- Please prevent inappropriate use by treating this information as restricted, refrain from passing information on to others and use it only for the purposes for which it is provided. - This template has been produced for areas to confirm how the additional funding to support discharge from hospital and bolster the social care workforce will be spent in each area. The government has also produced guidance on the conditions attached to this funding, that you should ensure has been followed.

- This template collects detailed data on how the funding allocated to each area will be spent. The portion of the funding that is allocated via Integrated Care Boards (ICBs) does not have a centrally set distribution to individual HWBs. ICBs should agree with local authority partners how this funding will be distributed and confirm this distribution in a separate template. The amount pooled into the BCF plan for this HWB from each ICB should also be entered in the expenditure worksheet of this template (cell N31) (The use of all funding should be agreed in each HWB area between health and social care partners.
