

# Cllr Taylor – Chadderton Central Ward

## My Ward priorities

Working with local residents to support them with casework issues, such as housing, council tax and environmental services.

To undertake regular walkabouts to report potholes, fly tipping and graffiti and to work with local groups to organise community clean up initiatives.

Ensuring our local roads, pavements and green spaces are well maintained.

Preserving our local heritage.

Borough map and photograph (**supplied by Constitutional Services**)

## Work in the community

- Holding regular advice surgeries to engage with residents and community groups on a wide range of issues.
- Supporting voluntary organisations to access the grants system to fund projects and activities within the local area.
- Successfully applied for Revenue and Capital LIF bids to tackle Anti-Social Behaviour (ASB) on the Crossley playing fields/ San Rocco car park and to fund a pocket park on Victoria Street.
- Working with local organisations such as Fernhurst Allotment Assoc. and Springbank Bowling Club on community outreach work.
- Organising and taking part in local litter picking activities, as well as using my Councillor budget to clean up un-adopted green spaces.
- Working with the New Chadderton Partnership to establish a Neighbourhood Forum and develop a shared vision for Chadderton.
- Working with the Council's Community Safety Team and local neighbourhood policing team to help reduce ASB.
- Volunteering at Chadderton Day and other local events.
- Working with the voluntary sector to help tackle social isolation for elderly/ vulnerable residents.

## Surgeries

My Ward surgeries are held at Chadderton Health and Wellbeing Centre once a month on a Saturday morning. Please contact me or check the website for dates and times.

Residents can also contact me by phone or email to arrange a separate meeting if they cannot make it to my Ward surgery.
