OLDHAM BOROUGH COUNCIL

LICENSING PANEL - ORDER OF PROCEEDINGS

The procedure outlined below, which was enclosed with the notice of hearing sent to each party, and a copy of which is before you today, will be followed.

Documentary evidence may be relied upon and considered by the Panel if it has been served on the Licensing Authority prior to the hearing, or if all parties consent it can be produced on the day of the hearing.

Any person wishing to call a witness to speak at the hearing must have applied in writing for permission from the Licensing Authority at least 2 working days before the hearing and must also have provided the name of the witness and a brief description of the points on which that person may be able to assist the authority in relation to their application, representations or notice. Any application to call a witness where the party has not given 2 working days' notice will be considered by the Panel at the beginning of the hearing and permission will not be unreasonably withheld.

Each party will have the same amount of time in which to address the Panel, each party will have up to 60 minutes to address the authority and give any further information (which must be relevant to that party's or another party's application or representation). Where any party considers this time to be insufficient then, a request in writing may be made to the Constitutional Services Officer for an extension of time at least two working days before the hearing; however this will not automatically be granted, and will be at the discretion of the Panel.

Any person behaving in a disruptive manner will be asked to leave the hearing, however, if this occurs that person will be entitled to submit in writing any information they would have been entitled to give orally.

The Authority will provide a record of the hearing in a permanent and intelligible form and keep it for 6 years from the date of determination or disposal of any Appeal.

Members are advised that they are making decisions in a quasi-judicial manner. As such, they have a duty to view all evidence presented before them impartially. Members must disregard any information given by a party which is not relevant to the promotion of the licensing objectives. The Panel is not bound by the formal rules of evidence. Nevertheless, Members must carry out their duty placing what weight they feel is appropriate given the nature of the evidence and the manner in which it was obtained, and communicated.

4.2 The representations received were served upon the applicant as required by the Act..

4.3 It should also be noted that, following consultation with Environmental Health, their representation was withdrawn after the applicant agreed to incorporate the following amendments to the requested hours.

The applicant and Environmental Health agreed to the following hours:

Activity	Indoors / Outdoors	Hours

--	--	--

4.4 The amended hours were circulated to the representors; however, they confirmed that they wished their representations to remain for consideration.

5. Licensing Policy

5.1 Members considering this application should take note of the Authority's Licensing Policy Statement. Attention should be drawn to page 7, Prevention of Crime and Disorder, and page 11, Public Safety, and page 13, Prevention of Public Nuisance and page 15, Protection of Children from Harm.

5.2 In relation to 'Public Nuisance' the following paragraph(s) provide:-

"When addressing public nuisance, the applicant should initially identify any particular issues (having regard to their particular type of premises and/or activities), which are likely to adversely affect the promotion of the public nuisance objective. Such steps as are required to deal with these identified issues should be included within the applicants operating schedule."

"If relevant representations are received, the Authority may impose conditions to prevent nuisance, noise, disturbance, light pollution, noxious smells, vermin and pest infestations and accumulations of rubbish and litter."

5.2 A full copy of the Councils Licensing Policy Statement will be available at the hearing.

6. Secretary of State's Guidance

6.1 Members also need to consider statutory guidance issued, by the Secretary of State, under Section 182 of the Licensing Act 2003 (February 2025).

6.2 Chapter 2 of the guidelines deals with the Licensing Objectives and potential measures licence holders, and the licensing authority should consider so they are not being undermined.

In relation to 'Crime & Disorder' the following paragraph(s) provide:

Licensing authorities should look to the police as the main source of advice on crime and disorder. They should also seek to involve the local Community Safety Partnership (CSP).

Conditions should be targeted on deterrence and preventing crime and disorder...For example, where there is good reason to suppose that disorder may take place, the presence of closed-circuit television (CCTV) cameras both inside and immediately outside the premises can actively deter disorder, nuisance, anti-social behaviour and crime generally. Some licence holders may wish to have cameras on their premises for the prevention of crime directed against the business itself, its staff, or its customers. But any condition may require a broader approach, and it may be appropriate to ensure that the precise location of cameras is set out on plans to ensure that certain areas are properly covered and there is no subsequent dispute over the terms of the condition.

In relation to 'Public Safety', the following paragraphs provide:-

Licence holders have a responsibility to ensure the safety of those using their premises, as a part of their duties under the 2003 Act. This concerns the safety of

people using the relevant premises rather than public health which is addressed in other legislation. Physical safety includes the prevention of accidents and injuries and other immediate harms that can result from alcohol consumption such as unconsciousness or alcohol poisoning. Conditions relating to public safety may also promote the crime and disorder objective as noted above. There will of course be occasions when a public safety condition could incidentally benefit a person's health more generally, but it should not be the purpose of the condition as this would be outside the licensing authority's powers (be ultra vires) under the 2003 Act. Conditions should not be imposed on a premises licence or club premises certificate which relate to cleanliness or hygiene.

