases, where (for example) alcohol is supplied away from licensed premises at a temporary bar under the control of a personal licence holder, (for example, at weddings with a cash bar or small social or sporting events) this should not usually give rise to the use of these powers.

7.33 The police and EHA have the right under sections 109(5) and (6) of the 2003 Act to request the premises user to produce the TEN for examination. If the police do not intervene when a TEN is given, they will still be able to rely on their powers of closure under Part 8 of the 2003 Act should disorder or noise nuisance be expected or arise.

7.34 If the police or EHA believe that allowing the premises to be used in accordance with the TEN will undermine the licensing objectives, they must give the premises user and the licensing authority an objection notice. The objection notice must be given within three working days of their receipt of the TEN.

7.35 Where a standard TEN was given, the licensing authority must consider the objection at a hearing before a counter notice can be issued. At the hearing, the police, EHA and the premises user may make representations to the licensing authority. Following the hearing, the licensing authority may decide to impose conditions where there is an existing premises licence or club premises certificate at the venue or issue a counter notice to prevent the event going ahead. If the police, EHA or both give an objection to a late TEN, the TEN will not be valid.

### **Modification**

7.36 As noted above, the police or EHA (as “relevant persons”) may contact the premises user to discuss their objections and try to come to an agreement which will allow the proposed licensable activities to proceed. The TEN can be modified (for example, by changing the details of the parts of the premises that are to be used for the event, the description of the nature of the intended activities or their duration). The other relevant person has to agree.

A full copy of the guidelines will be available at the hearing.

## **7. Options**

7.1 When determining the application Members, having had regard to the representations, may take such steps as they consider appropriate for the promotion of the licensing objectives. The steps available to Members are:

- a. Grant the application in line with the agreed modification to hours with GMP
- b. Reject the application and issue a counter notice

7.2 Any steps appropriate to promote the licensing objectives should be specified. If none of the steps are appropriate and proportionate, no action should be taken.

7.3 In arriving at a decision Members must have regard to the relevant provisions of national guidance and the licensing policy statement and reasons must be given for any departure.

7.4 The decision should be based on the individual merits of the application.

## **8. Consultation**

8.1 Consultation in accordance with the Act has taken place with all responsible bodies and notice has been given to allow for any representations from interested parties.

## 9. Legal Services Comments

9.1 1 In determining the application Members should have regard to the Authority's licensing policy statement and the Secretary of State's Guidance. The applicant has a right of appeal to the magistrates' court if the Council refuses the application and the Environmental Health Section have a right of appeal to the magistrates' court if the Council grants the application. No appeal may be made later than 5 working days before the day on which the event period specified in the temporary event notice begins. (A Evans)

*(please provide any suggested conditions that could be added to the licence if granted which would remedy the cause of your representation, or other suggestions you would like the licensing panel to consider)*

GMP (Greater Manchester Police) object to the application of the closing time of 0500hrs due to police receiving reports of anti-social behaviour in and around Crown Street and Mitre Street.

The previous un-licensed event on 30<sup>th</sup> April 2023, there was 20 people on the residential area of Crown Street, which is directly opposite the entrance to the Mill drinking and annoyance to the residents:

Persons shouting in the street, males urinating opposite the premises and vehicles revving engines.

The police attended at 0352hrs to make sure the event was concluded and had to spend time dispersing the crowd from the area.

Oldham Police resources are already stretched between 0200 to 0700 at the weekends and would limit the response time to deal with any crime or disorder.

Rather than cancel the event, police would agree on a revised end time of **0200hrs.**

Also provide 2 SIA (Security Industry Authority) registered door security with metal detectors.

Please state the reasons you believe granting the application will undermine this objective

#### Public Safety

The applicant is asked to contact the Council's Health and Safety team regarding the use of the premises. Tel: 0161 770 2244, Email: envhealth@oldham.gov.uk

#### The Prevention of Public Nuisance

Environmental Health has received complaints from neighbouring residents regarding loud music from the premises and disturbance as people leave the venue in the early hours of the morning over the 29<sup>th</sup> & 30<sup>th</sup> April 2023. One complainant stated that they had to call the Police at 04:15 hours due to how loud the music was. I am concerned that granting the application until 05.00 hours will cause further noise nuisance and disturbance to the neighbouring residents.
