Work in the community

I have pledged my full and active opposition to any detrimental development in Royton and will continue to use my experience to oppose anything which is against the interests of Royton's people. At the same time, I will never hesitate to use my considerable experience to the benefit of Royton and its people.

I am a grass roots councilor who has a long record of helping many individual Royton people; and have always been involved Royton's excellent community groups. I am very proud to be a founder member and the first Chair of the Royton Royal British Legion branch and to be the President of the Royton Veterans Bowling Club. I have been involved with bringing a number of interesting and well attended car shows to Heyside and regularly help to put up the Heyside Christmas tree.

Amongst the many groups I have supported are local sporting clubs, Scouts, Brownies, Royton Local History Society the Heyside Neighborhood Council, which I am about to re-launch, and I am fully involved in the Royton Christmas and summer events.

Amongst the many ward issues dealt with on a regular basis are: -

- School placements.
- Bus routes and fares.

Currently my official council appointments are:-
