**Purpose**  
 The fund is made up of 2 trusts re Archer & Marjorie Tate fund and are

awarded to students who live in Oldham to develop their musical skills, either within the borough of Oldham or at a full time Music Conservatories or other full time higher education establishments. These awards are made to assist with the costs associated with students intending on pursuing a career in music.

#### **Benefits to Council**

The fund was given to the Council to help students and their musical aspirations and has been going for quite a few years. The costs associated with pursuing a career in music are very high and this award does make a difference to the students who apply. The interest it accumulates currently is not sufficient to keep the balance topped up and at some point in the future, it is anticipated that the monies will reduce so that no further awards will be able to be paid.

#### **Commitment**

The committee meets once a year usually August time at the Lyceum, when each application is discussed and awards allocated. The decisions made are by the Councillors on the committee.

#### **Attendance – Requirement**

#### **Purpose**

Constituted to consider applications received for financial assistance from the Co-operative Oldham Fund. The Panel will advise on the allocation of funds, with the decision on grant applications to be formally made by VAO.

#### **Benefits to Council**

There are significant benefits of maintaining a strategic relationship with Action Together as an important and valued partner in Oldham. This relationship is not limited to the Action Oldham Fund Advisory Panel, with a range of partnership working taking place with and alongside Action Together. It is helpful for an Elected Member to be involved closely in the panel, in respect of their role as a local leader and to feed in and communicate key messages. This also ensures that important local activity is shared and disseminated more widely.

#### **Commitment**

At least one meeting annually. Total number may depend on the number of applications for grants.

#### **Financial Commitment (if any)**

The Council contributed over £1m from dormant trust funds to Action Together in setting up the Action Oldham Fund as a sustainable fund back in 2013, part of which has been administered through the panel and awarded to local groups as grants in return for key activity and action across Oldham
