HSG-04-19	Local Plan: Oldham's Monitoring Report 2018/19	Director of Economy	December 2019	Cabinet Member - Housing (Cllr Hannah Roberts)
-----------	--	---------------------	---------------	--

Description: Under Regulation 34 and 35 of The Town and Country (Local Planning) (England) Regulations 2012 local planning authorities must make monitoring information available for inspection as soon as possible after the information becomes available. The Monitoring Report covers the previous financial year that is 1 April 2018 to 31 March 2019.

In line with the Regulations the Monitoring Report provides details on whether the council is meeting the milestones set out in the Local Development Scheme (LDS) for preparing the various Local Plan documents. Performance is monitored against the LDS that was in place at the start of the monitoring period. The Monitoring Report also monitors a range of planning indicators, such as housing, employment and biodiversity, which seek to assess the effectiveness of the council's land-use planning policies, and whether they are achieving their objectives and delivering sustainable development. This is our fifteenth Monitoring Report.

HSG-07-19	Strategic Housing Land Availability Assessment	Deputy Chief Executive – Helen Lockwood	December 2019	Cabinet Member - Housing (Cllr Hannah Roberts)
<p>Description: The SHLAA is a technical document identifying land that might have potential for housing at some stage in the future, as required by the National Planning Policy Framework (NPPF). This states that a housing assessment should be used to establish realistic assumptions about the suitability, availability and the likely achievability (economic viability) of land to meet the identified housing need. This then determines whether a site could form part of the housing land supply and, if so, when it is expected to be developed.</p> <p>As well as providing evidence for the housing land position, it will inform the review of the GMSF and Local Plan and provide data for the Brownfield Land Register. The base date of this SHLAA is the 1st April 2019 The last full SHLAA was carried out in 2018 and is reviewed annually, in line with monitoring of the wider Local Plan.</p> <p>The SHLAA also discusses the latest housing requirements and whether we can demonstrate that there is enough land in the five year housing land supply to meet these requirements.</p> <p>Document(s) to be considered in public or private: Strategic Housing Land Availability Assessment 2019 (Public)</p>

Document(s) to be considered in public or private: Draft SCI, and supporting EqIA. (Public)</p>				
HSG-09-19	Brownfield Land Register 2019	Deputy Chief Executive – Helen Lockwood	December 2019	Cabinet Member - Housing (Cllr Hannah Roberts)
<p>Description: The Town and Country Planning (Brownfield Land Register) Regulations came into force in April 2017 and require each local planning authority to prepare and maintain a Brownfield Land Register. This set a deadline for local authorities to publish their first register by 31st December 2017 and to ensure this was updated at least annually. This is our third update to the Brownfield Land Register and this report seeks approval for this update.</p> <p>The purpose of the register is to provide up-to-date and consistent information on previously developed land that the local authority considers to be appropriate for residential development. The register comprises of two parts: Part 1 includes all brownfield sites considered suitable for residential development and Part 2 is for sites which have been granted (planning) permission in principle.</p> <p>This report explains the process of preparing the Brownfield Register and sets out the implications for Oldham. As was the case in 2017 and 2018, it is recommended that no sites are proposed for permission in principle. Therefore, the Brownfield Register which is being sought for approval only includes Part 1 sites.</p> <p>Document(s) to be considered in public or private: Brownfield Land Register 2019 (Public)</p>
