Licensing Objectives

The Prevention of Crime & Disorder

Please state the reasons you believe granting the application will undermine this objective

The applicant has been involved in sales of counterfeit & illicit tobacco whereby Trading Standards have seized a large quantity whilst in MOHAMMED'S possession twice.

MOHAMMED has received a warning from trading standards once and has since carried on selling illicit tobacco. With this information, I feel that MOHAMMED will continue to be reckless and given the opportunity he will commit further crime by selling illicit tobacco illegally by ignoring trading standards advice.

Having regard to the above it is likely, in my opinion, that the applicant will have disregard for the licensing objectives in relation to the sale of alcohol and the regulatory regime that supports it and further offences may be committed.

Given the crimes Mohammed has been involved in and to PREVENT any further crime, the police support the concerns raised by Trading Standards and recommend this application be refused.
