PART 4G – CONTRACT PROCEDURE RULES

Note: All references to Council posts in these Contract Procedure Rules shall be read as a reference to the equivalent post at the relevant point in time

1. APPLICATION/COMPLIANCE WITH CONTRACT PROCEDURE RULES

- 1.1 These Contract Procedure Rules are made under Section 135 of the Local Government Act 1972 and apply to all Contracts and Call-Off Contracts for the procurement of Supplies, Works, Services or Concessions made in the name of the Council.
- 1.2 Where in these Rules “the Council” is referred to, the term shall include the reference to School Governing Bodies by virtue of the Scheme for Financing Schools, the Unity Partnership Limited and the Miocare Group. For the avoidance of doubt, in instances of pooled funds arrangements made under section 75 of the National Health Service Act 2006 and the NHS Bodies and Local Authorities Partnership Arrangements Regulations 2000 the lead commissioning organisation’s rules will take precedence.
- 1.3 Every Contract and Call-Off Contract entered into by the Council shall be entered into pursuant to or in connection with the Council’s functions and shall comply with:
 - 1.3.1 all relevant statutory legislation and provisions and in particular the Procurement Regulations and any relevant case law;
 - 1.3.2 the Council’s Constitution including these Contract Procedure Rules, the Council’s Financial Procedure Rules and the Officer and the Executive Member Scheme of Delegation; and
 - 1.3.3 the Council’s strategic objectives and policies including, amongst others, the Corporate Plan.
- 1.4 These Contract Procedure Rules apply to all Contracts and Call-Off Contracts awarded by the Council for Supplies, Works, Services or Concessions, regardless of the source of funding for the Contract or Call-Off Contract. They apply to procurement by any form of official Council purchase order and equally to Contracts and Call-Off Contracts awarded by any person, firm or body on the Council’s behalf.
- 1.5 No Contract or Call-Off Contract shall be entered into unless those relevant officers specified in the Scheme of Delegation at Part 3 of the Council’s Constitution are satisfied that there is adequate budget provision and all necessary consents to the expenditure have been obtained.
- 1.6 Where a Contract or Call-Off Contract involves the making of a Key Decision as defined in Part 2, Article 14.3.2 -14.3.3 of the Constitution, those relevant officers specified in the Scheme of Delegation at Part 3 of the Council’s Constitution shall ensure that the Director of Legal Services and the Director

of Finance are consulted throughout the procurement process.

- 1.7 It shall be a condition of any Contract or Call-Off Contract between the Council and any persons (not being Officers of the Council) who are required to supervise a Contract or Call-Off Contract on the Council's behalf, that in relation to such Contract or Call-Off Contract, those persons shall comply with the requirements of these Contract Procedure Rules as if they were Officers of the Council.
- 1.8 These Contract Procedure Rules shall not apply to:
 - 1.8.1 Contracts of employment.
 - 1.8.2 Contracts for direct payments or for personal social or health care or educational need where neither a quotation or tender procedure are, in the opinion of the Deputy Chief Executive, or Managing Director (following consultation with Director of Legal Services) viable methods of procurement in the circumstances.
 - 1.8.3 Contracts for the purchase or sale of land or securities, or Contracts for the taking or granting of any interest in land, unless such Contracts involve details of the Council's specific requirements which would amount to a Works contract and must be procured in accordance with these Rules.
 - 1.8.4 Contracts for supplies to be purchased at auction and where the Director of Finance has agreed in writing that the Council's interests will best be served by purchase through auction and has similarly agreed an upper limit for bids.
 - 1.8.5 Contracts for the use of counsel or other legal representation where the Director of Legal Services considers that a Procurement exercise would not protect or support the Council's interests. All contracts for the use of counsel or other legal representation must be commissioned and/or approved by The Director of Legal Services.
 - 1.8.6 Contracts for works of art or theatre, which are genuinely exclusive.
 - 1.8.7 A Call-Off Contract made under a legally compliant Framework Agreement which has been procured correctly and where the Council is a named Contracting Authority (see Rule 8).
 - 1.8.8 The sale or provision of Supplies, Works or Services delivered by the Council as traded services.
 - 1.8.9 Grants received by the Council and Grants distributed by the Council provided the Grant received by the Council does not require the Council to procure Supplies, Works or Services.
- 1.9 Any failure to comply with any of the provisions of these Contract Procedure Rules shall be reported to the Head of Commercial Procurement Unit who will refer the matter to the Director of Legal Services or the Director of Finance, as

appropriate and the officer. A breach of these Rules may result in disciplinary action.

