Recommendations

Council is asked to note the contribution of Overview and Scrutiny during the 2019/20 Municipal Year.

1. What is Overview and Scrutiny?

1.1 All local authorities operating an executive form of governance must by law have an Overview and Scrutiny function. The function was introduced in the first instance by the Local Government Act 2000 and has been subject to legislative change and development over the years. The current principal legislative sources for overview and scrutiny functions and responsibilities are:

- Local Government Act 2000 (as amended) – powers for the overview and scrutiny function to:
 - Review or scrutinise decisions made, or other action taken, related to the discharge of any functions which are the responsibility of the Council's Executive.
 - Report or make recommendations to Council or the executive in respect of the discharge of any functions which are the responsibility of the executive.
 - Review or scrutinise decision made, other action taken, related to the discharge of any functions which are not the responsibility of the executive.
 - Report or make recommendations to Council or the executive in respect of the discharge of any function which is not the responsibility of the executive.
 - Report or make recommendations to Council or the executive on matters which affect the Council's area or residents of that area.
- Police and Justice Act 2006 – powers for the overview and scrutiny function to:
 - review or scrutinise decisions made, or other action taken, in connection with the discharge by those bodies responsible for crime and disorder strategies in the Borough of their crime and disorder functions;
 - to report or make recommendations to the Council with respect to the discharge of those crime and disorder functions.
- National Health Service Act 2006 (as amended) (and with specific reference to The Local Authority (Public Health, Health and Wellbeing Boards and Health Scrutiny) Regulations 2013) – the Council has powers, delegated to the Health Scrutiny Committee, to:
 - review or scrutinise any matter relating to the planning, provision and operation of the health service in the Borough area, including health related services of the local authority;
 - respond to a statutory consultation from an NHS body or a health service provider and, if considered appropriate and necessary, to report to the Secretary of State.

1.2 Overview and Scrutiny Committees therefore have the statutory powers to scrutinise those decisions that the Council's Executive is planning to take, those decisions it has taken but not yet implemented, and to review the effect of those decisions that have already been implemented. Overview and Scrutiny can also play a valuable role in developing policy. Recommendations following scrutiny considerations can enable improvements to be made to policies and how they are implemented.

1.3 Overview and Scrutiny bodies are made up of Elected Members (Councillors) who are not members of the Executive (or 'Cabinet') but who instead hold those Executive decision makers to account. The Overview and Scrutiny process is not political – it is driven by the interests of the residents of Oldham.

1.4 Overview and Scrutiny bodies cannot make decisions, but instead examine policies, decisions and areas of work in order to make recommendations to the Cabinet. It

acts as a “critical friend” to the Council and its partners around the decision-making process and uses informed debate and evidence to make its recommendations.

1.5 Scrutiny works to drive forward improvements to the Council’s policies, procedures and delivery.

1.6 There are three components of good scrutiny and good governance which are necessary in order for democracy at a local level to be participative - these are Accountability, Transparency and Involvement.

2 Policy Development

2.1 The key focus of overview and scrutiny work is to influence and develop policy. Overview and Scrutiny can do this through the following ways:

- Decision-Making Scrutiny - Holding the Executive to account is a key part of the Overview and Scrutiny role. This is done through receiving reports at Committee, Call-in and questioning of Cabinet Members at scrutiny meetings.
- Pre-Decision Input - Input on draft policies and strategies before they have been agreed by Cabinet or Council helps to ensure they are more robust and that a check and balance process is in place. It also provides an opportunity for cross party consensus to be developed on issues such as the Corporate Plan, Education Strategy and Council Tax Reduction Scheme. Overview and Scrutiny can act as a consultee in respect of such policies and potential new legislation.
- Monitor and Track Implementation of Recommendations - Ensuring that the views and contributions of Overview and Scrutiny have been considered when work is undertaken to improve services – an essential part of the scrutiny process.

2.2 Full Council may refer matters to Overview and Scrutiny for examination of the viability of implementing proposals contained in submitted Motions and the appropriate Committee will report back to the Council on their findings.

3.4 **Work Programmes**

Each Overview and Scrutiny Committee maintains a work programme for the Municipal Year and the Committee Chairs meet to review them on a regular basis. This allows for co-ordination of the work programmes, ensuring the best use of resources and avoiding duplication. The work programmes allow for flexibility within the wider overview and scrutiny function to accommodate any urgent and/or short-term issues that may arise.

