OLDHAM BOROUGH COUNCIL

LICENSING PANEL - ORDER OF PROCEEDINGS

The procedure outlined below, which was enclosed with the notice of hearing sent to each party, and a copy of which is before you today, will be followed.

Documentary evidence may be relied upon and considered by the Panel if it has been served on the Licensing Authority prior to the hearing, or if all parties consent it can be produced on the day of the hearing.

Any person wishing to call a witness to speak at the hearing must have applied in writing for permission from the Licensing Authority at least 2 working days before the hearing and must also have provided the name of the witness and a brief description of the points on which that person may be able to assist the authority in relation to their application, representations or notice. Any application to call a witness where the party has not given 2 working days' notice will be considered by the Panel at the beginning of the hearing and permission will not be unreasonably withheld.

Each party will have the same amount of time in which to address the Panel, each party will have up to 60 minutes to address the authority and give any further information (which must be relevant to that party's or another party's application or representation). Where any party considers this time to be insufficient then, a request in writing may be made to the Constitutional Services Officer for an extension of time at least two working days before the hearing; however this will not automatically be granted, and will be at the discretion of the Panel.

Any person behaving in a disruptive manner will be asked to leave the hearing, however, if this occurs that person will be entitled to submit in writing any information they would have been entitled to give orally.

The Authority will provide a record of the hearing in a permanent and intelligible form and keep it for 6 years from the date of determination or disposal of any Appeal.

Members are advised that they are making decisions in a quasi-judicial manner. As such, they have a duty to view all evidence presented before them impartially. Members must disregard any information given by a party which is not relevant to the promotion of the licensing objectives. The Panel is not bound by the formal rules of evidence. Nevertheless, Members must carry out their duty placing what weight they feel is appropriate given the nature of the evidence and the manner in which it was obtained, and communicated.

Licensing Act 2003 – Summary Review of a Premises Licence under Section 53A of the Licensing Act 2003

Church Inn 477 Oldham Road, Failsworth, M35 0AA

Report of: Executive Member – Neighbourhoods

Officer Contact: Nicola Lord

Date of Hearing: 4 November 2025

Reason for Hearing:

Pursuant to Section 53A of the Licensing Act 2003, the purpose of this report is to ask Members to consider a 'Summary Review' of the premises licence in respect of Church Inn, 477 Oldham Road, Failsworth, following an application made by Greater Manchester Police and whether interim steps against the licence are necessary.

Recommendations

Members are recommended to consider the application, taking into account the representations received.

Licensing Panel

Application for Section 53A Summary Review
Church Inn, 477 Oldham Road, Failsworth, M35 0AA

1. Purpose of Report

1.1 Pursuant to Section 53A of the Licensing Act 2003, the purpose of this report is to ask Members to consider a 'Summary Review' of the premises licence in respect of Church Inn, 477 Oldham Road, Failsworth, following an application made by Greater Manchester Police and whether interim steps against the licence are necessary.

2. The Application

2.1 On 3 November 2025 Greater Manchester Police applied for a summary review of Church Inn. The application and accompanying authorisation certificate are attached to the report at **Appendix 12.1**.

2.2 The application relates to an incident of serious disorder at the premises on 1 November 2025 which resulted in the serious injury of a police officer. The application also outlines a series of earlier incidents occurring at the premises.

2.3 The Police used powers under Section 76 of the Antisocial Behaviour, Crime and Policing Act 1976 to close the premises for 48 hours following the incident.

2.4 The Police are requesting Members impose interim steps on the premises licence to suspend the licence pending the full review hearing.

2.5 The existing premises licence is attached at **Appendix 12.2**.

2.6 CCTV footage of the incident will be played at the hearing.

4. Representations

4.1 In relation to this hearing, there are no opportunities for responsible authorities or interested parties to make representation. For this hearing representations are limited to those contained within the application for the summary review and any verbal/written representations submitted at or before the hearing.

5. Statutory Guidance

5.1 Members must consider statutory guidance issued, by the Secretary of State, under Section 182 of the Licensing Act 2003 (revised February 2025). Of particular note are the following sections:

12.6 – There is no definitive list of behaviours that constitute serious disorder, and the matter is one for judgement by the local police. The phrase should be given its plain, ordinary meaning, as is the case under Section 12 of the Public Order Act 1986 in which it is also used.

12.7 In deciding whether to sign a certificate, the senior officer should consider the following (as applicable):

- The track record of the licensed premises concerned and whether the police have previously had cause to give advice about serious criminal or disorderly conduct (or the likelihood of such conduct) attributable to activities taking place on the premises. It is not expected that this power will be used as a first response to a problem and summary reviews triggered by a single incident are likely to be the exception.
- The nature of the likely crime and/or disorder – is the potential incident sufficiently serious to warrant using this power?
- Should an alternative power be deployed? Is the incident sufficiently serious to warrant use of the powers in Part 4, Chapter 3 of the Anti-social Behaviour, Crime and Policing Act 2014, or section 38 of and Schedule 6 to the Immigration Act 2016, to close the premises? Or could the police trigger a standard licence review to address the problem? Alternatively, could expedited reviews be used in conjunction with other powers (for example, modifying licence conditions following the use of a closure power)?
- What added value will use of the expedited process bring? How would any interim steps that the licensing authority might take effectively address the problem?

