Dear Dr Wilkins

### **Climate Change Emergency**

Many thanks for your letter of 16 September 2019.

Bury Council resolved to declare a climate emergency at their full meeting on 10 July 2019. Full Council also resolved to create a cross party, stakeholder panel to develop a Climate Emergency Strategic Plan and associated Delivery Plan; and to lobby the Government to provide additional powers and resources needed to meet the 2038 target.

I wholeheartedly support Oldham Council's Climate Emergency declaration and the Council's ambition to become carbon-neutral and requesting of central government the powers and financial resources to enable the Council to become carbon-neutral. If there is any way Bury Council can support you with this please do get in touch.

Yours sincerely