The measures that are appropriate to promote public safety will vary between premises and the matters listed above may not apply in all cases. As set out in Chapter 8 (8.38-8.46), applicants should consider when making their application which steps it is appropriate to take to promote the public safety objective and demonstrate how they achieve that.

In relation to 'Public Nuisance', the following paragraphs provide:-

Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive periods. In certain circumstances, conditions relating to noise emanating from the premises may also be appropriate to address any disturbance anticipated as customers enter and leave.

Beyond the immediate area surrounding the premises, these are matters for the personal responsibility of individuals under the law. An individual who engages in anti-social behaviour is accountable in their own right.

In relation to 'Protecting of children from harm', the following paragraphs provide:-

The protection of children from harm includes the protection of children from moral, psychological, and physical harm. This includes not only protecting children from the harms associated directly with alcohol consumption but also wider harms such as exposure to strong language and sexual expletives (for example, in the context of exposure to certain films or adult entertainment). Licensing authorities must also consider the need to protect children from sexual exploitation when undertaking licensing functions.

Licensing authorities and responsible authorities should expect applicants, when preparing an operating schedule or club operating schedule, to set out the steps to be taken to protect children from harm when on the premises.

6.3 A full copy of the guidelines will be available at the hearing.

7. Options

7.1 When determining the application Members, having had regard to the representations, may take such steps as they consider appropriate for the promotion of the licensing objectives. The steps available to Members are:

- a. Grant the application as applied
- b. Grant the application but modify the operating schedule in relation to hours, days, conditions, or activities
- c. Reject the application

7.2 Any steps appropriate to promote the licensing objectives should be specified. If no steps are appropriate and proportionate, no action should be taken.

7.3 In arriving at a decision Members must have regard to the relevant provisions of national guidance and the licensing policy statement and reasons must be given for any departure.

7.4 The decision should be based on the individual merits of the application.

8. Consultation

8.1 Consultation in accordance with the Act has taken place with all responsible bodies and notice has been given to allow for any representations from interested parties.

The premises is approximately 10 metres from housing at the side and 28 metres from houses directly facing, if the premises is open to 2.00am there is every chance that residents in these homes could be affected by noise from customers visiting the premises. This noise includes car engines, car doors slamming and music from car stereos. Although Ashton Road is quite busy, from midnight onwards the noise of this road will die down, just as residents are sleeping and so noise from customers using the takeaway is likely to disturb them on occasions. I have spoken to Usman Ali and he has stated he will not want to open until 2.00am most Fridays, Saturdays and Sundays but would like to during Ramadan. He said the rest of the year he is happy to close everyday at midnight. He has emailed to confirm this, see attached. I would have no objection if the premises was open everyday until midnight except during the Ramadan periods where it could open until 2.00am.

TO ADJUST OR RESITE THE SPOT LIGHTS TO FACE THE MAIN BUILDING, RATHER THAN POINTING DIRECTLY INTO RESIDENTS PROPERTIES.

Whilst this business (Dessert Point) has been in operation we have noticed significantly more vehicles and noise associated with the premises.

In addition to this the constant blaring of spotlights (which face the residents opposite the premises) during and after business hours.

All the above details make it very difficult for residents in the locality to relax and sleep peacefully.

CLAIRE TURNER

796 Ashton Road, Oldham, OL8 3HS

08.05.26

For the Attention of the Licensing Department, Oldham Council.

Dear Licensing Team,

I am writing in relation to the application to change the use of the following business premises:

Dessert Point, 793 Ashton Road, Oldham, OL8 2JR.

This business is situated directly opposite my home. I understand that the applicant is seeking permission to operate as a late-night takeaway selling hot food, with proposed opening hours extending until midnight Monday to Thursday and until 2:00am Friday to Sunday.

I would like to formally object to this application due to the negative impact it is likely to have on the residential amenity of the surrounding area and on the wellbeing of nearby residents.

Even under the business's current operation, my neighbours and I have already experienced ongoing disturbances, including:

Bright floodlights shining directly into our homes;

Vehicles pulling up outside with engines idling or revving while collecting orders;

Noise from customers, including loud conversations and music late into the evening.

Extending the operating hours into the early hours of the morning would inevitably increase these issues and further disrupt the peace and quiet of what is primarily a residential area.

In addition, I have serious concerns regarding the following:

Litter and waste disposal: There are already ongoing issues with litter associated with the nearby car wash on the same plot, with rubbish frequently ending up in neighbouring front gardens. I am concerned that a late-night takeaway will significantly increase food packaging waste and littering in the area. I would ask whether a proper waste management and food disposal plan is in place, including arrangements to prevent vermin or rodent infestations.

Cooking odours and ventilation: I would also like clarification on whether an adequate extraction and ventilation system has been installed to prevent cooking smells from affecting nearby residential properties. Residents should not have to endure persistent food odours entering their homes.

Whilst Ashton Road is a main road, when I purchased my home in 2019 it was generally quiet outside of normal rush hour periods. Since Dessert Point began operating, there has already been a noticeable increase in noise and disturbance. Extending the business into a late-night takeaway would, in my view, significantly worsen the situation and negatively affect residents' quality of life.

