Shaw Oldham OL2 8QB

Re Shaw Cricket Club - Alcohol Licence application
dated the 15/7/21

I write to advise that I strongly object to the
above application.

A few reasons why -

1) Public Nuisance

Road safety - cars either park on both sides of the
road - blocking drive ways

^{or}
Park - park on the footpaths and residents (including
children) have to walk in the road

Since lockdown eased there's more litter, empty
beer bottles, broken glasses, cans left on walls or
on the road side.

2) Noise at night

Car doors banging, taxis wizzing past, beaming
headlights into bedrooms - unable to have windows
open at nights

These disturbances effect people's mental health.

All the above points both 1+2 above exist NOW
but will uncrease if the extended Licensing
is passed.

I am aged 80 and lived in my house for 25 yrs
and are deeply concerned about the effects
on both my health and safety this will bring.
