2 EXCLUSION OF THE PRESS AND PUBLIC

The Scrutiny Board resumed its proceedings after adjourning on
24th July 2025.

Some members of the Scrutiny Board were of the opinion that it
was in the public interest for the item – Creating a Better Place –
Update, which was considered in private session by the Cabinet
on 12th June 2025.

The Chair noted that he had taken advice, on this matter, from
officers from the Council's Legal Services team who had
recommended that the report be considered by the Scrutiny
Board in private as the Council could be damaged if the matter
was considered in the public domain. This advice was on the
basis that certain aspects of the works detailed in the report
were still subject to a competitive tendering process and the
council could be prejudiced if that information was made publicly
available.

On being put to the Vote member voted by 6 votes to 5 to
consider the report in public session. Councillors Aslam,
Chauhan, Davis Junaid Hussain and McLaren voted for the
public and press to be excluded from the meeting during
consideration of the agenda item – Creating a Better Place –
Update. Councillors Ghafoor, Kenyon, Kouser, Murphy, Sharp
and Wilkinson voted for the agenda item - Creating a Better
Place – Update, to be considered in public.

Resolved:

That the press and public be permitted to remain in the meeting during consideration of the following agenda item Creating a Better Place – Update.
