Integrated Sexual Health Service	The Committee resolved to consider, early in the 2022/23 Municipal Year, the establishment of a 'task and finish group', comprising Committee members and relevant partners and stakeholders to carry out an in-depth study around the adoption of a collaborative approach to improving sexual health outcomes across the Oldham Borough. The Director of Public Health has clarified the intent as being for Committee to consider inviting the providers of sexual health services in the Borough to a future Committee to discuss their current offer and the work they are doing – this might be one of the big providers such as the hospital, or possibly from some of the other service providers that are commissioned.