- 1.10 The relevant officer referenced in Rule 1.9 shall, where appropriate, take immediate action in the event of a failure to inform the appropriate Director who will consider and determine the appropriate action.
- 1.11 Any dispute regarding the application of these Contract Procedure Rules shall be referred to the Directors of Finance and Legal Services for advice.
- 1.12 The final arbiter for resolution of disputes regarding the application or interpretation of these Contract Procedure Rules shall be the Director of Legal Services whose decision shall be binding and final.
- 1.13 Persistent breach of the Contract Procedure Rules will also be reported to the Audit Committee.

2. COMMISSIONING AND PROCUREMENT PLANNING

- 2.1 Prior to the start of each financial year, the Council shall create a strategic procurement forward plan in consultation with the Head of the Commercial Procurement Unit and members of the Legal Services team setting out its current Contracts and Call-Off Contracts and Contracts and Call-Off Contracts to be procured for the forthcoming financial year. The procurement pipeline should be refreshed at intervals as the need arises. The coordination and updating of this plan will be the responsibility of the Commercial Procurement Unit. The strategic procurement forward plan will be published on the Oldham Council website.
- 2.2 The Council shall, where appropriate, make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy, efficiency and effectiveness in accordance with Section 3 Local Government Act 1999 (“Best Value”). This includes where appropriate, consultation with representative groups of payers of Council Tax and Business Rates stakeholder(s) and any other relevant interested groups prior to commissioning services.
- 2.3 The Council shall consider its obligations under the Public Services (Social Value) Act 2012 and have regard to economic, social and environmental well-being in connection with public services contracts and for connected purposes in its planning and commissioning processes.
- 2.4 The Council shall, where appropriate, consider its obligations with regard to data protection under the UK General Data Protection Regulation and the Data Protection Act 2018 as amended from time to time and in particular its responsibilities and that of the Contractor in relation to the processing of personal data through the outsourcing of its services, including specifying the conditions for processing and retaining personal data.
- 2.5 The Council shall, where appropriate, ensure that any collaborative arrangements/agreements with other public bodies to procure Supplies, Works

or Services comply with the Procurement Regulations and ensure value for money and that the Council's interests are fully protected.

- 2.6 As permitted by the Procurement Regulations, soft market testing may be undertaken provided it does not distort competition and is transparent and non-discriminatory.
- 2.7 Where an organisation has been involved at a pre-procurement stage (whether in soft market testing or otherwise, e.g., incumbents), the Council must ensure that there is a level playing field when the tender process starts such as making information available to all Tenderers that has been made available at a pre-procurement stage.
- 2.8 The Contract Owner is responsible for the full commissioning cycle including contract management and must ensure the Council enters into a legally binding Contract or Call-Off Contract with the Contractor prior to the provision of the Supplies, Works or Services. The Contract Owner must ensure that the Contract or Call-Off is signed and lodged with the Commercial Procurement Unit where the value of the Contract is £10,000 and over.

3. CALCULATION OF CONTRACT VALUE

- 3.1 The estimated value of a Contract or Call-Off Contract shall be the total consideration payable, including Value Added Tax (where applicable), which the Council expects to be payable under the Contract or Call-Off Contract and shall be calculated in accordance with Rule 3.2 below.
- 3.2 The total Contract Value shall be calculated as follows:
 - 3.2.1 Where the Contract or Call-Off Contract is for a fixed period, by taking the total price to be paid during the lifetime of the Contract or Call-Off Contract or the price which might be paid during the whole of the period including any permitted extension.
 - 3.2.2 Where the term of a Contract or Call-Off Contract is indefinite or uncertain, by taking the monthly price payable under the Contract multiplied by 48.
 - 3.2.3 In relation to a compliant Framework Agreement with no guaranteed commitment, the Contract Value will be the estimated value of the Supplies, Works or Services over the full duration of the Framework Agreement.
 - 3.2.4 Where the Contract may have a value above the Procurement Regulations threshold, for procurement purposes the Contract Value must be calculated inclusive of VAT.
- 3.3 Under the Procurement Regulations, Contracting Authorities may divide tender opportunities into smaller lots to encourage small and medium sized business enterprises to submit bids and must provide reasons for not doing so. The cumulative value of the individual lots will form the total Contract Value. If the Council chooses not to divide tender opportunities into smaller lots, it will record

a reason for not doing so, and this record will be held by the Commercial Procurement Unit.

- 3.4 A Contract Value shall not be artificially under or overestimated or divided into two or more separate Contracts where the purpose is to avoid the application of these Contract Procedure Rules.

4. PROCUREMENT PROCEDURES

- 4.1 Where an existing Contract, Call-Off Contract, Dynamic Purchasing System or in-house service is available to meet the Council's specific procurement requirements and offers value for money it should be used unless there are particular circumstances which justify an alternative route to market.

