

Report to HEALTH SCRUTINY COMMITTEE

Key Decision Document

Portfolio Holder: Various

Report Author: Constitutional Services

6th December 2022

Purpose of the Report

For the Health Scrutiny Committee to review and note the latest published Key Decision Document.

Executive Summary

Overview and Scrutiny has access to the Key Decision Document and the timetable for decisions and intentions for consultation. For the Health Scrutiny Committee, the Key Decision Notice provides an opportunity for the Committee to identify those decisions it considers as having particular significance and priority over which it would wish to maintain an overview of the implementation.

Recommendations

The Health Scrutiny Committee is asked to note the Key Decision Document and to provide any comments.
