

Cllr Beth Sharp – St. James Ward

My Ward priorities

Tackling anti-social behavior

Protecting our green areas

Strong local voice for residents

Road safety and road maintenance

Borough map and photograph (supplied by
Constitutional Services)

Work in the community

- I deal with high-levels of casework from residents across the ward and hold regular street surgeries and face to face surgeries which I advertise in advance. I also carry out ward walks and report any issues.
- I continue to work with residents concerned about anti-social behavior across the ward and I regularly meet with GMP officers to discuss these concerns. I have organised multiple community meeting with residents, GMP, First Choice Homes and Council Officers. As well as organising a public meeting with Home Watch to discuss how residents can set these up.
- I have represented St James residents at the Oldham Remembrance Service
- I met with local residents to discuss concerns with local developments and raised these with the developer
- I actively support events in the ward, such as the Fruit & Veg Show, Christmas Carol Services, various fayre's, Coronation events, clean up events, social events and much more.
- I have also used the community budget allocated to me to continue to support Christmas activities for the Care Homes across the ward, as well as a new bench in Moorside, supporting events such as the Flower Show at Sholver Community Centre and summer activities for families in Stoneleigh Park.
- Working with ward colleagues to support Moorside Cricket Club with LIF funding and Whitehall Lane park with LIF funding
- I have regularly spoken in Council on matters relating to the ward, such as opposing building on our green areas and on opposition business.
- I will continue to work over the course of the next year to ensure that the concerns and need of St.James' residents are met and resolved without delay.

Ward Budget Spend

Sholver Fruit & Veg event

Surgeries

I hold regular face to face sit down surgeries, which I advertise in advance and street surgeries across the ward.
