4. Representations

4.1 Following the submission and advertisement of the application representations were received. These can be found in **Appendix 14.3** to the report.

4.2 It should also be noted that following consultation with Environmental Health, their representation was withdrawn when the applicant agreed to incorporate the following conditions.

- *The applicant will adopt a bespoke dispersal policy for the premises and shall provide any of the responsible authorities with a copy of it if requested.*
- *Signs will be displayed at the premises encouraging customers to leave the premises quietly.*

5. Licensing Policy

5.1 Members considering this application should take note of the Authority's Licensing Policy Statement. Attention should be drawn to page 7, Prevention of Crime and Disorder, and page 11, Public Safety, and page 13, Prevention of Public Nuisance and page 15, Protection of Children from Harm.

5.2 In relation to 'Public Nuisance' the following paragraph(s) provide:-

8.2 When addressing public nuisance, the applicant should initially identify any particular issues (having regard to their particular type of premises and/or activities), which are likely to adversely affect the promotion of the public nuisance objective. Such steps as are required to deal with these identified issues should be included within the applicants operating schedule.

8.3 If relevant representations are received, the Authority may impose conditions to prevent nuisance, noise, disturbance, light pollution, noxious smells, vermin and pest infestations and accumulations of rubbish and litter.

8.8 Conditions may include restrictions on the times when music or other licensable activities may take place and may include technical restrictions on sound levels at the premises. Conditions may be imposed requiring licensees to display signs at all exits of premises reminding customers to leave premises quietly and to respect the rights of nearby residents.

5.2 A full copy of the Councils Licensing Policy Statement will be available at the hearing.

6. Secretary of State's Guidance

6.1 Members also need to consider statutory guidance issued, by the Secretary of State, under Section 182 of the Licensing Act 2003 (April 2018).

6.2 Chapter 2 of the guidelines deals with the Licensing Objectives and potential measures licence holders and the licensing authority should consider so they are not being undermined.

In relation to 'Crime & Disorder' the following paragraph(s) provide:

- 2.1 Licensing authorities should look to the police as the main source of advice on crime and disorder. They should also seek to involve the local Community Safety Partnership (CSP).

- 2.3 Conditions should be targeted on deterrence and preventing crime & disorder...for example, where there is good reason to suppose disorder may take place, the presence of CCTV cameras both inside and immediately outside the premises can actively deter disorder, nuisance, anti-social behaviour, and crime generally. Some licence holders may wish to have cameras on their premises for the prevention of crime directed against the business itself, its staff, or its customers. But any condition may require a broader approach, and it may be appropriate to ensure that the precise location of cameras is set out on plans to ensure that certain areas are properly covered and there is no subsequent dispute over the terms of the condition.

In relation to 'Public Safety', the following paragraphs provide:-

- 2.15 Licence holders should make provision to ensure that premises users safely leave their premises. Measures that may assist include:
- Providing information on the premises of local taxi companies who can provide safe transportation home; and
 - Ensuring adequate lighting outside the premises, particularly on paths leading to and from the premises and in car parks.

In relation to 'Public Nuisance', the following paragraphs provide:-

- 2.24 Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive periods. For example, the most sensitive period for people being disturbed by unreasonably loud music is at night and into the early morning when residents in adjacent properties may be attempting to go to sleep or are sleeping. This is why there is still a need for a licence for performances of live music between 11pm and 8am. In certain circumstances, conditions relating to noise emanating from the premises may also be appropriate to address any disturbance anticipated as customers enter and leave.
- 2.6 Beyond the immediate area surrounding the premises, these are matters for the personal responsibility of individuals under the law. An individual who engages in anti-social behaviour is accountable in their own right. However, it would be perfectly reasonable for a licensing authority to impose a condition, following relevant representations, that requires the licence holder or club to place signs at the exits from the building encouraging patrons to be quiet until they leave the area, or that, if they wish to smoke, to do so at designated places on the premises and to respect the rights of people living nearby to a peaceful night.

