Comment

A review of achieve-ability against corporate performance measures was undertaken in May to identify the impact of Covid-19 on reporting. This resulted in 23 Corporate Performance measures being temporarily suspended, 5 measures no longer reported corporately and replaced with 8 new measures. See appendix VI for further details. A number of actions continue to be impacted by Covid which are highlighted in the report.

Corporate Objective 1 : An inclusive economy where people and enterprise thrive										
DA113	 Engagement with GMHSP(Health and Social Care Partnership) for the tender for Supported Employment Service and enable local improvement of employment of people with Learning Disabilities, Autism and Mental Health		Jayne Ratcliffe	Cllr Z Chauhan	13/7/2020	31/3/2020	1/4/2021	 This piece of work is due to start 1st August- this has been postponed from 1st April owing to Covid.	Mark Warren	15/7/2020
DC100	 Support Oldham Education Partnership Board in prioritising all the recommendations of Education & Skills Commission		Adrian Calvert	Cllr S Mushtaq	30/6/2020	31/3/2020	30/9/2020	 All of the work of the Oldham Education Partnership, Local Authority and Opportunity Area is integrated to ensure that priorities are met in a cohesive manner to ensure the best outcomes for the children and young people in Oldham. The exact work will have to be refocused due to the Covid-19 situation and this will be reviewed in due course.	Gerard Jones	22/7/2020
DC101	 Focus on raising standards in reading writing, maths and phonics to level up educational outcomes at the end of all key stages		Adrian Calvert	Cllr S Mushtaq	30/6/2020	31/3/2020	30/9/2020	 A range of projects have been in place working with the Local Authority, Oldham Education Partnership and Oldham Opportunity Area. Outcomes for summer 2019 were positive. Given the current Covid-19 situation we will not receive data for 2020.	Gerard Jones	22/7/2020
DC105	 Invest £37 million in new primary and secondary school facilities in order to meet demands on projected pupil need.		Andy Collinge	Cllr S Mushtaq	9/7/2020	31/3/2020	1/4/2024	 A comprehensive programme of investment in additional school places continues at pace and further plans are being formulated to enhance the offer to parents and meet our statutory obligations to provide sufficient school places and offer parents a choice of good school places. DC111	Ensure all children are school ready when they are due to start school	Paula Healey	Cllr E Moores	10/7/2020	31/3/2020	30/9/2020	Schools and settings closed on 23 March 2020 owing to Covid-19. This is likely to have some longer term impact on our target to match school readiness by 2021 owing to potential gaps in learning and support that would have otherwise been in place.	Gerard Jones	22/7/2020
DC155	Get Oldham Working to engage with 6,000 residents and fill 5,000 new employment-related opportunities by 2020	Jon Bloor	Cllr S Fielding	14/4/2020	31/3/2020	31/3/2020	Since April 2016 the GOW phase 2 programme has filled 5,034 work related opportunities (against a target of 4,061). This consisted of 3,642 jobs, 117 traineeships, 606 apprenticeships & 669 Work experience placements. The programme has therefore achieved the target set 9 months early. It has been enhanced by £2.5m external funding.	Gerard Jones	30/4/2020
DC156	Encourage 'In work' progression to help at least 400 residents gain new skills so they can gain promotions up the career ladder (Career Advancement Service)	Jon Bloor	Cllr S Fielding	28/4/2020	31/3/2020	30/6/2020	Work is currently ongoing to review this programme. It has achieved significant uplift in salary levels for programme attendees. Funding ended March 2020 - work is ongoing to secure external funds.	Gerard Jones	30/4/2020
DC157	Fight for a Fair Employment borough, and lead the way as a GM Good Employment Charter member	Jon Bloor	Cllr S Fielding	28/4/2020	31/3/2020	30/6/2020	The Council is working towards signing the GM Good Employer Charter. It is also supporting this initiative with promotion via Growth Company and the Council Business Growth and Investment team.	Gerard Jones	30/4/2020
DC191	Explore options to support parents as co-educators, strengthening the partnership between council, schools and parents	Tony Shepherd	Cllr S Mushtaq	7/7/2020	31/3/2020	30/6/2020	Engagement through PCF, POINT and updates to the Local Offer. Co-production with partners has, and will continue to take place into the future as part of the SEND Strategy.	Gerard Jones	22/7/2020
DC193	Improve support for schools recruiting governors, particularly from underrepresented communities	Andy Collinge	Cllr S Mushtaq	9/7/2020	31/3/2020	1/4/2021	We continue to look at innovative ways to widen uptake of Governor vacancies across all communities in Oldham.	Gerard Jones	22/7/2020

Follow-up Action

Due to Covid-19 we temporarily moved to weekly refuse collection only, this ensured that we maintained a collection of the most essential waste produced. This was on the back of reduced staffing numbers and the need to protect those staff in work. This affected our recycling rate significantly. We have since reintroduced recycling but with a reduced organic collection scheme (three weekly from weekly) the recycling rate is a result of the initial changes combined with the ongoing 3 weekly organic cycle, however it remains the case that we are unlikely to meet our target for some time due to the revised organic collection schedules in place.

