M- Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 11)

[The information provided in this box is solely for information only and not intended to be converted into conditions on the Licence]

The proposed change to the layout incorporates the conversion of the existing rear car park into an additional customer outside seating area, and the creation of an external permanent bar servery. The area is to be included within the licensed area for the sale of alcohol. We are seeking this in order to take the pressure off the main bar servery inside the premises at peak trading times, to facilitate social distancing, and to create a better customer experience.

Given the existing conditions on the licence, no additional conditions are considered appropriate or necessary, however the application may be amended during the application period to reflect any agreements that may be reached with the responsible authorities and other parties.

b) The prevention of crime and disorder

c) Public safety

d) The prevention of public nuisance

e) The protection of children from harm

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