12.8 It is recommended that these points are addressed in the chief officer's application to the licensing authority. In particular, it is important to explain why other powers or actions are not considered to be appropriate. It is up to the police to decide whether to include this information in the certificate or in section 4 of the application for summary review. The police will also have an opportunity later to make representations in relation to the full review. In appropriate circumstances the police might want to make representations to the licensing authority suggesting that they modify the conditions of the premises licence to require searches of customers for offensive weapons upon entry. Under the powers in sections 53A to 53D, this could be done on an interim basis pending a full hearing of the issues within the prescribed 28-day timeframe or for an appropriate period determined by the licensing authority.

5.1 A full copy of the guidelines will be available at the hearing.

7. Options

7.1 The licensing authority may want to consult the police about the steps that it thinks are necessary, pending the determination of the review, to address the immediate problems with the premises, in particular the likelihood of serious crime and/or serious disorder.

The licensing authority may consider the interim steps without the holder of the premises licence having been given an opportunity to make representations. This does not, of course, mean that the licensing authority cannot afford such an opportunity if it thinks it appropriate and feasible to do so in all the circumstances.

The interim steps that the licensing authority must consider taking are:

- the modification of the conditions of the premises licence;
- the exclusion of the sale of alcohol by retail from the scope of the licence;
- the removal of the designated premises supervisor from the licence; and
- the suspension of the licence.

Modification of the conditions of the premises licence can include the alteration or modification of existing conditions or addition of any new conditions, including those that restrict the times at which licensable activities authorised by the licence can take place.

7.2 Any decision to take steps at the interim stage takes effect immediately, or as soon after it as the licensing authority directs but the licensing authority, in deciding when its decision on interim steps should take effect, should consider the practical implications of compliance in relation to the premises.

7.3 The focus for interim steps should be on the immediate measures that are necessary to prevent serious crime or serious disorder occurring.

7.4 Any steps appropriate to promote the licensing objectives should be specified. If none of the steps are appropriate and proportionate, no action should be taken.

7.5 In arriving at a decision Members must have regard to the relevant provisions of national guidance and the licensing policy statement and reasons must be given for any departure. The decision should be based on the individual merits of the application.

8. Consultation

8.1 There is no consultation requirement on interim steps.

8.2 In relation to the full review hearing, consultation in accordance with the Act has commenced.

9. Legal Services Comments

9.1 To be provided at the hearing.

10. Environmental and Health & Safety Implications

10.1 None

11. Equality, Community Cohesion & Crime Implications

11.1 The Councils Statement of Licensing Policy considers these matters. All decisions made by the Licensing Panel must have regard to this policy and national guidance.

12. Background Papers

12.1 The following is a list of background papers on which this report is based in accordance with the requirements of Section 100(1) of the Local Government Act 1972. It does not include documents which would disclose exempt or confidential information as defined by the Act:

(PREMISES ASSOCIATED WITH SERIOUS CRIME OR DISORDER)**

Before completing this form please read the guidance notes at the end of the form. If you are completing the form by hand please write legibly in block capitals. In all cases ensure that your answers are inside the boxes and written in black ink. Use additional sheets if necessary.

I, Pc 1095 Julian Addison on behalf of the chief officer of police for Oldham District, Greater Manchester Police, apply for the review of a premises licence under Section 53A of the Licensing Act 2003.

1. Premises Details

Name & Postal address of premises: Church Inn, 477 Oldham Road, Failsworth, M35 0AA

2. Premises Licence Details

Name of premises licence holder (if known): PL 0074

Name of premises licence number (if known): Frederic Robinson Ltd

3. Certificate under section 53A(1)(b) of the Licensing Act 2003

I confirm that a certificate has been given by a senior member of the police force for the police area above that in his opinion the above premises are associated with serious crime or disorder or both, and the certificate accompanies this application.

Please tick to confirm X

4. Details of association of the above premises with serious crime.

On the 31/10/2025 approximately 23:30 hrs at the Church Inn in Failsworth, a fight broke out in the dance floor area. This involved the defendant and several unknown offenders.

The cause of the fight is unknown however via CCTV, one unknown male can be seen smashing a bottle on the head of one person and then using his arm in a stabbing motion against another, this would be considered a section 20/18 assault under the Offences against the Person Act 1861.

