**Motion: A new Start for Oldham Borough**

To be Moved by Councillor Harkness

To be Seconded by Councillor Al-Hamdani

**This Council believes that:**

Residents of Oldham Borough want their Council to change to reflect the priorities of the people.

They want their Council to get the basics right, with a laser-focus on improving the performance and effectiveness of frontline services including drain clearance, road repairs and park and green space maintenance.

Residents want their Council to tackle environmental crimes like littering, dog-fouling, fly-tipping and graffiti.

It is also time to deliver fair funding to all districts and communities in Oldham Borough and not just keep pouring capital investment into Oldham Town Centre.

**This Council resolves:**

The administration will commit to presenting an emergency mini budget, to Council before the end of July 2026, in line with 12.6 of the Council Procedure rules of the Constitution, outlining how funding will be rebalanced to address the priorities set out in this motion, specifically getting the basics right, tackling environmental crime and delivering fair district funding.