Where Overview and Scrutiny has contributed in 2019/20

4.1 Overview and Scrutiny Board

4.1.1 Key Plans and Strategies

- a) Clean Air Update – The Board gave consideration to a report which advised on the key features on Greater Manchester’s (GM) feasibility study and the Clean Air Plan Outline Business Case for the reduction of nitrogen dioxide exceedances in Oldham and across Greater Manchester for submission to the Government’s Joint Clean Air Unit. Alongside the objectives of the Clean Air Plan was a co-ordinated GM approach to develop a common set of minimum licensing standards for taxis and private hire vehicles. The measures included a proposed Clean Taxi Fund. Members expressed concern as to how the fund would be supported without additional government support. Two issues were raised related to idling zones and the impact of the proposals on buses. Questions were asked related to engine idling in car ranks outside schools.

A second report was received later in the Municipal Year which provided an update on progress that had been made following the Government’s response to GM’s Outline Business Case to tackling nitrogen dioxide exceedances and statutory consultation. The Council had been developing the study collectively with the other nine GM authorities and GM Combined Authority (GMCA) coordinated by Transport for Greater Manchester (TfGM) in line with Government direction and guidance. Members sought and received clarification on EU standards, consultation format, fines for clean air zones, breaches of air quality and the timeline.

- b) Alexandra Park Eco-Centre and Northern Roots – The Board were advised of developments in respect of the projects which had been developed out of the co-operative borough ambition and developments in community growing, horticultural skills and training, renewable energy and the local food economy through a series of linked initiatives. The new Eco-Centre facility built upon and provided a place for a wider range of activities which included education, enterprises and community engagement. Northern Roots was a proposal to develop the UK’s largest urban farm and eco-park. Members sought and received clarification that retention and improvement of sports pitches remained part of the vision. A suggestion was made for an animal petting farm or similar venture. It was also suggested by members that the establishment of mini-hubs in communities might be considered as a spin-off activity. It was proposed that Board members make a site visit. This took place on 15 June 2019.

The Board received a further update in the Municipal Year regarding technical options. Members sought and received clarification on accessibility and public transport links, the Biomass unit, rainwater harvesting from the lake, revenue and green waste capacity. Members also sought and received clarification on communications and advertising of the project and how success would be measured.

- c) Thriving Communities and Placed Based Integration – The Board were provided updates through the Municipal Year. Members recommended further discussion between members, district teams and placed based teams to share information.

- d) Oldham Work and Skills Strategy – The Board were provided with an update on the progress related to the key components of the Work and Skills Strategy. The Strategy sought to improve population skills outcomes which supported Oldham's strategic goals. The strategy was organised around four strategic goals supported by a new outcomes framework for work and skills. The strategy would complement the new regeneration framework by focussing particularly on 'social regeneration' objectives and a developed shared ownership across all partners and providers. The Board queried the increase in no-education qualification, what was being done about long-term unemployment and work in terms of apprenticeships. Members also queried the low take up on the advanced learning strategy, performance data and the Area Based Review. Members were informed that the GM2040 Delivery Plan was being refreshed in response to changes in the transport opportunities and challenges which faced GM, such as the declaration by GMCA of a Climate Emergency, the development of the GM Spatial Framework and the GM Mayor's priorities. Members noted the

breadth of the pledges and for them to be incorporated into future Board Work Programmes.

Members were reminded of the establishment of Oldham Community Power. The Council had won the national Community Energy Local Authority Award in 2018. The Children and Social Work Act 2017 had introduced a new duty on local authorities to provide Personal Adviser Support to all care leavers up to the age of 25 years. The Greater Manchester Care Leavers Trust also worked to develop a ‘core offer’ across GM. Members queried and received information on assistance for those who were unable to live on their own or lacked a support network. Members also received information related to the financial implications of the provision. The Board endorsed the proposals.

During 2018/19 the Council had 80 cases reviewed by the LGO of which only 17.5% were investigated and 12.5% upheld. The low number of cases reviewed by the LGO, and ultimately investigated, suggested that the Council was willing to take responsibility when things went wrong and work with residents to resolve the issue appropriately. The Council was undertaking a root and branch review of the service. Members sought and received clarification on the nature of complaints.

The Children and Social Work Act 2017 required the local authority, police and local CCG to implement new arrangements by 29 September 2019.
