

Bid Name	Ward	Funding Requested	Score	Recommended Funding Allocated	Comments
Central					
Application 1 – Eldon Street Estate Play Area: To update and improve the existing children’s play area in one of our poorer and more outdated housing estates.	Alexandra	£35,155.00	22	£35,155.00	Recommend for funding.
Application 2 – Shadowbrook/Sandringham Play Area: To refurbish and expand an existing community play area located on Shadowbrook Close	Coldhurst	£17,303.00	22	£17,303.00	Recommend for funding.
Application 3 – Oldham Edge Play Area: To transform the play space by making it an area that is accessible, visually appealing, and for the community to view it as an asset that will improve their wellbeing and the environment as well as a space that they can be proud of.	Coldhurst	£23,017.59	23	£23,017.59	Recommend for funding.
Application 4 – West End Street Kickpitch: To assess how a community or voluntary organisation could takeover the West End St kickpitch (inc associated building and land), attract funding, refurbish the area, and run an effective and sustainable community resource for the benefit of local people.	Coldhurst	£29,500.00	22	£29,500.00	Recommend for funding.
Application 5 – Installation of a non-turf pitch at The Meadows Sports Courts: To revitalise the playing field area at The Meadows Sports Courts, Glodwick with the installation of a non-turf cricket wicket in order to create a recreational cricket pitch and a new slide for the nearby play-area.	St Marys	£43,125.00	23	£43,125.00	Recommend for funding.

East					
Application 6 – Cooper Street Road Safety: To introduce a 20mph zone with associated traffic calming measures to address road and pedestrian safety issues on Cooper Street, Springhead.	Saddleworth West and Lees	£43,000.00	21	£43,000.00	Recommend for funding. This is the second time this project has been submitted for consideration to the LIF.
Application 7 – Dobcross Park: To make much needed improvements to Dobcross play park and will meet the council corporate priority 'Transforming and improving Oldham's neighbourhoods'.	Saddleworth Noth	£28,583.50	24	£28,583.50	Recommend for funding. Reference to an 'All Ability Swing', but no reference in the plans, so needs clarifying.
Application 8 – Stoneleigh Park Play Area: To extend the 25-year-old existing play offer and add new, fit for purpose, exciting, equipment and features that will enable the community to come together and connect again after a difficult few years.	St James	£30,000.00	23	£30,000.00	Recommend for funding.
North					
Application 9 – Improvement to Growing Hub: To improve the condition and facilities of the growing hub at Dunwood Park and carry out repair of willow Sculpture.	Shaw	£17,850.00	20	£17,850.00	Recommend for funding.
Application 10 – High Crompton Park Toilets & Sports Facilities Improvements: To improve the condition and facilities of the tennis court and MUGA at High Crompton Park to allow residents and visitors to the park to utilise all facilities.	High Crompton	£50,149.00	20	£0.00	LTA funding now secured, so no LIF funding required.
Application 11 – Wendlebury Green Playground: To provide improved play equipment at the small park at Wendlebury Green.	High Crompton	£36,850.00	22	£36,850.00	Recommend for funding.

South					
Application 12 – Creating a safe green space for the Medlock Vale Community: To develop the green field adjoining to Coppice Primary Academy and enclosed in between New Rd, Sheraton Rd and Upland Rd.	Medlock	£15,724.32	21	£15,724.32	Recommend for funding.
Application 13 – Wildbrook Community Food & Growing Hub (Food Hub Renovation): To revitalise the abandoned Community Allotment and develop a Growing Hub and in the 2nd phase (2024) renovating the vandalised building as a Community Food Hub.	Medlock	£32,000.00	21	£32,000.00	Recommend for funding.
Application 14 – Coppice Pathway Project: Bridging Oldham's Communities: To urgently transform this treacherous and extensively fly-tipped site into a secure pathway, revolutionising the neighbourhood and facilitating access to local businesses, community hubs, and the Mosque.	Medlock	£29,000.00	18	£0.00	This project is very reliant on additional external funding. The applications needs to be clearer in terms of delivery. The application is also unclear in terms of the full funding breakdown.
West					
Application 15 – Victoria St Pocket Park: To bring the site back in to community use. To design out crime and anti-social behaviour. To encourage social inclusion and reduce isolation through community activities taking place on site.	Chadderton North	£10,000.00	20	£10,000.00	Recommend for funding.
Application 16 – Car Park, Crossley Playing Fields: To increase safety for residents and improve the	Chadderton Central	£24,500.00	17	£0.00	There are community safety concerns as this

community currently suffering long term anti-social behaviour through cars meeting to play loud music, smoke, drink, do 'donuts' and carnal activity.					project is reliant on residents and the restaurant to manage the barrier.
Application 17 – Improving Road Safety in Chadderton: To promote a greater degree of road safety for pedestrians and motorists alike at a number of specific locations within the ward.	Chadderton North	£18,000.00	20	£18,000.00	Recommend for funding.
Application 18 – Improving Facilities in Chadderton Hall Park: To enhance facilities in Chadderton Hall Park in support of a planning application to increase parking facilities within the park.	Chadderton North	£20,000.00	22	£20,000.00	Recommend for funding.
Application 19 – Micro Wood, Granby Street Wetlands: To improve and transform this area of green space in our neighbourhood with natural solutions to improve the environment, manage flood and drought risks, create a mosaic of habitats for nature and improve access to quality green space supporting the health and wellbeing of residents and visitors.	Chadderton South	£45,609.74	19	£0.00	The Advisory Panel appreciated the ambition of the proposal but felt that the application needed strengthening to justify the requested spend.
Delayed Applicants – East					
Application 20 – Whitehall Lane Park Refreshment: To refresh the Whitehall Lane Park playing area, ensuring that good quality play equipment is available to residents in the Moorside area.	St James	£30,000.00	22	£30,000.00	Recommend for funding.

Application 21 – Arundel Park Multi Games Area: To create a multi-game space in the heavily built-up area of Clarksfield, with a significant population under 18.	Waterhead	£52,200.00	15	£0.00	The Advisory Panel felt that the application was poorly written and lacked impact for the funding requested.
