

**Oldham Borough Council  
Record of Decision**

1. **TITLE:** Waste Management System Contract Award

2. **SERVICE AREA:** Environment Directorate

3. **PURPOSE OF DECISION**

In 2022, the council's Waste Management Service undertook a procurement exercise to develop an in-cab technology solution and back-office system.

4. **DECISION MADE BY:** Cabinet Member - Neighbourhoods and Statutory Deputy Leader

5. **DECISION:**

RESOLVED - That:

To approve the contract for 3 years with the option to extend further for 1 year.

6. **REASON FOR DECISION**

To seek approval to renew the Waste Management System contract for a further three-year period with the option to extend for another one year.

7. **ALTERNATIVE OPTIONS CONSIDERED**

Option 1: To approve the direct award of the new contract for a further 3 years with the option to extend for a further year.

Option 2: To not approve the award, which would result in the council losing direct access to the waste management system including in-cab technology for both domestic and business collections.

8. **INTERESTS AND NATURE OF INTERESTS DECLARED**

None

9. **PRINCIPAL GROUPS CONSULTED:** Not applicable

10. **DOCUMENT CONSIDERED:** Waste Management System Contract Award