In relation to 'Protecting of children from harm', the following paragraphs provide:-

- 2.27 The protection of children from harm includes the protection of children from moral, psychological, and physical harm. This includes not only protecting children from the harms associated directly with alcohol consumption but also wider harms such as exposure to strong language and sexual expletives (for example, in the context of exposure to certain films or adult entertainment). Licensing authorities must also consider the need to protect children from sexual exploitation when undertaking licensing functions.
- 2.31 Licensing authorities and responsible authorities should expect applicants, when preparing an operating schedule or club operating schedule, to set out the steps to be taken to protect children from harm when on the premises.

6.3 A full copy of the guidance will be available at the hearing.

7. Options/ Alternatives

7.1 When determining the application Members, having had regard to the representations, may take such steps as they consider appropriate for the promotion of the licensing objectives. The steps available to Members are:

- a. Grant the application as applied for
- b. Grant the application but modify the operating schedule in relation to hours, days, conditions, or activities
- c. Reject the application

7.2 Any steps appropriate to promote the licensing objectives should be specified. If none of the steps are appropriate and proportionate, no action should be taken.

7.3 Findings on any issues of fact should be on the balance of probability.

7.4 In arriving at a decision Members must have regard to the relevant provisions of national guidance and the licensing policy statement and reasons must be given for any departure.

7.5 The decision should be based on the individual merits of the application.

8. Consultation

8.1 Consultation in accordance with the Act has taken place with all responsible bodies and notice has been given to allow for any representations from interested parties.

9. Legal Services Comments

9.1 In determining the application Members should have regard to the Authority's licensing policy statement and the Secretary of State's Guidance. The applicant or any other person who made relevant representations in relation to the application have a right of appeal to the Magistrates' court. (A Evans)

10. Environmental and Health & Safety Implications

Hi Susan,

Thanks very much, As ward councillor I am very concerned about the extension of the hours place my objection to the licence extension on the grounds of the impact upon the residents who live very close to the premises and the encroachment of the lively weekend nighttime scene into a quiet residential environment predominantly populated by an older demographic, who would be adversely affected.

I'd also like to attend the meeting please, could you remind me of the date?

Kind regards,

I object to the application being granted in its current form*

*if you choose this option remember to tell us in Section 5 what changes you would like to see

You need to complete the boxes below as fully as possible. If you do not, then the Licensing Panel may not understand why you have objected.

Try to be as specific as possible and give examples such as "on 1st February 2021 I could hear loud music from the premises between 10pm and 1am. I am concerned that if the premises is allowed to open until 2am this will cause further public nuisance to me and other residents on the street"

Licensing Objectives

The Prevention of Crime & Disorder

Please state the reasons you believe granting the application will undermine this objective

This will bring you the noise that, at the moment, is restricted to the High St, into the park. We will then be surrounded by noise. Cafe Grand Pabaco is a busy venue at the front of my property, ^{now this} will extend to the back.

Public Safety

Please state the reasons you believe granting the application will undermine this objective

The park is unlit & unmonitored. At least on the High St, the eyes of the public can help prevent antisocial behaviour. In the park there will be no such observation.

The Prevention of Public Nuisance

Please state the reasons you believe granting the application will undermine this objective

I believe this will be bringing the danger of antisocial behaviour into an area that is unlit and unpoliced. There will inevitably be an increase in noise in a normally peaceful park.

Protection of Children from Harm

Please state the reasons you believe granting the application will undermine this objective

I objected to Grandpa Greens' conversion of the toilets into yet another coffee shop, when Uppermill is already awash with them. I object to this application in the same spirit; there are too many licensed premises here already. Please - No More! I have lived here for nearly 50 years. It was beautiful once; it isn't now.

Licensing Objectives

The Prevention of Crime & Disorder

Please state the reasons you believe granting the application will undermine this objective.

The park has little lighting after dark. Antisocial behaviour is always a factor after events in the park - it is difficult to police or observe due to the lack of lighting. Late opening could be a magnet.

Public Safety

Please state the reasons you believe granting the application will undermine this objective

There is one light in the park by the playground. None by the cafe. As residents we chose our properties because of the quiet and darkness in the evening. It is the only time the park is tranquil.