Another male can be seen to throw a wooden stool towards another male. The security team arrives but can be seen to keep their distance from the aggressors and do not intervene or take any form of positive action to deal with the events as they make their way out via the beer garden. After a few moments the offenders move out of the premises onto Oldham Road whereby the fight continued in the road. This was dangerous for road users and the individuals fighting. Once again, no intervention is taken by the door team on the premises. It is also of note that Greater Manchester Police did not receive any calls from the premises to report the matter or request the police. Even though one of the individuals had smashed a bottle over another person's head and had made stabbing motions, then it continued outside the premises.

PC 05079 Alexander was passing in a liveried vehicle and stopped to de-escalate the situation, which to be clear the door team should have already taken actions to resolve. As she attempted to detain one of the offenders, another male from the group can be seen on CCTV approaching from behind and punching PC Alexander to the face.

This caused PC Alexander to immediately fall, banging her head on the floor and was then rendered unconscious. Witnesses reported seeing her begin having what was described as fits or convulsions.

One would expect that the door team or members of the management would have assisted the seriously injured officer and intervened. At no point did either of the door security assist in trying to separate the fighting outside the premises and help the lone police officer.

When officers arrived, she was not conscious but breathing and NWAS quickly attended and transported her to hospital. All offenders had run away from scene prior to further patrols attending the scene.

A crime scene was secured in the premises and Oldham Road (A62) which required police patrols to guard over night during a busy weekend.

The male responsible for the attack on the police officer was subsequently arrested and charged with section 20 assault, affray and possession of class A drug (cocaine).

The DPS was not present and left her father in control of the premises and to manage the public house. The father was witnessed by the officer who had attended

to view and seize CCTV immediately after the events to be heavily under the influence of alcohol, so much so, that he became obstructive to the officer. To allow the officer to be able to undertake the investigation he was arrested for obstructing the police officers in the execution of their duties. This was a dynamic situation to apprehend the individual who had assaulted the officer. The manager of the premises at the time only hindered matters and was clearly not in complete control due to his intoxicated state.

Three of the four licensing objectives have been breached; Crime and disorder, public nuisance and public safety. This was a serious incident which took place at the premises. There were crimes of S 20 assault, what could be considered violent disorder and serious disorder. Members of the public were in danger and or fear and apprehension of violence. Outside the premises where a female police officer was punched unconscious was also not dealt with appropriately by the door team or premises overall.

I am satisfied that the conduct constitutes an offence for which a person aged 21 years of age or over with no previous convictions could reasonably be expected to be sentenced to imprisonment for 3 or more years as per section 81(3) Regulation of Investigatory Powers Act 2000 (RIPA 2000). Satisfying the definition for serious crime.

It was also what would be considered a scene of violent disorder and serious disorder inside and outside of the premises. Using bottles as weapons and fighting in the main thoroughfare of a busy road.

In the interim, Greater Manchester Police would request that the licensing authority consider suspension of the premise licence until the full review is heard before the committee. At that time all matters can be fully addressed whilst being able to consider all the necessary evidence.

The premises has not been managed appropriately and that due to these concerns until Greater Manchester Police can investigate, discuss and consider the management of the premises that it would be unsafe for patrons to attend at this present time.

The incident which occurred raises concerns over the management of the premises and the ability of the Licence Holder and the Designated Premise Supervisor to promote the licensing objectives.

There have also been some other incidents of note involving the use of knives which were being brought into the premise and a glassing which occurred in May 2025. A full analysis will take place in relation to the premises.

I have considered all powers available and feel that closure powers contained within Section 76 of the Anti-Social Behaviour, Crime & Policing Act 2014 are inappropriate due to the limited 48-hour closure not being sufficient to protect the public. The notice would expire before the matter was heard and, in any event, once heard would be transferred to the licensing authority for consideration.

Section 51 of the Act in addition to the above is inappropriate due to the serious nature of the offence being investigated.

The powers contained under Section 53A the Licensing Act 2003 are appropriate to be exercised due to the above previously mentioned powers being inappropriate for the purposes of this review. There are safeguarding issues and immediate concerns that the management of the premises is failing to promote the licensing objectives or the prevention of crime and disorder, public nuisance and public safety. It is correct and proper that the committee should consider such an application having the necessary knowledge and understanding of the area and premises.

By failing to promote the licensing objectives it has led to serious crime and disorder occurring at this premise and that serious physical injury to a police officer and members of the public.

Premises: Church Inn, 477 Oldham Road, Failsworth, M35 0AA

Premises licence number (if known): PL 0074

Name of premises supervisor (if known): Miss Kerry Dowdall

I am a (Police Chief Superintendent Estelle Mathieson) of the Greater Manchester Police force. I am giving this certificate because I believe other procedures under the Licensing Act are inappropriate in this case, because:

On the 31/10/2025 approximately 23:30 hrs at the Church Inn in Failsworth, a fight broke out in the dance floor area. This involved the defendant and several unknown offenders.
