I am contacting you with regards to the extension of hours to shaw cricket club.

I have been a member up at the club for around 5 years and visit the club regularly with my family.

In recent years the club has undergone much work to improve its facilities and provide a fantastic function room for the local community to enjoy, the extension of hours is much needed to ensure that the facilities are being used and can be booked for functions that will bring some much needed money back into a local club.

Many thanks

Kimberley Barry