- 4.2 An E-auction process may form part of the overall tender process and shall be used in conjunction with the relevant tender procedures. The Contract Notice or advertisement and the Invitation to Tender documentation shall state that an E-auction will form part of the Tender process.

- 4.3 If Rule 4.1 does not apply, the Council must comply with the procurement table below, which sets out the required procedure for different Contract Values, the minimum number of tenders that must be invited and how invitations to tender must be publicised.

5. QUOTATION PROCESS

5.1 Full written Quotation(s) below £10,000 shall be obtained from Contractor(s) pursuant to the procedure set out in the table in Rule 4.3 before a formal purchase order and or Contract can be issued. 7.1 Where an estimated Contract Value exceeds the current Procurement Regulations' Thresholds, the Contract shall be tendered in accordance with the Procurement Regulations. Under the Public Contract Regulations 2015, the Contract may be Tendered under Open, Competitive Dialogue, Competitive Procedure with Negotiation or Innovation Partnerships Procedure. Under the Concession Contracts Regulations 2016 the Council shall have the freedom to organise the procedure, subject to compliance with the Regulations

7.2 A Contract Notice in the prescribed form must be published in Find a Tender in order to invite Tenders and a Prior Information Notice may be used to invite Expressions of Interest.

7.3 All Find a Tender notices shall be published by the Commercial Procurement Unit.

7.4 Competitive Procedures

7.4.1 A Competitive Dialogue procedure or Competitive Procedure with Negotiation may be beneficial in circumstances where greater flexibility is needed, e.g., for highly complex and risky projects where Tenderers will have a major role in defining the solution or where an Open Procedure may not deliver the expected outcomes.

7.4.2 A Competitive Dialogue procedure or a Competitive Procedure with Negotiation allows the Council to negotiate proposed solutions with Tenderers to achieve a desired outcome.

7.4.3 The Council must publish the minimum requirements, the award criteria and their weightings, which should not be changed during the negotiation process. During the dialogue, the Council must ensure the equal treatment of all participants and must not provide information in a discriminatory manner which may give any participant an advantage over others.

7.4.4 Advice from Legal Services must be sought prior to embarking upon a Competitive Dialogue Process or a Competitive Procedure with Negotiation.

7.5 Concession Contract

7.5.1 A Concession governed by The Concession Contracts Regulations 2016 must be advertised in accordance with the Regulations and the value of the concession must be calculated in accordance with Regulation 8. As such there are certain procedural guarantees which must be met; award criteria must be published in descending order of importance and the tender evaluation made in accordance with them; minimum time limits for the receipt of tenders and the mandatory and

discretionary exclusion criteria must be applied. A Find a Tender notice must be published for over threshold tenders.

8. COMPLIANT FRAMEWORK AGREEMENTS

8.1 CALL-OFF CONTRACTS

8.1.1 Where an appropriate compliant Framework Agreement is recommended by the Commercial Procurement Unit, that has been established by a consortium, collaboration, the Council or other public body, the Council may consider using this compliant Framework Agreement to place an order (Call-Off) if:

- (a) the Framework Agreement has been established by an entity, and via a process, which permits the Council to access those arrangements lawfully;
- (b) the Council is a named Contracting Authority in the official notice.

8.2 ESTABLISHING A COMPLIANT FRAMEWORK AGREEMENT

- 8.2.1 Where the Council is establishing a compliant Framework Agreement which may be accessed by other named Contracting Authorities, including any subsidiary companies of the Council, the estimated Contract Value that may be contracted for under the compliant Framework Agreement must take account of all potential work that may be put through the agreement (see Rule 4) and follow the procedures set out in these Contract Procedure Rules.
- 8.2.2 If the Council is establishing a compliant Framework Agreement in accordance with Contract Procedure Rule 8.2.1, reference must be made within the procurement documents explaining that the compliant Framework Agreement is intended for a wider use and advice should be sought from Legal Services to ensure the terms upon which other Contracting Authorities access those arrangements are clear and offer appropriate protection to the Council.
- 8.2.3 In establishing a compliant Framework Agreement, the total duration (including any extensions) cannot exceed four years except in exceptional circumstances where this can be duly justified (as required under Public Contract Regulations Rule 33(3)). Any proposal to establish a compliant Framework Agreement with a duration exceeding four years should be referred to the Commercial Procurement Unit and Legal Services for advice.
- 8.2.4 Where, taking into account the above, the estimated value of the compliant Framework Agreement is above the relevant procurement threshold, the authorised officer must ensure that any other public bodies (Contracting Authorities) are included in Find a Tender or any official notice either individually or by an identifiable class.
- 8.2.5 In establishing a compliant Framework Agreement, the Council must ensure that the terms of the compliant Framework Agreement make the process clear by which Call-Off contracts under the compliant Framework Agreement are to be entered into.
