PART B - ONE OFF MEETINGS, WORKSHOPS AND TASK AND FINISH GROUPS

The Committee is asked to note the following proposed and progressing workshop and task and finish groups and consider progression/prioritisation of the issues at a future meeting as resources permit.

	Over the Counter Medicines Review	Task and Finish Group.		Issue identified by Committee, March 2019. An initial scoping meeting convened but cancelled. The issue and possible scheduling would need to be further discussed with the CCG before seeking confirmation of progression from the Committee.
	Continuing Healthcare – Equality and Choice Policy	Following a workshop in October 2019, to receive detailed information regarding complex cases (demographic profile, types of care being provided, budget information) and a summary of consultation findings, to hold a further workshop to receive the results of the consultation and implementation of the newly commissioned service	Helen Ramsden, Interim Assistant Director of Joint Commissioning	Planned consultation through community groups was unable to proceed and the issue will need to be picked up as part of the recovery plans. Current priorities are at an operational level, working through the relocation of staff as they have been supporting other nursing priorities and then catching up with those who may have been Continuing Health Care eligible through this period, once the pausing of activity (via a national directive) is lifted. An

				updated timescale will be provided in due course.
	Infant Mortality and Child Death	Task and Finish Group		Raised as an issue of concern from the Oldham in Profile, Business Intelligence Report April 2019 - Children and Young People's Health and Lifestyle: Rates of infant mortality (under 1 year old) are higher than national levels (6.2 per 1,000 for Oldham, 3.9 per 1,000 for England).

	Sexual Health Integrated Service	Tri-borough (Oldham, Rochdale and Bury) contract re-tender	Katrina Stephens Director of Public Health Andrea Entwistle, Public Health Business and Strategy Manager	It has been proposed to delay the retender for 12 months. 	Greater Manchester Fire and Rescue Service	To outline the current performance, position and initiatives of GMFRS in the Oldham area.	Val Hussain, Borough Manager: Bury, Oldham & Rochdale, GMFRS	If the Committee is minded to consider this topic, it is suggested that the presentation focus be on the contributions of GMFRS to health and scheduling be undertaken in consultation with GMFRS.

	Royal Oldham Hospital within the Northern Care Alliance	The Committee held a workshop in October 2019 considering the 'Transaction Programme' in respect of proposed NHS Acute Trust re-organisation in the North-East Sector. The project changed direction, the issue put on hold meaning there was no update to provide. However, the Committee might wish to receive an update on Acute Trust arrangements in the North East sector.
	Covid-19	The Covid-19 pandemic has raised many issues across the health and social care sectors and highlighted health inequalities that the Committee might wish to consider. While a Joint Scrutiny Committee is considering the local response of the Council and partners to the pandemic, there may be issues arising for the specific consideration of the Committee over the coming year.
