#### Decision (s) <sup>2</sup>

The purpose of the report is to seek approval for the implementation of the measures described above

#### Reasons for the decision(s)<sup>3</sup>

Further to the opening of a new school entrance on Grampian Way, Shaw for Crompton House School, parents have become accustomed to parking in an obstructive manner when dropping off and picking up their children from school. The parking is taking place in close proximity to the school entrance, which is creating a highway safety problem for the children who are crossing Grampian Way, when entering and leaving the school premises, as they are being forced to cross in-between parked vehicles. The parking is also resulting in difficulty for nearby residents who need access to their driveways.