I respectfully ask that these concerns are taken fully into consideration when determining this application, particularly the impact on neighbouring residents and the potential for public nuisance.

Yours faithfully,

Miss Claire Turner

Subject: Objection to Proposed Late-Night Takeaway at; Ashton Rd, Bardsley (opp Coal Pit Lane)

Dear Sir/Madam,

I am writing to formally object to the proposal to open a late-night takeaway/restaurant at the car wash site opposite my home.

I am 88 years old and have lived in my property for almost ~~50~~ ⁶³ years. During this time, I have seen the car wash change ownership several times. In recent years, part of the site was changed into a small coffee area for customers waiting for their cars. While this had some impact, it was still manageable.

However, the proposal to turn this into a late-night takeaway is very concerning for me and many of my neighbours.

Firstly, I am concerned that residents have not been given a proper opportunity to object through a formal planning process. This type of business is very different from what has been there before and will significantly affect the local area.

There are already ongoing issues at the site. The floodlights are very bright and shine directly towards nearby homes, including my bedroom. This is already disturbing, especially at night.

In addition, the behaviour of some drivers using the site is worrying. Cars often approach at speed and do not always follow the rules of the road. There is also noise from loud music, shouting, and general disturbance from drivers and passengers, particularly in the evenings.

At my age, I need a quiet and peaceful environment. I often do not go to bed until around 11:30 pm to midnight, and the current levels of noise already affect my rest. If this becomes a late-night takeaway, I fear the noise, traffic, and disturbance will increase significantly and continue into the early hours.

This is not fair on myself or the other residents who live nearby. We strongly feel that this type of development is not suitable for this area and does not meet the needs of the community.

I respectfully ask that you take these concerns into full consideration and refuse any application or permission for this change of use.

Thank you for your time and attention to this matter.

Yours faithfully,

June McGiffen

The Licensing Act 2003

Interested Party Representation Form

The Licensing Act 2003 (the act) makes local authorities responsible for the licensing of pubs, clubs, theatres, cinemas, restaurants, takeaways and so on. Some premises may apply to extend their hours or add some form of regulated entertainment and this is where interested parties can have their say by making relevant representations and objecting to the proposals.

Interested parties

As well as Responsible Authorities, any other person can play a role in a number of licensing processes under the 2003 Act. This includes any individual, body or business entitled to make representations to licensing authorities in relation to application for the grant, variation, minor variation or review of premises licences and club premises certificates, regardless of their geographical proximity to the premises. Any representations made by these persons must be 'relevant'. For a representation to be relevant it must:

- relate to the likely effect of the grant of the licence on the promotion of the licensing objectives
- be made by an interested party or responsible authority
- not have been withdrawn
- not be 'frivolous' or 'vexatious' or, in the case of a review, 'repetitious' if made by an interested party

In the case of variation applications, the representation must be confined to the subject matter of the variation.

What are the Licensing Objectives?

- **The prevention of crime and disorder**

(Examples of representations relevant to this objective are illegal drugs, sex related activities, violent behaviour, anti-social behaviour, drunkenness, drug dealing, underage selling, however, guidance issued under Section 182 of the Act states that beyond the immediate area surrounding the premises are matters for the personal responsibility of individuals under the law)

- **Public safety**

(Examples of representations relevant to this objective are lack of adequate lighting, unauthorised alterations to property and so on)

- **The prevention of public nuisance**

(Examples of representations relevant to this objective are noise nuisance, noxious smells, anti-social behaviour, litter in the vicinity and so on)

- **The protection of children from harm**

(Examples of representations relevant to this objective are underage selling, sexual activities, access to premises, drugs use and so on)

The Section 182 Guidance is a valuable source of information that interested parties may wish to consult when considering making a representation and can be found online on this link: <https://www.gov.uk/government/publications/explanatory-memorandum-revised-guidance-issued-under-s-182-of-licensing-act-2003>

We strongly disagree to the extended business hour's put forward for Dessert Point.

Monday to Thursday 6pm to 12am,

Friday to Sunday 6pm to 2am ,

For the sale of hot food. There are enough hot food restaurants and takeaway establishments on Ashton rd None of which have residencies has close as this.

Our concerns are the amount of cars Coming and going Car doors slamming, head lights shining , and loud music, Coming from the vehicles.

We already have an issue with the lights over the outlet,s Doors which we feel are unnecessary, and are bright enough to light up the bedroom's of opposite residencies and in some cases preventing people from sleeping, this matter needs addressing immediately and I have spoken to Mr Paul Bailey about it

We have lived in our property for forty three years now we always knew there would be traffic noise living on a main rd but since the car wash opened some years back we have had to put up with so much more seven days a week .

But at least that shuts down at six pm and we have some rest bite but this isn't the case anymore because has the car wash closes Dessert Point opens, and they want to stay open till 2am

We feel this is unacceptable to the residents living close by And some of us have to get up for work ourselves

Just because we live on a main rd doesn't mean we don't deserve a certain quality of life.

When making your decision we hope you will take our concerns seriously it will affect our wellbeing .
