
DISPERSAL POLICY
AVRO FOOTBALL CLUB

The purpose of this Dispersal Policy is to ensure, so far as it is possible, that minimum disturbance or nuisance is caused to our neighbours and to ensure that the operation of the premises makes the minimum impact upon the neighbourhood in relation to potential nuisance and anti-social behaviour. This will be achieved by exercising pro-active measures towards and at the end of the evening.

By ensuring that this Dispersal Policy document is brought to the attention of Management and Staff we will seek to encourage the efficient, controlled and safe dispersal of our patrons during our closing period.

1. At the end of the evening management and staff will assist with the orderly and gradual dispersal of patrons.
2. The DPS or a representative must ensure that customers are encouraged to keep noise to a minimum when leaving the premises. They must ensure customers are dispersed in an appropriate manner after closing time and discourage them from remaining in the vicinity of the premises.
3. Notices will be displayed in a prominent place at each entry/exit point requesting our customers to leave quietly and in an orderly manner out of consideration to neighbours and their attention will be drawn to these notices by members of staff.
4. A suitable member of staff or door supervisor shall monitor the dispersal of customers to ensure that patrons do not contribute to anti-social behaviour in the vicinity. They will also ensure that no glassware leaves the premises from either bar area.
5. We will ensure the removal of all bottles and drinking receptacles from any patron before exiting the premises (this does not apply in the case of consumption in any delineated external drinking area.)