Whilst safety of our staff remains the priority we are currently examining opportunities to increase the number of operatives that can travel in the refuse collection vehicles and enable the return to a weekly organic waste collection.

Current position: Performance has improved by 10% over the past month to 51% - this is still below our target of 60% however indicates significant progression. Changes to lockdown has seen young people return back to work which is encouraging. There has been a concentrated effort to ensure data is recorded accurately but also more frequently. We have also implemented a change to how the data is recorded to streamline the process for the workforce.

Actions: Work is continuing to raise the profile in respect of the EET agenda and we are moving forward with our service plan to identify an EET champion to bring detailed focus on improvement, create a reporting tracker to monitor performance, introduce NEET action plans for individual young people and develop an EET strategy.

Director Assurance

Elaine Devaney

We are progressing the EET monitoring meeting with partners to support young people aged 19-21 into Education, Employment and Training. In September colleges will join the group to understand and strengthen the offer further. There continues to be a significant impact on young people due to Covid and the availability of opportunities. Some development work will commence in September to review how the council supports Care Leavers in relation to employment, training and apprenticeships.

Actual for June is 3.7%. Positive Steps continue to work hard to engage, support and facilitate a return to a positive EET destination for this group of young people, for the remainder of this academic year but also to encourage Participation from Sept.

The virtual offer has been mapped out for young people who are exploring their options. We expect to see an increase in NEET as young people find out if their employment is still available to them. A variety of activities around transition, engagement, employer led careers workshops and changes to reporting systems with FE settings are in place for the summer and new term which will hopefully help to buffer any negative impacts of the economic position and ensure that young people have an opportunity to engage and maintain positive wellbeing.

NEET Performance in the year until March had been positive in relation to the target, the unknown rate is also performing better than national average which indicates that we have less young people not known to the PS IAG service. The consequent increase in Apr–Jun shows the impact of Covid on employment and Training opportunities.

Current position: Performance has improved again this month and is currently standing at 482.2 days, and whilst this remains above our target we are now performing below our statistical neighbours (486 days) which is positive. Performance is likely to fluctuate over the next couple of months as we continue to support children through the adoption process. A small number of children have been adopted over the past month all within timescale which has impacted positively, however there are still individual cases where timescales have been exceeded which will lead to further fluctuation. The tracking and monitoring of all cases continues to develop and become imbedded into practice.

Actions: The detailed work continues within the service with the focus on early permanence becoming embedded as “business as usual”. We have recruited a permanence strategic lead to work across all service areas to ensure systems are robust to avoid drift and delay to deliver best practice so that children are placed with their ‘forever family’ in a timely manner.

Director Assurance

Elaine Devaney

The permanence planning for some children in care for a long period has left the service with legacy issues. We are addressing pathway planning yet there are no quick solutions as children move through the court process. Small numbers of children are going through Adoption, so the performance figure is impacted by very few going over timescale. Robust tracking processes are now in place in Mosaic and monitored weekly. We are scrutinising processes throughout the child’s journey to permanence.

Accountable Lead Follow Up Action

Claims for Council Tax Reduction have increased significantly since lockdown. Overall volumes of post into the benefit service increased by 59% by the end of June 2020 (29,231 compared with 16,484 over the period April to June 2019) and the Council estimates that the working age Council Tax Reduction caseload could increase by 25% over the course of the year. At the same time as this increase in demand, remote access to core benefit processing systems has reduced productivity in lockdown by an estimated 20% but is steadily improving as a result of on-going work by ICT to strengthen the ability to home work. This includes the current pilot testing of a new online platform for accessing the Revenues and Benefits system. To help address the demand and backlog, the service has already recruited 2.5 fte agency staff to augment the resources available to process Council Tax Reduction (CTR) claims and has redeployed 2 staff from other teams to support activity in this priority area. Overtime has also been offered to Revenues and Benefit staff to tackle the outstanding post for both Council Tax and CTR and this has increased resourcing in this area equivalent to 3.5FTE. Further work to assess likely resources to cover the demand for the medium term is underway.

There are area combination of factors which have led to this variance to target performance, all of which are caused by the impact of the pandemic. Action is being taken to address these issues including the engagement of additional staffing resource, however, this remains an area of concern. There is close liaison with Unity team to monitor the position and agree any further actions that may be required to improve performance.
