Work in the community

- Worked with a major local employer, hosting a careers event at the Ward, attended by 120 people with significant number of residents securing employment at the company.
- Arranged a Young People's Career Event at the Civic Centre, attended by over 450 people.
- Organized a community meeting on improving educational outcomes, setting out Oldham's vision, importance of attendance and ensuring Children are school ready.
- Organized meeting with parents to recognize signs of drug taking and support services available to those who require help.
- Arranged successful meetings with the local Police, so that residents can address their concerns and inform the police of their priorities.
- Successful in obtaining funds to improve: Victoria St Pocket Park, Improve Fernlea Avenue Alleyway, CCTV to deal with Anti-social behavior at San Roco Car Park.
- Attended well over 20 community-based events, providing support and guidance on strengthening partnerships and community engagements.
- Developed and supported several community organizations, helping them grow and become self-sufficient.
- Worked with community groups to transform alleyways into growing hubs.
- Held surgeries at Chadderton Wellbeing Centre, meeting residents to tackle a range of problems.