The Prevention of Public Nuisance

Please state the reasons you believe granting the application will undermine this objective

St Mary's Gate is a very busy and noisy street with lots of daytime and late night noise - bins/bottles being emptied etc. The park side is the only area where we have quiet. Surely there are enough licenses in the High St.

Protection of Children from Harm

Please state the reasons you believe granting the application will undermine this objective

I find it odd that an alcohol license has been granted in a park where children play. Extending to the evening just exacerbates the issue.

Section 5 – Suggestions

(please provide any suggested conditions that could be added to the licence if granted which would remedy the cause of your representation, or other suggestions you would like the licensing panel to consider)

My main concern is the extension of the alcohol license. This always means raised noise levels - especially in the evening. The park, at the moment, is a tranquil area away from the busy night time life of the High St. Why should this be brought into the park as well?

Licensing Objectives

The Prevention of Crime & Disorder

Please state the reasons you believe granting the application will undermine this objective

THE HIGH ST. IS QUITE A ROWDY AREA IN THE EVENINGS, AN EXTENSION TO LICENSING HOURS IN THE PARK WILL BE BRINGING THAT INTO THE PARK.

Public Safety

Please state the reasons you believe granting the application will undermine this objective

THE PARK IS EXTREMELY DARK IN THE EVENINGS – IT IS NOT EASY TO MONITOR – SO THEN THEY WILL WANT TO INSTALL EXTRA LIGHTING WHICH WE DO NOT WANT.

The Prevention of Public Nuisance

Please state the reasons you believe granting the application will undermine this objective

ARE WE NOW TO BE SUBJECT TO EVENING NOISE AND LIGHT POLLUTION FROM THE TRANQUIL SIDE OF OUR PROPERTY AS WELL AS FROM THE FRONT IN THE VERY BUSY ST. MARY'S GATE!

Protection of Children from Harm

Please state the reasons you believe granting the application will undermine this objective

I HAVE 2 CHILDREN WHO SLEEP AT THE BACK OF THE PROPERTY. THIS AREA WILL NOW BE LIABLE TO BOTH NOISE AND LIGHT POLLUTION

Section 5 – Suggestions

(please provide any suggested conditions that could be added to the licence if granted which would remedy the cause of your representation, or other suggestions you would like the licensing panel to consider)

- ① BINS SHOULD NOT BE EMPTIED INTO MAIN BOTTLE BINS AFTER 7:30 P.M. THE NOISE OF BOTTLES GOING INTO OUTDOOR BINS IS EXTREMELY LOUD. IT SHOULD ONLY BE DONE IN THE MORNINGS
- ② LOUD MUSIC SHOULD NOT BE ALLOWED. THE CONSTRUCTION OF THE BUILDING (CONSERVATORY STYLE) AMPLIFIES NOISE.

Opening Time. Requested to Open Later but the Council refused considering the neighbourhood.

Trees. Due to felling several trees. Should have planted 6 trees within 12 months to preserve wildlife.

Marshalls. Litter not being picked before leaving the building. Greene's stated in their application that 2 members of staff would pick up any litter at the end of the day.

Key Holders Stated that a lock would be installed so that key holders could use the toilet facilities when café closed. The keys do not work and if they did, they couldn't use because numerous signs and other items are stored in there.

All the above were agreed with the Council and have not been adhered to. Residents and locals alike fear that if this is passed then we will have further repercussions and will cause no end of problems for residents and visitors to the park with noise and anti-social behaviour.

In Greene's application

They compare the café to the Rec. Room on Lee Street. This establishment although in a residential area away from the High Street is made of Old Solid Stone with small residential windows. There is no comparison as this building is mainly made of glass and in a park setting with children and families.

We hope that you do not put residents, locals and visitors of any more disturbance and tranquillity to this area. Keeping the late hours to the centre. Allowing families, children and residents enjoy the evening in a more peaceful setting.

The Prevention Of Crime & Disorder

Being in close visual proximity to the bistro we are experiencing anti-social behaviour. Urinating up the walls, cigarette butts, youths using drugs, shouting abuse and threats. We have been disturbed by noise late evening. Some properties are only 3 metres away.

