

Cllr Chris Goodwin – Chadderton South Ward

My Ward priorities

Community Safety

Environmental Improvements

Social Isolation

Tackling Deprivation

Borough map and photograph (supplied by Constitutional Services)

Work in the community

- As well as meeting residents via 'street surgeries' I take part in events which are organised by various community groups throughout the ward.
- I also arrange meetings of residents who may wish to speak to officers of the council regarding a particular matter.
- I attend Chadderton and District Homewatch meetings listening to and acting on residents' concerns where possible. I also attend the Chadderton Pub and Club watch meetings.
- I work closely with Highways England to ensure the A663 Broadway is suitably maintained and that road safety measures are as effective as practicable.
- I am regularly out and about in the ward to ensure that I can report matters that are in need of repair or enforcement.
