

Cllr Salamat – St. Mary’s Ward

My Ward priorities

- Working with GMP to tackle Anti-social behaviour.
- Securing more youth facilities for our young people.
- Dealing with resident casework, inc. housing issues.
- Ensuring the Ward is clean and tidy by reporting fly-tipping, pot holes and graffiti.

Work in the community

I have been out and about in the community engaging with residents about the services that they require and the support they need. I am the District Lead for Central District and work with our local neighbourhood policing team to address ASB in the area and other partner agencies, including our registered housing providers.

I want to play my part in making sure that the Ward is safe, clean and green. Don't Trash Oldham is a key priority for the Labour Administration and I am continuing to invest in community clean-up initiatives.

I sit on Audit Committee and Traffic Regulation Order Panel, and in conjunction with my Ward colleagues, have successfully submitted a number of LIF funding improvement bids to bring more recreational facilities to our Ward, including a new cricket pitch and a pocket park.
