Purpose of the Report

The Oldham Safeguarding Adults Board (OSAB) is a statutory partnership set up to safeguard adults at risk of experiencing abuse, neglect or exploitation. As part of its statutory duties the Board is required to produce an Annual Report setting out the safeguarding concerns it has dealt over the last year, as well as a Business Plan setting out future ambitions and actions to help keep people safe in Oldham. The purpose of this report is to share the Board's agreed 2022-23 Annual Report and 2022-24 Business Plan with members of the Health and Wellbeing Board for their consideration.

Requirement from the Health and Wellbeing Board

Members of the Health and Wellbeing Board are asked to consider and comment on the Oldham Safeguarding Adults Board 2022-23 Annual Report and 2023-24 Business Plan.

Background

The role of the OSAB is to assure itself that organisations and agencies across Oldham are working together to protect and enable adults to live safely. This means helping people to make decisions about the risks they face in their own lives as well as protecting those who lack the capacity to make these decisions.

The Board has three main statutory duties which are to:

-
- Produce a **Strategic Business Plan** setting out the changes the Board wants to achieve and how organisations will work together.
 - Publish an **Annual Report** setting out the safeguarding concerns it has dealt with in the last year as well as plans to keep people safe in the future.
 - Undertake a **Safeguarding Adult Review** in line with Section 44 of the Care Act where it believes someone has experienced harm as a result of abuse, neglect or exploitation.

Reflecting on the last year: 2022-23 Annual Report

The Board's 2022-23 Annual Report provides information on the number and type of safeguarding concerns reported in Oldham along with the actions taken to adopt learning from the Safeguarding Adult Reviews. Central to this has been the collection and sharing of firsthand experiences by adults 'at risk' and family members who have experience of safeguarding issues and services in Oldham.

In summary, a total of 2175 safeguarding referrals were made in 2022-23 and of these referrals 430 became the subject of a formal Safeguarding Enquiry. The data shows that the number of referrals received more than doubled compared to the number received in 2018-19 and increased by 16% compared to 2021-22. Some of this increase may be due to safeguarding awareness campaigns designed to encourage the residents of Oldham to report their safeguarding concerns and training provided to professionals in Oldham about making safeguarding referrals and the criteria for formal enquiries. However, whilst the number of overall referrals has increased, the number of serious safeguarding enquiries remains relatively consistent over the last four years.

A total of 4 Safeguarding Adult Reviews were completed in 2022-23, which was double the number completed the previous year. Common themes emerging from Safeguarding Adult Reviews involved the multi-agency management of risk; Complex and Contextual Safeguarding including cuckooing, financial abuse, and exploitation; and safeguarding transitions

Looking Forward: 2023-24 Business Plan

The Board's Business Plan has been shaped by the partner agencies and based on the key learning themes emerging from Safeguarding Adult Reviews, Audits and operational work. As a result, the Business Plan sets out a challenging programme of work, designed to prevent and reduce future safeguarding incidents and implement an effective 'all age' safeguarding offer. The Business Plan is designed to focus on action and is being actively promoted and shared across agencies to highlight the aims of the Board and promote the wide range of resources and information available through the Board's website and fortnightly joint children's and adults safeguarding bulletins.
