SARAH ANNE LEES CHARITABLE TRUST

The Committee considered a report regarding commercially sensitive information in relation to requirements for a Spending Permanent Endowment in relation to a property in Oldham.

Reference was made to suggested resolution in relation to this item and in particular, the reference to 'Appropriate bodies or organisations providing assistance or services in keeping with the objects of the charity'. It was suggested that this wording should be amended to make specific reference to lifestyle activities such as teaching cookery and laundry instead of generalistic terms.

Resolved: that this item be deferred to enable the wording suggested in the resolution, i.e., 'Appropriate bodies or organisations providing assistance or services in keeping with the objects of the charity' to be reworded to include specific reference to lifestyle activities instead of the generalistic terms set out.

The meeting started at 6.00 pm and ended at 6.17 pm