Public Safety & The Prevention of Public Nuisance & Protection of Children from Harm

People using the pubs and bars in the village will use the park as a cut through to other venues which will cause public safety to children and adults that use the park for the use its intended for. Many of the locals do not enter the High Street in the evening as it is busy, noisy and intimidating to many of the older generation. Especially when they met with drunken gangs of people. That is the reason for keeping alcohol and nightlife to the High Street only and not into the park.

Children and families do not want the night life coming into the park when they are there to just enjoy family time and have a kick around or walk the dog. This extension of hours will have an effect on children's safety.

The residents are being affected at present by:

Noise from the customers, staff, toilets, music, bottles and rubbish being emptied into the bins throughout the day and when tidying up, doors banging,

Residents are only feet away from the doors, bin store and bistro where the noise comes from. Most residents are of pensionable age and of ill health. We are in bed for around 10pm and we have our bedroom window open for health reasons. This will not be possible should this be granted. Is this fair to residents to have their quality-of-life suffering? They are open 7 days a week and to have an additional 4 nights will be intolerable.

The building is stone and mainly very large retractable glass windows and roof. When these are lowered it is far noisier and will be worse in the evening. Customers if music is being played, will be raising their voices to be heard.

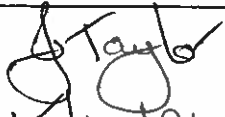

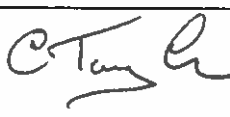

If an extension is granted to 9.30pm it will be devastating to residents and families that use the park. It will be around 10.30pm -11pm before the residents will get any peace.

Planning Permission Conditions Not Adhered to:

Deliveries. Gates are not being opened to allow vehicles to enter hardstanding and drop off deliveries. The vehicles are arriving before 8am often leaving motor running causing a disturbance to residents.

*if you choose this option remember to tell us in Section 5 what changes you would like to see

You need to complete the boxes below as fully as possible. If you do not, then the Licensing Panel may not understand why you have objected.

Try to be as specific as possible and give examples such as "on 1st February 2021 I could hear loud music from the premises between 10pm and 1am. I am concerned that if the premises is allowed to open until 2am this will cause further public nuisance to me and other residents on the street"

Licensing Objectives

The Prevention of Crime & Disorder

Please state the reasons you believe granting the application will undermine this objective

The park is dimly lit and there is little police presence. I lived at Number 10 Hopkinson Close for 10 years which is a flat that directly overlooks the site and over that period I personally witnessed various problems with anti-social behaviour in the park which arose from people who were intoxicated. I believe that this problem will be exacerbated with the introduction of a late licence.

Public Safety

Please state the reasons you believe granting the application will undermine this objective

There is a popular scenic river with stepping stones nearby and could pose a danger to the anyone who might attempt to cross it after consuming alcohol.

The Prevention of Public Nuisance

Please state the reasons you believe granting the application will undermine this objective

The noise of any live music as well as people arriving / leaving the premises cannot be underestimated and this will have a negative effect on the long term residents that surround the site.

The noise of even simple chatter carries loudly due to the enclosed space of the buildings in the park and particularly on summer evenings residents can hear everything when windows are open to cool properties.

The noise and smells associated with any outlet serving food and beverages are obvious however such close proximity to the residential properties (that have been there for many decades before this site was allowed) make it a serious nuisance issue which will give rise to numerous complaints from the neighbours, even more so with later opening hours and an alcohol licence.

Protection of Children from Harm

Please state the reasons you believe granting the application will undermine this objective

Alcohol should not be served in a park primarily reserved for the enjoyment of those using the park for leisure activities. Children should not have to be exposed to alcohol use in sight of the playground. There are at least 10 other venues within close proximity for adults to enjoy alcohol very nearby. This is the only space children have and it should be protected.

Section 5 – Suggestions

(please provide any suggested conditions that could be added to the licence if granted which would remedy the cause of your representation, or other suggestions you would like the licensing panel to consider)

In the event that this application is considered, the alcohol / live music timings ought to be curtailed to 5pm at the latest.
